Our 1997 North Carolina Annual Conference Emphasis

WINDOWS TO THE FUTURE

The Church is always seeking to be faithful to God's future. This process includes scriptural examination of where we are and prayerful consideration of where we need to be. Through these four days of shared community we hope not just to administer the business of annual conference, but to focus the gaze of delegates to the far reaching opportunities of God's future.

JOURNAL OF PROCEEDINGS
(Daily Minutes)

EXECUTIVE SESSION
OF THE 1997 ANNUAL CONFERENCE, Monday, June 9, 1997

Executive Session for All Clergy: Bishop Marion M. Edwards gaveled the 172nd session of the Annual Conference to order at 10:00 a.m. The Bishop explained the tradition of the opening hymn, "And Are We Yet Alive." Reverend Charles Cook led the singing. The Bishop preached from Psalm 96, and led the assembly in prayer.

Bishop Edwards reviewed the new provisions of ¶314 of *The Book of Discipline*. He explained that the bishop is responsible for convening meetings of orders. The meeting of the Order of Deacons will be October 23; for Elders, October 22; and for Local Pastors, Associates, Members and Probationary Members, October 18. The chairpersons for each of these Orders are nominated by the Board of Ordained Ministry and elected by their respective bodies. Milton Gilbert has been nominated to chair the order of Elders. Robert Huckaby has been nominated to chair the order of deacons.

The Bishop described the importance of the issues related to sexual ethics among the clergy. He explained the provision for attendance at the Executive Session. The Bishop requested a motion be made for attendance by non-clergy guests of the Executive Session.

Motion: Dr. Roger Elliott made a motion "to allow visitors into the Executive Session." It was seconded and approved.

Passing the Character of the Clergy: Bishop Edwards called for the passing of the character of the clergy. The Bishop explained how our *Discipline* calls for responsibility among the clergy and that these provisions are often misunderstood. The Bishop explained that the term "blameless" does not mean that clergy do not have weaknesses or faults. Rather, it means that there are no charges pending or proven against members of the clergy. The Bishop cannot pass on the fitness of the clergy. That responsibility belongs with the Executive Session.

The Bishop acknowledged the presence of Jerry Bryan, Interim Secretary of the Conference, and of James Coile, former Secretary, who the Bishop requested to remain as parliamentarian. Bishop Edwards also recognized Dr. Belton Joyner whom the Bishop asked to be seated at the table.

The Bishop asked the District Superintendents to stand. The Bishop declared the District Superintendents blameless in character and administration of office. The Executive Session passed the character of the District Superintendents.

Bishop Edwards asked each District Superintendent to report on the character of the clergy. The District Superintendents reported nothing against the character of the clergy on their respective districts with the exception of the District Superintendent of the Elizabeth City District. He reported one charge of immorality and disobedience to the Order and Discipline of the Church. A Church trial has been held. The individual entered a plea of guilty to the charge of disobedience to the Order and Discipline of the Church. The records of these proceedings are on file with the Conference Secretary. By Judicial Council ruling, an Executive Session may not ratify a trial verdict. With the exception of this one charge, which is now resolved with a leave of absence, the Elizabeth City District Superintendent reported nothing against the clergy of the Elizabeth City District. The Bishop called for passing of the official and moral conduct of clergy by the Executive Session. It was passed with no dissenting votes. The Bishop declared that the character of the clergy had been passed.

Report of the Board of Ordained Ministry: The Bishop called for the members of the Board of Ordained Ministry to stand and be recognized. Roger Elliott, Chairperson of the Board, presented the report. Elliott recommended the deletion of Dr. Kermit Braswell in the class of 2001 of the Board of Managers, the Pastors' School. Braswell was replaced by Reverend R. Carl Frazier, Jr. The change was approved.

Elliott referred to Question 33, "Who are elected as Deacons in Full Connection?" This is the first annual conference such a vote has been taken. Each of the candidates was asked to come forward and stand before the Executive Session. After administering the historic questions to the candidates for the new Order of Deacon, the Bishop asked if there were any questions by the assembly. Given the historic precedence of the vote, the Bishop asked those in favor of their election to stand. The candidates were approved with no dissenting votes.

Candidates for Associate Membership under Questions 34 and 35 were requested to come forward and stand before the Executive Session. Candidates for elder's orders were invited to the front. After administering the historic questions, the Bishop asked the body

if there were any questions that they would like to address. He called for a voice vote for Associate Members. The candidates were approved with no dissenting votes. He then called for the vote for candidates for Elders Orders. Not hearing any questions from the body, he then called for a voice vote and the candidates were approved.

Elliott called attention to Question 19, which is presented for information. He deleted Pollard G. Cannon from Question 20. An omission in Question 19 was questioned. Dr. Belton Joyner explained that an addition can be made based on the recommendation of the district committee. Elliott then presented amendments to the listings. Under Item 21.b, Wilbur Ormond, Jr. required approval of extension of time to complete the Course of Study, and it was approved.

The Bishop asked the body to support the recommendation of the board in Question 26.b and it was approved.

Elliott asked for those listed under Questions 29.a and 32 to come forward. The Bishop addressed the candidates for Probationary Membership under the 1992 *Book of Discipline* and the clergy transferring in from other denominations. They faced the body as the Bishop asked for questions, and there were none. He asked for the vote and the candidates were approved for Probationary Membership.

Elliott referred to Questions 30 and 31, asking those listed to stand. No vote was required and the Bishop called for applause in recognition of those listed. Questions 36 and 37.b were presented, with an addition to Question 37.b. Under advisement from the Parliamentarian, the Bishop ruled that we cannot vote on Question 37.b. The Bishop called for approval of all the above items and they were approved.

Persons listed under Question 39 were asked to stand and be recognized. The Bishop called for a separate vote on those listed under Questions 41 and 42. Both lists were approved for ordination. Clergy transferring from other denominations, Question 43, were voted on and approved. Question 47, honorable location, and an addition to 47.a were presented for a vote of approval. These were approved. Question 48 was presented for approval and it was approved. An addition to Question 50.b was made and those listed were approved to voluntarily leave the ministerial office.

The Bishop asked the body to stand as the names in Question 51 were read in tribute to those persons who have died since our the last Conference.

Point of Order: The name under 51.c also must be read. It was done.

Additions were made to the list of spouses and added the name of Bishop William Ragsdale Cannon. The Bishop led the assembly in prayer in memory of those who have passed on.

Corrections were made to Questions 53.c and d. The body voted on Questions 53 and 54 and approved those listed. Question 56 was presented and approved. Those listed under Question 57.c were presented for approval and were approved. Those retiring listed under Questions 59-61 were asked to stand and be recognized. Questions 62-76 are covered other places in the Conference.

Two individuals under Question 77 requested extensions beyond the eight year limit, requiring a 3/4 vote. These were approved. All of those listed, with the exception of one deacon in full connection, were presented for vote, requiring 2/3 majority. These were approved. Those listed under Question 81, Extension Ministries, stood for recognition. They required a 2/3 vote and they were approved.

A clarification was requested on Question 43. A question was raised about Question 38.c regarding approval by the Board of Ordained Ministry. The Board of Ordained Ministry will be voting immediately following the Executive Session.

The report as a whole was presented to the body and the Bishop called for its approval as modified. It was approved by a standing vote. The Bishop expressed his gratitude to the Board of Ordained Ministry for their diligent work.

Adjournment: There being no further business, the Bishop asked all to stand for the benediction. The Executive Session was adjourned.

FIRST DAY, AFTERNOON SESSION, Monday, June 9, 1997

Opening Communion Service: Bishop Marion M. Edwards, celebrant and preacher, led the congregation in singing at 1:25 p.m., followed by Holy Communion for all Annual Conference members and visitors. Citing the Apostle Paul, Robert Frost, and Carl Sandburg, Bishop Edwards called the NC Annual Conference into the ministry of reconciliation by tearing down the ethnic, social, and economic walls that separate us. The afternoon offering was designated for the Simeon F. Cummings Native American Endowment.

Brief Recess

Plenary Session: Bishop Edwards called the Conference to order at 3:00 p.m. for the opening session of Annual Conference.

The Bishop introduced UMCOR Staff Person, Fred Toland, to say a few words about hurricane relief through UMCOR. He recognized key people of our conference who worked for the recovery from Hurricane Fran.

State of the Church Address: Bishop Edwards suspended his State of the Church Address. Instead, he related his experiences as a district superintendent in Georgia, and of a church that would not let its pastor fail. He thanked the conference for doing everything it can to keep their bishop from failing.

Organization of the Conference: Dr. James L. Bryan, Conference Secretary, made the following motion: "I move that the Bar of the Conference be the main floor and the stage of Reeves Auditorium, that the records of the registrars at the registration tables be the Official Roll of the Conference, that the program in *The Conference Program, Recommendations and Reports, 1997* and *The Book of Handouts* be the Official Program and Agenda of the Conference, with the understanding that the agenda may be amended from time to time by the presiding Bishop as necessity and expediency may require, that persons appearing on the agenda who are not members of the Conference be granted the privilege of the floor, and the Staff Members and Committee Members which are listed on pages 7 and 8 of *The Conference Program, Recommendations and Reports, 1997* be elected." Bryan's motion passed.

Vote on Constitutional Amendments: Secretary Bryan brought attention to the seven constitutional amendments, approved by General Conference, that required vote by our Annual Conference. He explained the voting procedure and noted that we would continue on with business while the Tellers collected the vote sheets. Kermit Braswell and Cashar Evans were available to address any amendment questions.

Election of Conference Secretary: Bishop Edwards announced that with the resignation of James Coile, Conference Secretary, he had named Assistant Secretary, Jerry Bryan, as Interim Secretary until the Conference elected a secretary to finish out the quadrennium. Edwards spoke of his appreciation for Coile, who will serve as Parliamentarian, and of his many years as Conference Secretary. He said Coile would be given special recognition at a later time. He called for nominations and Bryan was nominated from the floor. A motion to close nominations was passed and Bryan was elected unanimously.

Report of Committee on Conference Rules: Kyle Hicks, newly elected chairperson, presented the conference rules from the Committee. They were approved without changes.

Point of Personal Privilege: Charles Morrison requested that the Conference send greetings to Dr. Kimsey King, former Conference Secretary who is ill. The Bishop then received from the floor other names for greetings. Others were to be submitted to the secretary and the conference will send greetings. The motion was approved.

Report of Board of Ordained Ministry: Chairperson, Roger Elliott, called attention to additional matters from the Board. Upon presentation of transfers and newly elected clergy, who were asked to stand and be recognized, the Bishop asked the Conference to express their appreciation with applause. Candidates for diaconal ministry, Mark David Haines and Amy Lynn Kelley, were presented by Denise Waters, Division of Deacons Chairperson. The candidates were approved as diaconal ministers.

The Bishop welcomed those clergy who were transferring to the annual conference from other conferences, and asked the Conference to express their appreciation with applause.

Report of Committee on Episcopacy: Chairperson, Cashar Evans, told of our appreciation for both Bishop Marion M. Edwards and his wife, Linda. He regaled the Conference with interesting stories of the Bishop's life growing up in Georgia, and his career in ministry. Mrs. Edwards was escorted to the stage by Dr. and Mrs. Kermit Braswell. Reverend Bill Presnell presented the Edwards with roses and a gift in recognition of Bishop & Mrs. Edwards' thirty-fifth wedding anniversary, this day. The Conference greeted them with a standing ovation.

Reverend Jerry Schronce proposed a motion on behalf of the local pastors. The Bishop requested he delay his action until after the report of the Committee on Nominations.

Continuation of Report of Ordained Ministry: The Bishop called for Roger Elliott, Chairperson of the Board of Ordained Ministry, to present two diaconal ministers for extension of leaves of absence. These were approved.

Report of Conference Committee on Nominations: Robert Baldridge, CCOM Executive Director, pointed out necessary changes to several items printed in *The Conference Program, Recommendations and Reports, 1997*. These must be voted upon in the days ahead.

Baldridge introduced Conference Missionary Secretary, Reverend Jesse Staton, who presented five certificates of award to Bishop Edwards. Our Conference led all the SEJ Conferences in increases in advance giving - which was 41% over the previous year.

"A Good News Moment:" Baldridge introduced a "Good News Moment" and the body sang "Open My Eyes, That I May See." Gregory Bronson from Rocky Mount compared the violence in the church's neighborhood to the good work being done at the Clark Street UMC, a revitalized church. The church actively, and successfully reaches people of all age groups. The church is receiving people on profession of faith, and is ministering directly to the needs of those who are affected by the violent acts described.

Report of Conference Council on Finance and Administration: Cashar Evans, Chairperson, and Conference Treasurer, Allen Norris, presented the budget found on pages 50 - 59 of *The Conference Program, Recommendations and Reports, 1997*. It is to be approved Wednesday afternoon. Evans also referred to previously mailed sheets. He then asked for approval of Items III, IV, and V on pages 50 - 53, which includes the District Superintendents' salaries. Evans moved the approval of the wording in bold print in Sections III, IV, & V. The Bishop called for a vote on each section separately. Sections III & IV, were approved in order.

Harold Harbin, Jr., Glenwood, (RO) moved that the salary for the District Superintendents for 1998 and subsequent years shall be recommended in actual dollars to the Annual Conference for approval. The raise in salary shall be the same as the dollar amount as the raise in the recommended minimum salary of full-time pastors serving local charges in the NC Conference. This amount would be $783 for 1998. The 1997 salary for District Superintendents is $64,659. Therefore, the 1998 salary for District Superintendent will be $65,442.

Dr. Roger Elliott, Edenton Street, (RA), spoke against the amendment. Reverend Norma Walters, Leave of Absence, (DU), spoke in favor of the amendment. The question was called and the amendment was re-read. It was defeated.

Dr. Robert Pullman, St. James, (NB), proposed an amendment to Part V, line three, to delete "salary and utilities" and insert "only" in that place, to read ...average percentage change in salary only for the prior year for all full-time pastors.... And CF&A is to adjust the per cent and the salary amount accordingly. The question was called, the amendment was read again, and it failed.

The Bishop called for a standing vote on Section V, and it passed.

SECOND DAY, MORNING SESSION, Tuesday, June 10, 1997

Wesley Hymn Sing: Reverend Chuck Cook led in the singing of a number of Charles Wesley hymns.

Morning Worship: "Windows to the Future:" Taking as his text, Luke 15, the parable of the prodigal son and his older brother, Bishop Edwards led the conference through a reappraisal of the older brother and how he is much like us. The older brother also was a prodigal in his heart. We were left to bring closure to the story as we examine our own lives.

Plenary Session: Bishop Edwards called the Conference to order for the morning's business at 9:00 a.m. He recognized clergy and lay persons who have attended the most NC Conference sessions.

The Crum Award for Prophetic Ministry: Henry Jarrett, chairperson of Commission on Church and Society, presented the award to Smyrna UMC, Robbins, (SA), for its work with learning disabled children, and for its work with North Moore Occupational Therapy. Prospect UMC, Maxton, (RO) also received a Crum Award for hosting a conference on the hog farming industry.

Report of Commission on Laity: The Bishop called on Conference Lay Leader, Robby Lowry, and the Commission on Laity for their report. Mrs. Jeanne Rouse, Conference UMW president, encouraged registration for the 1997 School of Christian Mission.

Lay Person of the Year Award: Lowry presented all nominees from each district: BU: Ms. Katherine Wacker from Orange UMC; DU: Ms. LaNella Smith from Asbury Temple UMC in Durham; EC: Ms. Audrey Farrow from St. Johns UMC at Avon; FA: Mr. Lyman Horne of Grace UMC in Clinton; GO: Mr. Alan Casey of Sanders Chapel UMC; GR: Ms. Carol Richardson of Bath UMC; NB: Ms. Kathy Bailey of Trinity UMC; RA: Mr. Lavern Nanney from Wesley Memorial UMC; RO: Ms. Treva Stewart from Pleasant Grove UMC; RM: Ms. Elladean (Deanie) Bowers of Jackson UMC; SA: Ms. Kathy Chappell from Candor UMC; and WI: Ms. Susan Pennock of Camp UMC in Shallotte. They received applause from the Conference.

LaNella Smith of Asbury Temple UMC in Durham was the recipient of the 1997 Lay Person of the Year Award. Her vitality, enthusiasm, and commitment to the church are seen in her local, district, and conference activities. She is a member of the choir, works with Habitat for Humanity, and leads various programs in the church. Her church proclaims, "She will pray with you, laugh with you, cry with you. She is our friend."

Continuation of Report of Conference Council on Ministries: CCOM Executive Director Bob Baldridge continued his report. Baldridge pointed to corrections in nominations. The Bishop asked for a vote on the amended report. The amended report was approved.

Amendment: Robert Pullman, St. James, (NB), made a motion to amend the 1998 Conference Advance Specials, C. Lane Three, to "place all persons in this category C under a subsection 1. Add subsection 2, to wit: The Reverend Charles Davis (See A.1 for information - this category provides an option for missionary salary support for the Reverend Davis)." Baldridge called on Hope Ward, who referred to the lane for Project Agape, but accepted the Pullman motion as a friendly amendment. The amendment was adopted.

Baldridge presented the Nominations in the *Book of Handouts* without further amendment. There being no nominations from the floor, the nominations were approved.

Bishop Edwards referred to the handout *A WORKING DOCUMENT* by the Task Force on Conference Structure. He asked the assembly to review it and take it back for review by their local churches.

Baldridge reviewed the progress of our conference over the last year. He listed a wide variety of accomplishments due to our connection. He asked the conference staff to come forward for recognition by the assembly. The Bishop added his thanks for their support as well.

Baldridge called upon LaNella Smith, who chairs the Commission on Religion and Race, to report on the Conference Plan of Inclusiveness. She discussed the results of the survey of all conference boards. She noted the several cross-cultural appointments and the rising ethnic participation in conference-related schools, retirement homes, and ministries. She invited the church to continue its emphasis on inclusiveness. The Bishop renewed his congratulations to Smith for her award as Lay Person of the Year, presented the previous day.

"A Good News Moment:" The assembly sang the hymn: "Open My Eyes, That I May See." Reverend Kellie Gallagher-Smith, Pineview, (RO), described how a small, dying church had reached out to the surrounding community. She explained how the church began to actively recruit for Vacation Bible School, supported by volunteers. Children began to come to church, and the entire church began to grow in every area. The conference stood at the end of her report and sang the Doxology.

Motion: Gwen Henderson, member of John Wesley UMC, moved "that the Conference Lay Person of the Year Presentation become an Order of the Day on the first day of Annual Conference effective Annual Conference 1998 and thereafter." The motion was seconded and approved.

Report of the Task Force on Past Service Pension Liability: Reverend Ned Hill, chairperson of Task Force on Past Service Pension Liability, presented the report. Hill expressed his gratitude for the work of Reverend Gray Southern on the task force. Hill reviewed the four recommendations of the task force.

Amendment: Reverend Douglas Byrd moved to amend to read as follows:

1) That the Bishop appoint a successor body to the Task Force on Funded Pension Liability to be named the Committee on Special Conference Funds. The Committee, in consultation with the Board of Pensions, Cabinet and the Council on Finance and Administration would monitor and make recommendations to the Annual Conference regarding the unfunded pension liability. While the primary focus of the Committee shall be the unfunded pension liability, the Committee may also, in co-operation with United Methodist Foundation, guide the Annual Conference in the development of special gifts raised from individuals, foundations, and/or local churches for other causes.

 The Committee will be determined by the Bishop with the following persons named as voting ex-officio members:

 Conference Treasurer
 President or Executive Director of United Methodist Foundation
 Representative from the Board of Pensions
 Representative from the Council on Finance and Administration

2) That the Annual Conference employ a part-time Director of Current Giving (September 1997 through December 1999) whose primary role would be to seek gifts for the unfunded pension liability. The Director of Current Giving would report to the Bishop or to whomever designated by the Bishop. The Committee shall work in consort with United Methodist Foundation in developing the job description for the Director of Current Giving and in providing general supervision of said Director. The Committee shall determine the cost for the position and shall make a request to the Council on Finance and Administration for a supplemental appropriation to cover said cost.

3) That the position of Director of Current Giving become a full-time position in the year 2000 and that funding for said position be done by off-setting reductions in the Conference budget. The primary focus of the full-time Director of Current Giving shall continue to be the unfunded pension liability until such time as an effective plan to address this liability is in place and working.

4) That those local churches which did not pay 100% of their 1996 apportionments submit a plan, at the 1997 Charge Conference, for how they are moving towards full acceptance and funding of their apportionments by the end of the quadrennium (2000). The full payment of apportionments is understood to be the basis of our connectional ministry and essential for payment of the unfunded pension liability.

These were friendly amendments and accepted by the Task Force.

Tabled Amendment: Robert Wallace, pastor of St. James UMC, (RM), proposed an amendment stating that Beginning with the year 2000, and for ten years thereafter, the

Council on Finance and Administration be directed to apply 50% of earnings on funds paid on apportionments from the local churches to the unfunded liabilities. The Bishop ruled that the amendment was in order, but will require CFA to review it, since its impact exceeds the scope of the amendment as a whole. The Bishop tabled the motion until it could be reported upon the following day.

Request for Ruling by Bishop: Reverend Sam Wynn, New Bern District Superintendent, requested that the Bishop rule on the constitutionality of the amendment, since it would affect the formula determined by General Conference. The Bishop will confer and rule tomorrow.

Willis Long, member of St. Paul UMC, (GO), moved to eliminate Items 2 and 3 of the recommendations, and keep Items 1 and 4. Reverend Paul Leeland, St. Luke UMC, (SA), spoke against the amendment to the amendment. Bishop Edwards called for the vote and the amendment to the amendment failed.

The previous question was moved and approved.

The Bishop called for a show of hands. Marvin Coleman, member of Northampton Charge, (RM), questioned the total cost of the new office. Hill responded with an estimate of $20,000 for the part-time position, and that the eventual full-time position could be funded by future offsets.

The Bishop presented Item 1 for a vote. It was approved by show of hands.

The Bishop presented Item 2 as amended.

Reverend Bill Sherman, retired, (NB), offered a substitute amendment. Amend the first sentence in sixth paragraph to read: The Task Force, and many others throughout the NC Annual Conference, continue to believe that the matter of unfunded pension liability is an obligation of the Conference which demands our attention. Substitute the following for (2), (3), and (4) on the second page: (2) That the Annual Conference set apart line item #47 in the Conference Budget, Past Service Liability - Pensions, and apportion the total amount for the coming year to each pastoral charge on the same basis (salary plus housing, if any, no utilities, no travel) as is the present allocation for the Ministerial Pension Plan. Line Item #46, Conference Claimants - Retiree Insurance will remain in the Ministerial Support category of the Conference Budget. Line Item #47, a Capital Funds campaign instituted four years ago on the recommendation of the Board of Pensions and adopted by the Annual Conference, will continue in its present form. (3) that this recommendation be used in 1998, 1999, and 2000, and that the Conference Committee on Financial Development monitor its progress during this three year period to determine its recommendation for 2001.

Cashar Evans explained how this amendment goes against the spirit of the *Book of Discipline*, despite the fact that it is practiced in other Conferences. Sherman asked the Bishop to rule on the substitute amendment.

Point of Order: Tom Faggart, Rockingham: First, (RO), raised a point of order regarding the delineation of apportioned items. The Bishop declared that the rule does not apply, since the line is not an apportioned item.

He then ruled that the substitution was out of order.

The previous question was moved and passed. Item 2 was approved by a show of hands.

The Bishop presented Item 3 as amended.

Amendment: Warren Johnson, member of Duke Memorial, moved to "add the words 'by vote of this Conference.' at the end of the sentence in Item 3." Hill accepted the amendment.

The previous question was moved and passed. Item 3 was approved by a show of hands.

The Bishop presented Item 4 as amended.

Mark Wethington, pastor, Duke Memorial, asked whether churches could contribute to the pension liability as a priority over other apportionments. Hill responded that all apportionments must be paid so as not to impact negatively on other ministries. Wethington wanted the Conference to emphasize the progress of churches that were not paying their full apportionments. The Bishop assured him that this was being done.

Announcements: As the Order of the Day had arrived, all matters were tabled until the afternoon session. The Bishop announced a brief recess to prepare for the Memorial Service at 11:00 and reminded the body of the Board of Pensions Luncheon for clergy retirees planned for 12:00.

All Saints Celebration - Memorial Service: Bishop Marion M. Edwards presided and the Reverend Carol W. Goehring preached. Special music was rendered by Carlton Hirschi, and at the toll of a bell, family and friends of the deceased lighted candles for each person who

had died. (For synopsis of entire service, see worship bulletin, *The Memorial Service, Tuesday, June 10, 1997.*)

SECOND DAY, AFTERNOON SESSION, Tuesday, June 10, 1997

NC Partners in Caring: President Jerry Smith opened the annual meeting and referred to the written report. After some discussion, the meeting was adjourned.

Plenary Session: The Bishop called the session to order at 1:40 p.m.

Continuation of Report of Task Force on Past Service Pension Liability: Bishop Edwards raised again Item 4 of the report of the Task Force.

Reverend John Check, St. Paul, (RM), moved that the Conference Treasurer notify the church/charge of the exact dollar amount each church is paying toward the unfunded pension liability out of the asked apportionments.

Patrice Cheasty-Miller, Duke's Chapel, (DU), spoke against the amendment. Mark Wethington, Duke Memorial, (DU) raised a question about tying the amount to salaries rather than apportionments. The vote was taken and the Check motion failed.

Dick Good, member of Seaside, (WI), moved that the Commission on Special Conference Funds in cooperation with CF&A be directed to study the effects of allocating the funds raised for the conference budget for one year to the Unfunded Pension Liability. Reverend Jerry Schronce, Rainbow, (GR), raised a question in opposition. Cashar Evans responded, describing the ratios of current spending. He explained that even if we went to a system of relying on current collections, the Conference would still need a sizable reserve. The Bishop called for a vote, and the motion failed.

Following more discussion, the Bishop called for a vote on the recommendations of the Task Force by a show of hands. The recommendations were approved as amended.

United Methodist Foundation, Incorporated: Lloyd Milton Whaley, president of the United Methodist Foundation, addressed the Conference and spoke about the Foundation's assets and investment progress. He explained changes to the UMF by-laws which will allow conference representatives a vote on the Board of Directors. He presented the resolution to the conference for vote. The Bishop called for a vote, and the resolution was approved.

Saints of God Stewardship Award: United Methodist Foundation Executive Director Douglas Byrd presented the award to St. Luke UMC in Sanford for its outstanding Christian stewardship and service. Reverends Paul Leeland, Pastor, and Beth Hood, Associate Pastor, and a lay representative were presented a plaque and a check.

Francis Asbury Award: Reverend Raegan May, chairperson of the Commission on Higher Education and Campus Ministry, was asked to make this presentation. Dr. John White, president of NC Wesleyan and Dr. Elton Hendricks, president of Methodist College greeted the conference. May, assisted by James Noseworthy, presented the award to Dean Dennis Campbell of Duke Divinity School for his work in Christian higher education.

Clergy Retiree Recognition: Reverend Woody Wells, Jr., presented the retiring clergy and gave each one the opportunity to speak to the Conference. Wells introduced each retiree and gave each the opportunity to speak to the Conference. The Bishop and Belton Joyner greeted each, presenting them with a pin and a certificate.

Motion: Jerry Schronce, Rainbow, (GR), moved that the NC Annual Conference amend the Conference policy for ordination and embrace as its educational requirements those outlined in *The 1996 Book of Discipline*, ¶315-326. The educational requirements outlined function to provide the standard by which an individual becomes a candidate for probationary membership or full-connection in the Annual Conference.

Substitute Motion: Milton Gilbert, First UMC, (NB) moved "that the Annual Conference direct the Chairperson of the Board of Ordained Ministry to appoint a committee of Elders in full connection, Local Pastors, and Lay Persons to investigate our North Carolina Annual Conference's adjustment to the *Discipline* of The UMC in regards to Elders Orders and membership in full connection as it relates to Lay Pastors without a Master of Divinity Degree or its equivalent. This committee is to meet at least one time in the 1997-98 Conference year, at the members' own expense, and present any majority and minority reports to the 1998 Annual Conference for discussion."

Chris Humphreys, Swan Quarter, (GR), spoke against the substitute motion stating it had been "studied by the Council of Bishops." The question was called, the Schronce motion was replaced by substitute, and the substititute motion by Gilbert was passed.

Appeal on Question of Law: Humphreys requested an interpretation by the Bishop regarding whether or not the North Carolina Annual Conference's policy for ordination is consistent with *The 1997 Book of Discipline*. Bishop Edwards replied that he would rule on the request the following day.

Announcements: Bishop Edwards announced that a business session would follow the evening service.

Worship Service: Bishop Edwards closed the business session of the Conference for the Order of the Day, the Service of Worship. Dr. Leonard I. Sweet preached a sermon entitled "In Your Dreams."

Adjournment: The Conference adjourned for dinner.

SECOND DAY, EVENING SESSION, Tuesday, June 10, 1997

Worship Service: Dr. Leonard Sweet, preacher, presented his message on "The Platinum Rule."

Plenary Session: A business session followed the evening worship service.

Report of Board of Pensions: Woody Wells presented the Board of Pensions report. Wells spoke to corrections, additions, and deletions to Part A of the report and asked for approval. Bishop Edwards asked the body to vote on each section individually. The corrected and amended Report A was adopted.

In Report B, Part I.C, the Board proposed a per-service year rate of $367, which would be a 3% cost of living increase for retirees thus creating an unfunded pension liability. Wells proposed Part V of the report, which reduces the health insurance coverage of early retirees. The savings would amount to $66,000.00 that would be applied to the unfunded pension liability. The provisions would begin in the year 2000. The Bishop called for a vote, and Part B was approved.

Report C, Housing Exclusion Allowance, was presented without amendments and was adopted.

Report D, Ministers' Transition Fund Constitution, was presented to the Conference. Rufus Stark, retired, (RA), questioned the balance now in the transition fund and asked if it had been considered by the committee as a resource for the unfunded liability. Wells responded that the balance was approximately $5 million and that the money does not belong to the Conference. The unamended report was adopted.

Wells referred back to Report A, Part I.B.4, and asked that the benefits received by Charles I. Umstead, Jr., now deceased, be continued for his spouse. It was approved.

Wells asked for approval of the report as a whole as amended and it was approved.

Report of United Methodist Publishing House: Belton Joyner presented a check in the amount of $8,423.36 from Cokesbury to Bishop Edwards. Edwards thanked Cokesbury and stated that the check will go towards the unfunded pension liability.

Report of Commission on Equitable Compensation: Chairperson Reverend Bob Bergland presented the report on Equitable Compensation. The salary schedules for full-time pastors and student pastors were presented separately. The Commission recommended a 3.1% raise in the minimum salary of full-time pastors.

James Coile, retired, (NB) raised a question regarding the status of the new Order of Deacon in Full Connection. Are they considered under equitable compensation? Bergland responded that the new Order of Deacon is not under equitable compensation. Coile asked about the relationship of the new Order of Deacon - Is it full connection? Belton Joyner stated that the General Conference ruled that a Deacon in Full Connection should be funded by the church as recommended, but they are not under equitable compensation. The Bishop called for a vote, and the full-time salary recommendation was approved.

Motion: Reverend George C. Megill, Leah's Chapel-Shiloh, (RA), proposed "that a task force be created to study the salary structure in the NC Annual Conference and to report their findings/recommendations to the 1998 Annual Conference Session. The proposal is brought forth in concern of the growing gap between the minimum salary pastors and pastors at the high range of salaries. We ask that the Task Force especially look into minimum salary and District Superintendent salaries because those salary levels are determined by the Annual Conference. Furthermore, we propose that the Bishop appoint the Task Force comprised of representatives from the Equitable Compensation Commission, CF&A, a minimum salary pastor, a district superintendent, and a pastor from a large church." The motion passed.

Bergland asked how the task force would be funded. Megill suggested that funding come from the Commission. Bergland responded that it would be difficult. Tony Collier, New Hope, (EC), questioned whether the line item for task forces in the CCOM budget could be used for this purpose. Bob Wallace, St. James, (RM), suggested that the task force be funded through CCOM's line item for task forces.

Amendment: Kermit Braswell, Raleigh District Superintendent, moved "to amend that the Task Force to Study Salary Structure be funded by a supplemental appropriation from the Council on Finance and Administration." It was accepted as a friendly amendment. The Bishop called for the vote and the amendment was passed.

Bergland then presented the salary schedule for student pastors. He reported that Duke Endowment has requested that student salaries and benefits be comparable with the WNC Conference. The WNC Conference has agreed to freeze its student salary for one year and increase its benefits to those of the NC Conference in order to resolve the differences. The Commission on Equitable Compensation, in order to meet the NC Conference's share of the adjustment, recommended increasing the student base from 65% to 66.3% of full time compensation. This would make the student salary and utility amounts of $18,600 the same in the two conferences. This was approved.

The amended report as a whole was approved.

Report of Committee on Resolutions: Alan Swartz introduced two resolutions to the Conference for consideration on Wednesday: "Remembering Our Persecuted Brothers and Sisters in Christ;" and "Conference Insurance Coverage of Partial-Birth Abortion."

Report of Clergy Moving Expense Committee: Mary Plummer, Chairperson, presented the Committee on Moving Expense Committee report. She described two changes: mileage to be paid for two cars when a clergy couple moves; and a change of the deadline for submitting moving expense vouchers. She moved the approval of the report as a whole and it was passed.

Report of the Conference Statistician: Conference Statistician, Reverend George Speake presented the report noting increases in total membership, average worship attendance, and number of congregations with ethnic members. He commented that the large decrease in Sunday school attendance was attributed probably to poor reporting and asked that the reports be carefully completed. Also, travel on line 67 should include allowances and voucher travel expenses. The report was approved.

Point of Personal Privilege: Speake requested and was granted a point of personal privilege. He reminded the body of the NCC website, and announced the winners of the website contests.

James Coile asked about the number of clergy members and where information about clergy could be found, since the clergy are not included in the local church records. Speake responded that the General Conference Council on Finance and Administration reports on clergy members.

Maness Mitchell asked Speake to clarify what is included in Sunday School membership, especially if classes and groups meet at an unusual time. Speake said to include all members regardless of when they meet.

Adjournment: Speake moved to adjourn and the session was dismissed.

Ruling on Question of Law: This ruling is in response to Chris Humphreys' request for an interpretation by the Bishop regarding whether or not the North Carolina Annual Conference's policy for ordination is consistent with *The 1997 Book of Discipline*, and for the approval of the Local Pastor track as a means of becoming a full member of the North Carolina Annual Conference. Bishop Edwards will make a ruling in 30 days and then it would go to the Judicial Council. The Bishop will receive written arguments on this issue.

Hunt: Bishop Edwards told of his commitment to the Bishops' Initiative on Children and Poverty, and invited Governor Hunt to speak of his commitment to children and poverty in the State of North Carolina. Governor Hunt, was introduced to the Conference by Governor Hunt. Authority for the Conference Council on Finance Administration to provide this apportionment is found in Paragraphs 611, 612, and 1506.9 where the Conference Board of Pensions recommends to the Conference Council on Finance Administration and the Council on Finance Administration to the Annual Conference the funds needed for the payment of past service liability for pensions by the Annual Conference.

And

The entire report was adopted.

Continuation of Report of Council on Finance and Administration: Cashar Evans explained the Wallace motion that was previously referred to CF&A concerning the Unfunded Pension Liability and the use of earnings to help defer the Unfunded Liability. The Bishop read the motion in question, stating 60% of collections come in one year and are spent the next and 40% are raised and paid out in the same year (footnote, page 53, *The Conference Program, Recommendations and Reports, 1997*). Evans explained that funds are invested in various ways, including church loans. He stated that CF&A recommends nonconcurrence with the Wallace motion. Bob Wallace responded and urged the Conference to support the motion. Paul Leeland, St. Luke's UMC, (SA), spoke against the motion. The question was called. The mileage will be computed from appointment to appointment, or from the appointment to the Conference boundary, or the appointment to the residence/Conference boundary (in case of retirement) whichever is less. *In the case of a clergy couple, each is eligible to receive $1.00 per mile as defined above.*

C. The Conference treasurer will make payment to eligible clergy as soon as the district superintendents have received the completed document, "So You're Moving" checklist properly signed along with all appropriate receipts to substantiate expenses. This will fulfill the 1996 *Discipline*, ¶262.2f(5), which states "The chairperson of the Committee on Pastor-Parish Relations, the chairperson of the Board of Trustees, and pastor shall make an annual review of the church owned parsonage(s) to assure proper maintenance." Moving expense funds will be withheld by the Conference treasurer if the district superintendent determines that the parsonage was inadequately cleaned or was damaged beyond normal wear and tear. If an inspection by the district superintendent and the Pastor-Parish Relations Committee or the Parsonage Committee reveals monetary needs for cleaning or repairs, or for having the fuel tank filled, the remaining balance of the moving expense due said pastor shall

be made payable to the respective district to pay for needed cleaning or repairs. If the district superintendent or the moving pastor is NOT in agreement with said Pastor-Parish Relations Committee or the Parsonage Committee, the superintendent may request the Arbitration Committee of the Clergy Living Committee to inspect the parsonage involved and give an impartial recommendation.

D. The Conference treasurer will make an advance payment up to $600.00 to eligible clergy to cover the expense of deposit and fees for moving expenses prior to their move, upon approval by the district superintendent. Those receiving an advance must substantiate their expenditures, and any money that is left over shall be refunded to the Conference treasurer.

E. No additional claim can be made against a local church, district, or the Conference for payment of moving expenses.

F. The base payment of $125.00 is intended to cover incidental moving expenses. Therefore, the cost of boarding and moving domestic animals, the moving of recreational vehicles, boats, mobile homes, etc., are not eligible for reimbursement.

G. The request for moving expense reimbursement must be received in the Treasurer's Office no later than four months following the date of the move.

III. Review Committee

A. There will be a Review Committee consisting of two persons appointed by the chairperson of the Council on Finance and Administration, one district superintendent appointed by the Bishop, the Conference treasurer, and the director of Ministerial Relations.

B. The Review Committee will consider and have final authority over any questionable or disallowed claim or special claim beyond allowances set in the approved plan.

CONFERENCE STAFF RELATIONS, COMMITTEE ON

The first meeting of the Committee on Conference Staff Relations for the new quadrennium was held on November 4, 1996 at the United Methodist Building. The meeting was convened by Bishop Marion Edwards. Officers for the new quadrennium were elected as follows: Jane Johnson, chairperson; Harold Kiser, vice-chairperson; Bill Gattis, secretary; and Harold Kiser, as representative to the Committee on Staff Housing.

Dr. Robert Baldridge, executive director of the Conference Council on Ministries notified the Committee of his intention to request the retired relationship at the June 1997 session of Annual Conference. We then proceeded to make plans to fill that position by advertising the position setting a time line to be followed and prepared an application to be used. Conference Council on Ministries approved our plans at their November 1996 meeting and we proceeded to implement the plan.

After a meeting to review applications for the position and another meeting to interview the applicants the Committee, at the February, 1997, meeting of the Conference Council on Ministries, placed in nomination the name of the Reverend Hope Morgan Ward for the Council's approval. The nomination was approved and Bishop Edwards was asked to appoint her to the executive director's position.

Nominations for program staff positions to the Conference Council on Ministries for another year were presented to the CCOM at their February meeting. There being no requests from the present staff for any change and all being eligible to return they were duly re-elected.

Again this year, in February, the Committee and all conference related personnel in the Methodist Building gathered for a luncheon. This was a time of fun, fellowship, and a means of establishing community and good relations with everyone who works together for the Annual Conference.

The Conference Staff Relations Committee's responsibility is to keep the Handbook of Personnel Policies for support staff and program staff at the Methodist Building up to date at all times so that all will have a good understanding of their rights and obligations as an employee.

We express our thanks and appreciation to the support staff and program staff at the Methodist Building for their continued support of ministry and mission in the NC Conference.

We bid Dr. Robert Baldridge farewell and wish him well in his retired relationship at his new home in Lake Junaluska and welcome aboard the Reverend Hope Morgan Ward as our new executive director of Conference Council on Ministries.

DIACONAL MINISTRY, BOARD OF-effective thru 12/31/96
DIVISION OF DEACONS, BOARD OF ORDAINED MINISTRY-from 01/01/97

The year of our Lord, 1996 certainly brought opportunities for patience as the Board of Diaconal Ministry "lived with the questions" and awaited the vote of the General Conference regarding the ordering of ministry. Once that action was official, we had to live with even more questions as the details were hammered out one by one in Nashville, and in our NC Annual Conference.

In the months following General Conference, our Board was contacted by many persons regarding meeting the deadline for candidacy as a diaconal minister. I am delighted

to report that we were able to assign mentors, have persons move through the candidacy journal, schedule interviews, and approve the candidacy of six new persons before the 12/31/96 deadline. All persons having begun candidacy prior to 01/01/97 will be allowed to proceed under the provisions of the *Book of Discipline*, 1992.

This year we are pleased to present to the NC Annual Conference **Amy Lynn Kelley** and **Mark David Haines** for consecration as diaconal ministers. They have completed the candidacy process, have been examined by the Division of Deacons of the Board of Ordained Ministry, and have been found to be spiritually grounded, psychologically fit, and academically prepared for diaconal ministry.

At the 12/05/96 meeting of the Board of Diaconal Ministry we celebrated 20 years of work as a board, recognized our historical place in the evolvement of the diaconate, and paved the way for our new name and structure as the Division of Deacons of the Board of Ordained Ministry. We are excited about the possibilities for ministry in the future, and we remain committed to working with, caring for, and supporting candidates for diaconal ministry, those persons who remain in diaconal ministry, persons who are certified or who seek certification in the future, as well as those who choose to transition into the new order of deacon in full connection, and those who seek future ordination in this order.

Equitable salaries for persons in ministry is always a matter of concern, and we continue to be available to churches to make recommendations for both certified professionals and diaconal ministers (who must negotiate a compensation package and contract with their place of employment). The Division of Deacons and Diaconal Ministries through its predecessor agency, historically has suggested and recommended that churches begin compensation for diaconals at the minimum equitable salary compensation level for full-time pastors which is $28,045.00 for 1998 (proposed). It also is recommended that a written contract be provided at the beginning of employment. Additional suggested benefits to be negotiated are: 1) housing, 2) health and hospitalization, 3) life insurance, 4) pension, 5) continuing education, and 6) travel.

The employing agency in which a full time diaconal minister is serving shall provide (¶315.1:1, 2, 3, The *Book of Discipline*, 1992): 1) Adequate salaries plus pension benefits, with an opportunity to participate in the UM pension and benefit funds, health care insurance, and continuing education. It is expected that these will be guided by the Annual Conference standards for ordained elders. 2) Social security benefits as required by Federal regulation. 3) The local UM church which employs a full-time diaconal minister shall provide the above mentioned benefits in entirety as part of the compensatory consideration.

DISABILITY, JOINT COMMITTEE ON

The Joint Committee on Disability acts as the advocate for those pastors in the North Carolina Conference who are forced by physical or emotional disability to seek temporary or permanent relief from their appointment. The committee is given the responsibility to study the problems of disability within the Conference, to provide a continuing personal ministry to those who are disabled, and to make recommendations to the appropriate agencies of the Conference for each pastor seeking Disability Leave, including the source of their disability income.

The following recommendations are presented to the 1997 session of the North Carolina Annual Conference:

1. The Joint Committee on Disability, through the Office of Ministerial Relations, will make available upon request the necessary forms for any pastor to make application for Disability Leave. In all cases the applications must be completed by the pastor, the physician, and the district superintendent before the request for Disability Leave can be acted upon. It is the recommendation of the Joint Committee on Disability that such requests be presented before May 15 for inclusion in the committee's report to

the Annual Conference. The medical form should be completed and acted upon by the General Board of Pension and Health Benefits prior to the submission of the application.

2. The Joint Committee on Disability may require psychological examinations of those seeking disability when deemed necessary by the Committee. These will be done by a physician approved by the Committee, and in such a case the Committee will bear the expense of the examination.
3. The Joint Committee on Disability will study each new application for Disability Leave submitted by pastors of the Conference to determine the validity of the recommendation of the pastor's physician and district superintendent, particularly as it reflects the anticipated length of the pastor's disability. All materials will be sent to the medical consultant of the General Board of Pension and Health Benefits, who will determine if the pastor is eligible for benefits paid through the Comprehensive Protection Plan.
4. We recommend that pastors who may not be eligible for benefits paid by the Comprehensive Protection Plan shall be placed on Disability Leave with benefits paid through the Joint Committee on Disability. The Ministerial Pension Plan, Comprehensive Protection Plan, Hospital Insurance, and Life Insurance shall be paid also by the Joint Committee on Disability.
5. Pastors on Disability Leave are reminded to investigate the penalties by the Social Security Administration if they do not elect to come under Medicare at age 65.
6. Disability requests are to be submitted ninety (90) days prior to Annual Conference except in life-threatening situations after that date, or when the disabling condition occurs after that date.
7. We recommend that a lump sum grant of $3,000 be made at the beginning of Disability Leave (effective July 1, 1993). This grant will be available only one time in a pastor's years of service.
8. The Joint Committee on Disability will review the progress of each pastor on Disability Leave at least annually. This review will include both recommendations from the pastor's physician and district superintendent as well as opportunities for continuing fellowship with the pastor to develop further possibilities of assistance in his/her disabled circumstances.
9. We recommend the following pastors to be continued on Disability Leave.
 A. Wilson E. Barber, P O Box 4931, Emerald Isle 28594 (919/354-5635)

EQUITABLE COMPENSATION, COMMISSION ON

The *Book of Discipline* mandates that "...there shall be in each annual conference a Commission on Equitable Compensation" (¶622.1), whose purpose is "...to support full-time clergy serving as pastors in the charges of the annual conference..." (¶622.2). Three broad areas of responsibility are outlined in ¶622.2, which are (a.) recommending conference standards for clergy support; (b.) administering funds to be used in base compensation supplementation; and (c.) providing counsel and advisory material on clergy support to district superintendents and committees on pastor-parish relations.

God calls persons to ministry to go into all the world, preaching, teaching, and baptizing (Matthew 28.19), for without them the world would not have heard Christ preached (Romans 10:14). These are called to be stewards of the mysteries of God (1 Corinthians 4.1). The

church sets some persons apart for the role of clergy and ordains these persons to the work of pastoral ministry to the servants of God.

Pastors answer affirmatively the historic question of John Wesley, (¶321) "Are you determined to employ all your time in the work of God?" For such a called, set apart, and committed clergy, the church assumes an obligation to plan adequate support (¶617). *The Book of Discipline* is clear that "the primary responsibility for payment of pastoral salaries remains with individual pastoral charges" (¶622.4; see also ¶249.12). Charges carry a responsibility for pastoral salaries as one expression of missional/ministry presence in the community. We recognize that such a missional presence also includes faithful payment of apportionments in full as ministry beyond the local church.

The purpose of the Commission on Equitable Compensation is to seek fairness both for pastors and local churches. Why should this commission be so concerned about equity/fairness in clergy compensation? Our prayerful consideration of scriptural and historical foundations for our work lead us to note:

a.) Jesus says, "the laborer is worthy of his hire," (Luke 10:7) and Paul reminds us "you shall not muzzle the ox when it is treading out the grain," (I Timothy 5:18; Deuteronomy 25:4).

b.) Wesley was concerned that clergy have a responsibility not to be "in debt so as to embarrass you in your work" (¶321 and ¶327), which implies that the church has responsibility that it neither lead its clergy into positions of embarrassing indebted-ness, nor leave them there.

c.) The Great Commission to go into all the world, preaching, teaching, and baptizing brings with it a cost. Systems of clergy support which foster the use of the right pastor in the right place, hold up the hope of seeing the great commission bear its promised fruit.

d.) The Commission on Equitable Compensation embraces the great commandment to love our neighbors as we love ourselves by wanting for each pastor what our members want for themselves - compensation adequate to free persons for the work of pastoral ministry.

Through our praying, thinking, and working together as laity and clergy from across this Conference, we make the following recommendations, which we believe will help us move toward fairness for both churches and pastors as we support ordained ministry in the NC Annual Conference.

I. Recommended Schedule of Base Compensation for 1998:

A. Salary Schedule

1. We recommend that the minimum base compensation for those serving full-time in 1998 be as indicated below and that 65% of this amount be set for student minimum base compensation.

PASTORS UNDER FULL-TIME APPOINTMENT (Full Connection, Associate, Probationary, Local Pastor)	*1997*	*1998*
Salary	$25,262	$26,045
Utilities	2,000	2,000
	$27,262	$28,045
STUDENTS (Local Pastors or Conference Members)		
Salary	$15,720	$16,600
Utilities	2,000	2,000
	$17,720	$18,600*

**NOTE: Because the Rural Church Division of the Duke Endowment supports student pastors in both the NC Conference and the WNC Conference, the Endowment is eager to find parity in the base compensation levels for student pastors in both conferences. In response to the Duke Endowment's request that the student salaries and benefits be comparable in the two conferences, the Commission has entered into dialogue with the WNC Conference. The WNC Conference has agreed to freeze its student salary for one year, to increase its travel amount from $1800 to the $2400 we have had, and to add family health insurance coverage for students to what had been an individual policy, thus matching that portion of our plan. To meet our share of the adjustments, we are recommending that the minimum compensation level for student pastors be $16,600 plus $2,000 utilities. That will make the student base compensation increase to 66.3% of full time compensation. (Our formula has called for 65%.) This would make the salary and utility amounts ($18,600) agree between the two conferences.*

2. We recommend that the full-time minimum base compensation levels be adjusted by 3.1% (CPI, South figures from the US Dept. of Labor).

B. Travel Expense
Although travel is reimbursed by the charge as an item of pastoral expense, it is expected that the charge would provide at least $2,400 for travel expense. We encourage each charge to establish a plan to reimburse the pastor for all legitimate business mileage at the current rate established by the IRS. Where such a plan is established for reimbursement of business mileage, equitable salary compensation support shall not be affected by payment of travel expenses. However, where a reimbursement plan is not implemented and a travel allowance is given, any travel allowance in excess of $2,400 will result in a reduction of equitable compensation support.

C. Pension Program
Charges receiving Equitable Compensation Fund support are responsible for paying the total amount required for the Ministerial Pension Plan and the Comprehensive Protection Plan based on their pastor's cash salary (including funds from the Equitable Compensation Fund, Duke Endowment, and any other sources), and housing (percentage of cash salary designated by the General Board of Pension/Health Benefits or housing allowance, if provided in lieu of parsonage). Cash salary plus housing is Plan Compensation.

II. Principles Governing the Use of Equitable Compensation Funds:
The Pastor's salary is the responsibility of the charge; therefore, the charges of the North Carolina Annual Conference should be so arranged as to be able to assume full salary support. The Commission urges each charge receiving Equitable Compensation Funds, its pastor, and the district superintendent responsible for that charge to administer the affairs of that charge to the end that it may move as rapidly as possible toward total self-support. To enable the Conference, the Commission, and the district superintendents to carry on their cooperative efforts in understanding, in harmony, and for the greatest good for all concerned, the following principles and procedures are set forth:

A. In considering the salary for the charge, all income, including salary, bonuses, and other benefits not specifically excluded, are included as salary in determining appropriations from the Equitable Compensation Fund. Salary support for retired supply, interim supply, part-time local pastors, less than full-time Conference members, or associate pastors in other than larger parish arrangement of churches will not be available.

B. Charges must be so arranged that no more than one-third of the total salary will come from the Equitable Compensation Fund on the first application from the charge. Charges seeking more than one-third supplement must provide specific information with their application, indicating the reasons for their inability to meet these guidelines. Information shall be made available to the Commission on Equitable Compensation and the district superintendents regarding the term of Equitable Compensation support, giving the date of its inception and the present amount of support being received by the respective charges.
When the division of a charge is desired, Equitable Compensation Funds will be used only upon the recommendation of the Bishop, of the "Bishop's Task Force on the Division of Circuits," and the approval of the cabinet.
In the division of a charge in which one church seeks to become a station, it is recommended that such a church shall assume all salary obligations and its proportionate share of all apportionments.
1. The remainder of the charge in such a division assumes full pastoral support and its proportionate share of all apportionments. In no case will the Commission on Equitable Compensation provide more than one-third of the salary required for such a division.
2. When there is a division of a charge forming one or more student appointments, each newly created charge must pay initially two-thirds of the pastoral support established by the division.

C. Churches receiving Equitable Compensation Funds shall conduct an annual financial/stewardship campaign in the second year of receiving Equitable Compensation Funds to accurately gauge the level of financial support the local church can reasonably expect from its members.

D. The Commission on Equitable Compensation further recommends that each charge which is receiving, or shall hereafter receive, Equitable Compensation Fund assistance, shall reduce this aid by at least ten (10) percent each year until the charge has achieved full self-support in ten years. The Commission wants to be clear at this point that its intent in this recommendation is that the charge will accept in full whatever increases are made in the minimum salary for their pastor

each year and receive ten (10) percent less each year in aid from Equitable Compensation Funds than granted the previous year.

E. Any Equitable Compensation Fund supplement will be terminated immediately upon information that the pastor has taken full-time secular employment. Such a charge may be reinstated at such time as its pastor returns to full-time or student status. Exceptions to this provision may be permitted only by the approval of the executive committee of the Commission on Equitable Compensation upon the recommendation of the district superintendent of the pastor seeking for emergency reasons to be employed outside of his/her ministerial responsibilities.

F. Equitable Compensation Funds are sent to charges who have applied for their use to provide their pastor with the minimum salary established by the Annual Conference. The monthly salary supplement checks sent by the Conference treasurer are to be deposited by the charge treasurer in the church or charge bank account. *The checks are not to be endorsed and cashed by the pastor.*

G. Ethnic Minority and Women Ministers: Each ethnic minority or woman minister, who is an associate member or a member in full connection of the NC Annual Conference, serving full-time, and who, in the opinion of the cabinet is rendering unusually effective service, will receive an incremental increase of $200 per service year, not to exceed $2,000 per year, for ten (10) years of full-time service, when such clergy person's salary and utilities is equal to the Conference minimum salary, but less than the Conference minimum salary plus $200 per year up to ten (10) years of full-time service as an associate member or a member in full connection.

Said incremental increase is to be administered by the Commission on Equitable Compensation upon recommendation of the cabinet, approval by the charge conference, and the district superintendent. Further, the local church shall be responsible for MPP and CPP payments on any incremental increase.

This policy does not restrict the Equitable Compensation Commission, upon the recommendation of the cabinet, from making additional grants in extraordinary circumstances.

H. Churches or charges applying for Equitable Compensation Funds shall submit a request on the appropriate form supplied by the district superintendent. The request shall be carefully analyzed by the pastor, recording secretary of the charge conference, and the district superintendent. The form must have the signatures of the pastor, recording secretary of the charge conference, and the district superintendent affixed to it, and the request must have been approved by the Charge Conference.

The Commission plans further consultation and study with other Conference agencies and resources to seek ways to more adequately provide for the temporal needs of our pastors and churches.

FINANCE AND ADMINISTRATION, COUNCIL ON

III. FINANCIAL POLICIES

The United Methodist Church is a connectional church, and all local churches participate in the mission and service giving of the larger church. The outreach and mission giving opportunities of the Connection are distributed to the churches of the NC Conference by means of a formula based on the financial performance in each local church. Every effort is made to develop a computation which is shared with fairness by all. Church leaders are encouraged to interpret the work of the Connection so that each congregation understands these funds to be a necessary extension of the ministry and mission of the church beyond its local organization.

A. APPORTIONMENTS:

1. The funds to be apportioned are:
 - World Service and Conference Benevolences
 - Ministerial Support and Connectional Administration
 - Episcopal Fund
 - Interdenominational Cooperation Fund
 - Black Colleges
 - Africa University Fund
 - Mission Initiatives Fund

2. Formula: The Apportionments for each year shall be based on the average of the total monies disbursed by each church in the four years immediately previous to the apportionment year less the approved exclusions each year, or on the most recent year less the approved exclusions, whichever is lower. The change in apportionments from the previous year shall not increase or decrease in excess of 15%. The exclusions are: Payments on World Service and Conference Benevolences, Ministerial Support and Administration, Episcopal Fund, and all other apportionments; district work fund; principal and interest on indebtedness; buildings and improvements; local benevolences paid directly by the local church; General and Conference Advance Specials; Ten Dollar Club; up to $4,500 for travel paid by a charge for each pastor; United Methodist Student Day; Human Relations Day; Peace and Justice Sunday; Native American Awareness Sunday; One Great Hour of Sharing; World Communion Sunday; UMW Funds sent to district or conference treasurer; housing allowance paid in lieu of furnished parsonage to a minister serving under Episcopal appointment in a charge of the Conference; offerings taken for disasters as designated by the Disaster Preparedness Committee and the Resident Bishop.

3. Beginning with all new congregations started in the NC Conference after July 1, 1993, the following formula shall be used to determine a new congregation's base for setting apportioned contributions for mission and service giving:

BUDGET YEAR	BASE FORMULA	MAXIMUM % INCREASE
A		
B		
C	4A ÷ 4	
D	3A + B ÷ 4	No Cap
E	2A + B + C ÷ 4	No Cap
F	A + B + C + D ÷ 4*	No Cap
G	B + C + D + E ÷ 4	No Cap
		15% Cap**

* Standard formula

** Maximum % increase cap shall be the percentage determined by Annual Conference

4. Apportionments to the churches shall be made by the Council on Finance and Administration (CFA) based on the current formula. Each cause shall be paid proportionately out of the income from funds received up to the amount fixed by the Annual Conference. In the event receipts shall fall short, all items shall be paid pro-rata. In the light of possible unforeseen and emergency need within the Annual Conference, the CFA is authorized to make supplementary appropriations between sessions of the Annual Conference. Such supplementary appropriations shall be made only from available undesignated funds and shall be reported in the Conference *Journal* for purposes of information.

5. Apportionments will be delivered from the treasurer's office to the district superintendents by ***July 18, 1997***.

B. The following special offerings shall be taken in each local church and remitted to the Conference treasurer as separate items. They are not to be included in

the Apportionments: United Methodist Student Day, Human Relations Day, Peace with Justice Sunday, Native American Awareness Sunday, One Great Hour of Sharing, World Communion Sunday.

C. No Conference agency's budget shall incorporate funds to be appropriated to a non-conference agency, without specific approval of the Council on Ministries for program budget items or the CFA for all non-program budget items. All funds granted to a non-conference agency must be spent consistent with the Social Principles of The United Methodist Church.

D. No transfer of funds shall be made from one line item in the Conference Budget to another.

E. All General Church Funds (World Service, Episcopal, Ministerial Education, Black Colleges, Africa University, Interdenominational Cooperation, Mission Initiatives, General Administration) and College Sustaining Fund, College Debt Retirement, Past Service Liability Fund, Jurisdictional Conference, and Methodist Building Routine and Capital Maintenance Funds will be raised and paid out in the same year. All other funds will be raised and paid out in the subsequent year on a schedule determined by the CFA.

F. Investment Policy: The investment of the funds of the conference shall be such that funds available for mission are maximized in a manner consistent with the preservation of capital and with the Social Principles of The United Methodist Church. Investments are with the United Methodist Foundation, area banks, and with specific minority financial institutions within the bounds of the NC Conference. The Conference is also a member of Project Equality.

G. Monies paid by the churches shall be reported to the statistician by the pastors at the end of the year on the Table II, Financial Report. The Table I and Table II reports for 1997 shall be due to the statistician no later than January 31, 1998.

H. The Council may enact its own bylaws governing meetings, quorum, and other matters of procedure as authorized in the *Discipline*, ¶609.5.b.

I. The Council shall maintain a central treasury for all Conference agencies as authorized by ¶610.11 of the *Discipline*, and the 1953 session of the Annual Conference. Annual Conference boards and agencies, including those separately incorporated, are required to maintain their funds on deposit in the central treasury unless exempted by the Annual Conference or the *Discipline*. Exemptions are granted to the Methodist Home for Children, the Methodist Retirement Homes, the Colleges, the United Methodist Foundation, Board of Missions, Inc., and Asbury Homes.

J. All new programs or entities which would not be funded by an existing approved budget shall be referred to the CFA for review of budget needs and supplemental funds available prior to approval by Annual Conference. If the item is approved, the next year's budget shall be amended to include the necessary funds based on the CFA recommendation.

IV. APPROVAL TO SOLICIT FUNDS

Approval is given to the requests of the following agencies for the privilege of soliciting funds throughout the District or Conference. The CFA continues to recommend that 100% "Missional Service Giving" be the on-going priority. The Council also recommends that stewardship continue to be a missional focus, Conference priority.

A. Christmas Offering for District programs and/or projects.

B. The Commission on Congregational Development for the promotion of the Church Extension Ten Dollar Club.

C. The Commission on Outdoor and Camping Ministries to solicit from church groups and individuals, materials and money for specific projects for the four camps of the NC Conference.

D. The State Commission on Campus Ministry for the privilege of private solicitation for special gifts for the benefit of special works in the state-supported institutions of higher education.

E. Methodist Retirement Homes, Incorporated; Methodist Home for Children; Louisburg College; Methodist College; North Carolina Wesleyan College; and Asbury Homes for the privilege of private solicitation and receipt of such funds as may be directed thereto with the understanding that such solicitation or private campaign may not be taken directly into local churches of the Conference through solicitation in classes or other groups or by the use of member-

ship lists (either partial or in entirety), or contact with pastors without approval of the CFA.

F. The United Methodist Foundation, Incorporated, as provided in its charter.

G. The Disaster Preparedness Committee upon joint decision of the committee and the Resident Bishop to respond to disasters within the bounds of the NC Annual Conference.

H. Asbury Homes, Incorporated, as provided in its charter.

I. Golden Cross Sunday observance for optional offering.

V. DISTRICT SUPERINTENDENTS' SALARY

CFA continues to recommend that the percentage change in district superintendents' salary be the same as the average percentage change in salary (salary and utilities) for the prior year for all full-time pastors serving local charges in the NC Annual Conference. The percentage change, 1997 over 1996, is 6.00; therefore, the 1998 salary for district superintendents would increase by 6.00% to $68,539.00.

VI. ORGANIZATION and PROCEDURE *(presented for information only)*

A. The CFA uses McGladrey & Pullen, Raleigh, NC, as auditors.

B. The president, vice-president, secretary, and treasurer of the CFA shall serve as the executive committee of the Council. The Council shall elect two additional members to the executive committee from its voting membership.

C. The Conference treasurer will include in his monthly financial reports, for any given month, all monies received in the office by 8:30 AM on the 5th day of the following month, except when the 5th day falls on a weekend or holiday the report will include the funds received by 8:30 AM on the following workday.

D. The treasurer may approve minor overexpenditures of a budget line item up to $1,000 or 5% of the line item, whichever is less. A request for such overexpenditure shall be submitted in writing in advance and shall state the reason for the request. The overexpenditure will be reported to CFA and will be listed in the Conference Journal.

E. Any Conference or non-conference agency which receives Conference funds in excess of $1,000 shall submit, with any budget request, an annual detailed audited budget report of all receipts, disbursements and assets. A statement in effect that "All funds granted have been spent consistent with the social principles of The United Methodist Church" will be furnished to CFA upon submission of the audit. Such reports received may be reported in whole or in summary form in the Conference *Journal* and shall remain on file in the treasurer's office. An agency may be exempted (for just cause) from this reporting requirement by CFA for non-program agencies, or in the case of program agencies, by CFA upon recommendation of the Council on Ministries.

F. A carry-over of budgeted funds remaining (not including any supplemental appropriations) of up to 10% of the amount raised for the subsequent year will be allowed for Conference budget line items.

G. Funds appropriated to a board or agency must be spent in the calendar year of the appropriation unless otherwise allowed.

H. Supplemental Appropriations: The Council will consider requests for supplemental appropriations in the following priority order:

First Priority

- Salary and benefit items previously approved according to the policies of the Annual Conference or General Conference (i.e. Equitable Compensation Funds, COM staff salaries, etc.)
- Programs authorized and mandated by the NC Annual Conference which are not included in the Annual Conference budget for that financial year.
- Amounts required by the Past Service Funding Plan adopted jointly by the Board of Pensions and the CFA which are not raised by the Board of Pensions annual budget requests.

Second Priority

- New creative programs to respond to emerging needs and to expand the mission of the Annual Conference which are not included in the Conference budget for that year. Such programs will be funded through supplemental appropriations only on a short-term basis.
- Emergency needs and programs in the life of the boards and agencies of the Annual Conference. The petitioning group shall make such requests in writing to the treasurer's office at least 15 working days before a scheduled CFA meeting.

Third Priority
- Any other type of funding requests.

Procedure for seeking supplemental appropriations:
1. All requests for supplemental appropriations shall be made to the CFA President and/or the Conference Treasurer's office in writing at least 15 working days before a scheduled CFA meeting.
2. The normal procedure for requests for supplemental appropriations will be a review by the CFA supplemental appropriations committee which will make a recommendation to the full Council.
3. If an emergency request for supplemental appropriations is received between scheduled meetings, the CFA supplemental appropriations committee will consider the request and direct the Conference treasurer to forward it to the membership via mail with a recommendation for action.

I. Interest shall be paid to/from the Board of Pensions, Insurance Fund, Blackburn Scholarship Fund, Camps Endowment for Maintenance, Church Extension Redevelopment, and Church Extension Salary Endowment funds using the rate of the conference interest bearing checking account, compounded monthly, on monthly average balances held by the Conference treasurer.

J. Retroactive adjustments for transfer or posting delays will be made to the Board of Pensions and the Insurance Fund accounts for earnings calculations.

K. Funds in excess of operational needs for the Board of Pensions and the Insurance fund are invested in the United Methodist Foundation.

L. In order to prevent a loss of funds due to investment risk, and in order to have funds available for emergency use, the goal of the Council is to maintain reserve funds measured at cost basis equal to 10% of the conference operating budget. Both cash reserves and realized gains/losses shall be considered as a part of the 10% reserve goal. Unrealized gains/losses shall be separately reserved for future use as recognized in realized gains. Funds in excess of cash requirements shall be invested in the United Methodist Foundation in proportion to the percent of reserves on hand.

M. Mailing address labels will be available for a nominal fee to conference agencies, clergy and lay members of Annual Conference or other United Methodists for church related uses.

N. **CFA Meeting Schedule:** The executive committee meets at the call of the President. Scheduled meetings are:

2. Insurance companies who make inquiries, for the purpose of submitting proposals, will be notified of a $200 processing fee. This fee will help cover the costs of preparation and processing of the information necessary for proposals.
3. Health Screening will be sponsored by the Insurance Committee and administered by Health and Human Services on a biannual basis. The Insurance Committee encourages everyone to take advantage of this

service in 1998. For each subscriber in the Conference plan who participates in the health screening, the Insurance Committee will donate $2.00 for handicapped camperships.

4. The Insurance Committee is to be made up of representatives from the following boards and agencies: 2, Board of Pensions; 2, Commission on Health and Human Services; 2, Joint Committee on Disability; 2, Board of Ordained Ministry; 3, Lay Members appointed by the Commission on Laity; 1, Conference Treasurer (without vote); 1, Conference Controller (without vote); 1, Conference Group Administrator (without vote); 1, Director of Ministerial Relations (without vote). The representative should be elected at the organizational meeting of these boards and agencies.

B. Policy and Rules

1. The extent of the benefits provided by the insurance coverage is decided by Annual Conference action. Administrative rules and rates are adopted by the Insurance Committee. The specific carrier for insurance coverage is selected by the Insurance Committee.
2. Effective January 1, 1997, two options in health insurance coverage are to be offered to eligible participants. The current coverage will continue to be offered as the Preferred Provider Organization (PPO). The new option will be offered as the Preferred Provider Select CoPay (PPO Select CoPay). Details may be obtained from the Treasurer's Office.
3. Effective January 1, 1995, eligible clergy received disability coverage through the Basic Protection Plan of the General Board of Pensions. Effective January 1, 1997, this benefit is 70% of the greater of compensation or the DAC less benefits received from CPP and Social Security.
4. Pre-admission certification is required for in-patient hospital services. Contact Blue Cross Blue Shield of NC at 1-800-672-7897. Contact Blue Cross Blue Shield within 48 hours following an emergency admission. Details are printed in your benefit book available from the Treasurer's Office. Benefits will be reduced, and/or denied if pre-certification is not obtained.
5. When an active subscriber reaches age 65 (clergy or lay), he/she should sign up for the Medicare program. As long as he/she is actively employed, there is no change in benefits. Medicare is the secondary carrier until retirement. At the time of retirement, the participant must be enrolled in Medicare parts A & B to be eligible for the Medicare Supplement.
6. The Insurance Committee provides an appeal process for any participant who feels that claims have not been adequately satisfied. A written appeal with all pertinent information should be made to the Insurance Committee chairperson with a copy to the Conference Treasurer's Office.
7. Payment for the church's portion of the insurance programs must be made by the church/charge treasurer. Clergy personal checks cannot be accepted as payment for the church's portion. The life insurance premium is paid by the church/charge.
8. Premiums for health and life insurance may be paid in ADVANCE on a monthly, quarterly, semi-annual, or annual basis.
9. When there is a change of address, or a change in family status, it is the insured's responsibility to notify the Treasurer's Office within 30 days. The toll free number to the Methodist Building in Raleigh is 1-800-849-4433 where a staff person continues to provide personal attention to insurance matters.
10. Health insurance for the subscriber may continue for 90 days after employment is terminated or credentials are surrendered provided that full payment of the monthly premiums is made in advance. The continuation of life insurance beyond the termination of employment is not permitted by the life insurance carrier.
11. Laypersons or clergy on maternity/family medical leave may continue their insurance coverage, as long as the premiums are paid.
12. The Insurance Committee may terminate the coverage for non-payment of premiums. Insurance payments which are 60 days late (from the date of the bill) will result in termination of benefits. Termination will take place on the last day of the month in which the 60th day has occurred. Benefits may be reinstated without lapse in coverage if full payment is made within 30 days of the termination date. Thereafter, insurance coverage may be reinstated upon full payment and coverage will be effective the first day of the following

month. The one-year waiting period for pre-existing conditions will apply to all reinstatements where a lapse in coverage occurs.

13. Clergy or laypersons who choose not to join the group within 30 days of becoming eligible, will be added as late applicants upon completion of a new enrollment form. Adding family members or changing the type of coverage while enrolled is permitted at anytime during enrollment. A one-year waiting period for pre-existing conditions after enrollment will continue to be required for late applicants.
14. At the time of retirement, clergy become eligible for coverage under the Board of Pensions group insurance plan currently administered by Blue Cross Blue Shield of NC.
15. In case of termination of coverage, the church is responsible for the premium until the Treasurer's Office is notified in writing of such termination.
16. Effective February 1, 1996, participants applying at any time other than the initial enrollment period (thirty days from the date first eligible) would be subject to the one year pre-existing conditions clause. The exception to this rule would be possible by a change in life status causing loss of coverage: divorce, death of spouse, loss of spouse's employment, reduction of hours regarding spouse's coverage.

III. Statement of Intent

The NC Annual Conference established a Group Health and Life Insurance Plan with the intent of providing coverage for the active and retired clergy. However, the Annual Conference reserves the right to terminate the health and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plan without the consent of individual participants.

IV. Eligibility Policies

If you enroll in this program, you are eligible for your coverage to begin on the first day of the month following your first day of work.

Health insurance and life insurance through the Conference groups will be available to:

A. Clergy who are members in full connection of the Conference, probationary and commissioned probationary members, associate members, student local clergy, part-time local clergy, interim supplies (covered as lay employees) serving full time or part-time under appointment in:
 1. One of the churches or charges of the NC Conference.
 2. One of the institutions or agencies of this Conference receiving financial support from the Conference.
 3. An institution or agency established to provide a ministry or service provided that:
 (a) Clergy shall elect in writing within 30 days after the appointment to continue the coverage. If the coverage is discontinued, a one-year waiting period for pre-existing conditions will apply before re-establishing the health insurance coverage.
 (b) Clergy shall be responsible for payment of all health insurance premiums by the due date.
 4. Clergy eligible for life and health insurance through the Conference are entitled to these benefits.

B. Clergy on Leave of Absence provided that a written request to continue the coverage shall be filed with the Conference treasurer within 30 days after the beginning of the leave of absence.

C. Lay Employees:
 1. Each church/charge must apply for a group insurance contract with the Conference Treasurer's Office in order to offer insurance to eligible lay employees. An insurance administrator must be appointed at each church/charge to manage insurance policies dealing with lay staff. This contract may be obtained from the Conference Treasurer's Office. It is the responsibility of each local church/charge and its officers to be apprised of the parameters of the Conference insurance plan.
 2. Each local church must have at least 75% participation of the eligible lay employees to participate in the Conference plan. Those churches who currently have less than 75% participation will be allowed to continue their current coverage of lay employees now under the Conference plan. Diaconal Ministers are not subject to this rule.

3. The employee must work a minimum of 25 hours weekly and must be enrolled in the period specified for initial enrollment - this period being within 30 days of date first eligible, or be added as a late applicant.
4. The Committee recommends that the church provide this benefit to lay employees with the same premium payment policy as recommended for clergy.

V. 1998 Health Insurance Rates

	Monthly	*Yearly*
Church Portion	$400.90	$4810.80
Family-Personal Portion	$148.47	$1781.64
Parent/Child-Personal Portion	$107.87	$1294.44
Single-Personal Portion	$ 58.28	$ 699.36

The Insurance Committee is grateful to the members of the Annual Conference for the support it receives as the Committee strives to provide the best possible health and life insurance benefits. We have looked at all recommendations referred to us; our report includes the results of that study. We are glad to report that 36% of our subscribers elected the Select Co-pay option for their health care insurance in 1997; that number is nearly double our projection and is a great help in being able to provide excellent benefits at lower costs. We are likewise grateful for the work that has been done by the Treasurer's Office staff to automate our billing system during the past conference year. Lastly, we appreciate the strong sense of responsibility that participants show in their proper use of our plan. Together, we have built and will maintain a strong insurance program.

H. Gray Southern, *Chairperson*

ORDAINED MINISTRY, BOARD OF

Introduction: The North Carolina Conference Board of Ordained Ministry is pleased and privileged to present to the clergy session of the North Carolina Annual Conference our report for 1997.

Our board is a strong, representative body from the clergy and laity of this Annual Conference that wrestles constantly with its responsibilities outlined in *The Book of Discipline 1996* (¶633). These duties require the board to exercise strong care in its examination of candidates for ordination which is both fair and diligent, seeking always to encourage and sustain those in the process and to provide resources for growth with those already involved with ministry to local churches and other places of mission.

To provide this report, your Board of Ordained Ministry members have given ten (10) full days in meetings and interviews along with innumerable times for committee assignments. All of this is summarized in the names and recommendations found in this submission of our work for your approval.

The duties of the Board of Ordained Ministry include:

1) To assume the primary responsibility for the enlistment of ordained clergy, with due regard for the inclusive nature of the Church. It provides guidance for these persons in the process of education, training, and ordination.
2) To examine all applicants as to their fitness for ordained ministry and their election as *a) Full-time Local Pastors, b) Associate Members, c) Probationary Members, and d) Full Members* of the Annual Conference.
3) To interview and report recommendations concerning *a) students to be appointed to attend school, b) candidates for ordination as Deacon, and c) candidates for ordination as Elder.*
4) To interview applicants and make recommendations concerning changes in ministerial relationships: *Leaves of Absence, Retirement, Sabbatical Leaves, Disability Leaves, Less-than-Full-time appointments, and Readmission to or the termination of Conference membership.*
5) To provide support services for the ordained minister's career development, including personal and career counseling, continuing education, assistance in preparation for retirement, and matters pertaining to ministerial morale.
6) To provide a means of evaluating the effectiveness of the clergy in the Annual Conference.
7) To interpret the high ethical standards of ministry as set forth in *The Book of Discipline 1996*, and to study matters pertaining to character.
8) To administer the portion of the Ministerial Education Fund for use by the Annual Conference.

Members of the North Carolina Conference Board of Ordained Ministry have worked diligently to fulfill their duties! This has been a time of transition. The new legislation adopted at General Conference last April has significantly changed the structure and function of the Board. For example, the Board of Ordained Ministry now has two divisions: The Division of Deacons and Diaconal Ministries and the Division of Elders and Local

Pastors. Beginning in 1997 new candidates will no longer be ordained deacon and later elder. Instead, candidates will choose to be either a Deacon in Full Connection or an Elder in Full Connection.

Another change from General Conference involves the office of Diaconal Ministry. After those now in process complete their work for Diaconal Ministry, no new Diaconals will be consecrated. Those interested in specialized ministry and called to word and service will pursue ordination as Deacons in Full Connection. These are just a few of the changes. As we continue in this time of transition, we covet your prayer, patience, and understanding.

This year we are pleased to report that eighteen persons will be ordained as Deacons on the Elder track. Of these persons, sixteen are Probationary Members in the North Carolina Conference, and two are courtesy ordinations for other conferences. Three will be ordained Deacon in Associate Membership. In addition, two new Probationary Members on the elder track will have their previous orders recognized at the Deacon level. There are fourteen persons making the transition from Diaconal Ministry to ordination as Deacons in Full Connection. Our class for Elders in Full Connection numbers fourteen. This year's retirement class includes eighteen Full Members, one Associate Member, and one Local Pastor. Our large number of retiring pastors each year continues to provide opportunities for many persons to enter this field of service!

Please note that various committee reports follow this introduction and are significant for the various areas of concern they address. All of this material, as well as our supportive services during the year, have been provided through the Office of Ministerial Relations under the leadership of Dr. F. Belton Joyner, Jr., Robbie W. Barrett, and Lynn F. Jefferson. We are indebted to these individuals for their excellent work and dedication to the Ordained Ministry of our Annual Conference.

Requirements for Ministry {Board of Ordained Ministry}

The Board of Ordained Ministry reminds the Annual Conference and the ministerial candidates preparing for membership relationships to the North Carolina Annual Conference that several actions of past Annual Conference sessions have established requirements that go beyond the basic steps found in *The Book of Discipline*.

LOCAL PASTORS LICENSED ON OR BEFORE JUNE, 1988

Local pastors in progress or serving prior to 1988 must complete at least the five-year Course of Study.

LOCAL PASTORS LICENSED FROM 1989-1993

The Board requires that ministers having completed the basic five-year Course of Study continue to attend the Course of Study School in the summer, enrolling in at least four years of Advanced Studies during any six-year period. These courses, offered on a seminary level, would increase the competency of our Local Pastors (1980).

OR

It is required that they complete the five-year Ministerial Course of Study and a minimum of sixty (60) semester hours toward the Bachelor of Arts or an equivalent degree in a college or university listed by the University Senate, or competency equivalence through an external degree program at a college or university listed by the University Senate (1988).

LOCAL PASTORS LICENSED IN 1994 AND FOLLOWING

It is required that they complete the five-year Ministerial Course of Study and a minimum of sixty (60) semester hours toward the Bachelor of Arts or an equivalent degree in a college or university listed by the University Senate, or competency equivalence through an external degree program at a college or university listed by the University Senate (1988).

PROBATIONARY MEMBERSHIP (WITH DEACON'S ORDERS)

Each candidate must complete the following seminary level courses to be eligible for interview, effective June 1988:

1. A course in preaching that includes a practicum, laboratory, or field experience in the preparation, delivery, and evaluation of sermons.
2. A course in public worship that includes the theory, theology, and practice of planning and leading public worship.

ELDER IN FULL CONNECTION

Only those persons who have completed the M.Div. degree (or its equivalent) in seminary shall be elected to full membership (1975). Attention is called to the course requirements contained in ¶326(3)c of *The 1996 Book of Discipline*. Candidates must complete the Methodism courses PRIOR to the interview:

1. United Methodist Polity
2. United Methodist Theology and Doctrine
3. A History of Methodism

CONFERENCE RELATIONS, COMMITTEE ON

The Committee on Conference Relations has as its primary responsibility the assisting of any clergy who seek to change or terminate their relationship with the Annual Conference. Changes in conference relationship may occur in any of the following ways: 1) discontinuation, 2) leave of absence, 3) retirement, 4) sabbatical leave, 5) termination of conference relationship (surrender of credentials).

The Conference Relations Committee meets with the person who is seeking a change in conference relationship upon the request of that person, or upon request of the Cabinet or the Board of Ordained Ministry. The committee attempts to determine what is appropriate in each case by posing questions, offering counsel, and providing support. The committee then discusses the request and acts upon it by making a recommendation to the Board of Ordained Ministry. In any event, the person requesting the change and the Conference Relations Committee acting on the request must follow the requirements in *The Book of Discipline.*

The Book of Discipline provides specific guidelines applying to each of the categories of conference membership. All those persons in the various categories of conference membership (other than the effective relationship) should remember to familiarize themselves with and adhere to the disciplinary guidelines which apply to that category. The Committee on Conference Relations issues a yearly reminder of these guidelines through a letter approved by the Board of Ordained Ministry at its annual meeting. Following the appropriate guidelines is particularly important for clergy on leave of absence; for these persons, exercise of any ministerial function is restricted to the Charge Conference in which their membership is held. The Conference Relations Committee would take this opportunity to reiterate that pastors on leave of absence cannot perform weddings, conduct funerals, or administer the sacraments outside the bounds (both geographical and membership bounds) of that charge conference.

Every Spring (since 1987) the Conference Relations Committee has hosted a luncheon for those who will be retiring from the North Carolina Annual Conference at the June session of that year. At this luncheon, the retirees and their spouses are informed about various matters relating to their retirement such as insurance, housing, and pension benefits. This year's retirement luncheon was held at St. Luke United Methodist Church in Goldsboro on May 6, 1997.

CONTINUING EDUCATION, COMMITTEE ON

The Continuing Education Committee of the Board of Ordained Ministry has the responsibility of developing continuing education programs that will enable ministers to fulfill the Disciplinary requirements. According to the *1996 Book of Discipline,* ¶348.1, *"Clergy shall be expected to continue their education and spiritual growth throughout their careers, including carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities." The 1996 Discipline,* ¶348.2, further states, *"In most cases the ordained ministers' continuing education and spiritual growth program should allow for such leaves at least one week each year and at least one month during one year of each quadrennium. Such leaves shall not be considered as part of the ministers' vacations and shall be planned in consultation with their charges or other agencies to which they are appointed as well as the bishop, district superintendent, and Annual Conference Continuing Education Committee."*

In providing the resources to enable pastors to meet the minimum requirement of the *Discipline,* the Committee on Continuing Education has edited a brochure that applies to all ministers of the NC Annual Conference. The brochure contains information defining Continuing Education, the role of the local church, and how the pastor's continuing education can be financed. The brochure is printed as part of this report.

Continuing Education for Ministry in the NC Annual Conference:

Rationale: A prime expectation of every minister of the NC Annual Conference is professional growth. In recent years, one of the major avenues through which such growth occurred has been continuing education. In the *1996 Book of Discipline,* ¶325.2, it states, *"There are professional responsibilities that elders are expected to fulfill and that represent a fundamental part of their accountability and a primary basis for their continued*

eligibility for annual appointment. Growth in vocational competence and effectiveness through continuing formation is expected of conference members."

Definition: Continuing education is defined as an organized structured program of formal study under competent leadership with clearly defined goals and objectives. Here the key words are "organized," "competent leadership," and "clearly defined goals and objectives." By this definition certain activities, though worthwhile, are not considered "continuing education"; e.g., degree programs, recreational programs, promotional meetings, worship services, entertainments, undirected reading, and study travel (except for limited lecture, seminar, or workshop time), and the like.

The Conference Program: The Conference Board of Ordained Ministry, through the Committee on Continuing Education, performs three functions: 1) It sets minimum continuing education standards for ministry; 2) It establishes guidelines for continuing education; and 3) It seeks to insure their availability.

1. *Minimum Standards*: The NC Conference has established as a minimum standard one Continuing Education Unit (CEU) to be earned by each minister from an approved continuing education program each year. One CEU is defined as ten contact hours of participation in an approved continuing education program.

2. *Guidelines for Continuing Education Programs*: CEU's will be approved for those persons sponsored by organizations which are accredited by a) a regional educational agency (such as the Southern Association of Colleges and Schools), b) a professional accrediting agency (such as the American Medical Association), or c) the Council on the Continuing Education Unit. It should also be noted that only those programs which relate directly to ministerial growth and development will be approved.

3. *Insuring their Availability*: Efforts by the Board of Ordained Ministry to insure the availability of continuing education programs include encouraging conference-related and other colleges within the Conference bounds to offer courses for ministers, providing supplementary financial aid for ministers, publicizing approved programs, and identifying specific subject areas for needed programs.

Role of the Local Church: In addition to the minister, the local church has a significant stake in the success of continuing education programs. The local church, therefore, has an important role to play in continuing education.

The Pastor-Parish Relations Committee of the Local Church:

1. Confers with the pastor and the district superintendent in the development of a continuing education program which will enhance the total ministry of the church.

2. Provides study leaves at least one week each year and at least one month during one year of each quadrennium. Such study leaves are not to be considered vacation time. *(The Book of Discipline, 1996,* ¶348.2)

3. Recommends to the church's Finance Committee budgetary funds to be applied toward the minister's continuing education program. In providing funds for continuing education programs, the Pastor-Parish Relations Committee should insure that only those programs which meet both the definitions and specific guidelines above are funded.

Financial Aid to Clergy: Funding for continuing education is the combined responsibility of the participant, the congregation, the sponsoring institution, and the Annual Conference. Conference funds for continuing education are derived as a portion of Conference acceptances. Thus, it is not possible (nor is it desirable) for the Conference to assume a major responsibility.

All persons under episcopal appointment to charges, Conference staff positions, district superintendencies, Conference Evangelists, and Conference-related agencies and institutions, retired supply, and ABLC categories C and D (with total funding for all category C and D applications being no more than $1500) are eligible for grants from Conference funds provided:

1. The program does not lead to advancement from one level of Conference relationship to another.

2. The program meets the definitions and Conference guidelines described above.

3. The applicant has documented his or her efforts to secure funding from other sources, including local church, Duke Endowment, and personal.

4. The application for a grant is filed on the appropriate form which furnishes complete information about the event and bears the signatures of the applicant, the Pastor-Parish Chairperson, and district superintendent.

Limits to Conference Funds:

1. The maximum grant to an individual applicant over one conference year is $300.00.

2. For a one CEU event, no more than $100; a two CEU event, $200; a three CEU event, a maximum of $300 if the cost of the event merits it.

3. The event must involve some definite measure of intensive study by the participant and offer at least ONE Continuing Education Unit.

4. Grants for Clinical Pastoral Education (CPE) can be given when the CPE program offers the required CEU credits. No more than $300 per CPE unit will be granted. Grants for CPE are given only for non-degree programs. 5. One CEU will be granted to interested persons who attend all sessions of the Bishop's Seminar. However, educational grants will not be available for this event.

6. Holy Land Trips - A grant according to the current policy may be made once in a pastor's career, provided funding is available.

Monitoring Continuing Education Units:

1. The district superintendent, in annual consultation, may suggest to the minister the area of continuing education he or she should take to facilitate his or her professional growth. The pastor's annual Continuing Education Report will be given to the district superintendent at the annual consultation.

2. Clergy shall have the responsibility for securing from the institution granting Continuing Education credit a record of earned credit and providing a copy of this record to his or her district superintendent.

3. It is the responsibility of each minister to determine, in consultation with the Committee on Continuing Education, if a proposed program meets the criteria prior to participation and funding.

IDENTIFICATION AND ENLISTMENT, COMMITTEE ON

The identification and enlistment of persons for ministry is a primary responsibility of the Annual Conference Board of Ordained Ministry (¶633.2a).

Identification and enlistment of prospective ministers for the church, specifically including ethnic groups and women, should be the result of continuous and intentional study of the short-, medium-, and long-term needs of the constituencies of the church. This responsibility necessitates a team effort by the Conference Board of Ordained Ministry, the Bishop and Cabinet, the Conference Council on Ministries, the District Committees on Ordained Ministry, pastors of local churches, and the Committee on Pastor-Parish Relations in the local congregations. Imperative in this team work is the encouragement and support of pastors of local churches, who through sharing their story of call to ministry, might be instrumental in creating an awareness of such a call on persons in the congregations which they serve. Response from Conference ethnic caucuses will prove helpful in addressing the particular needs of the ethnic groups within the life of the Conference.

As a means of encouraging awareness of call to ministry, our conference conducted a sermon writing contest on the topic of call to ministry this year. The winning entry was published in the North Carolina Christian Advocate.

Twenty-eight youth and young adults from the North Carolina conference attended "Explo '96" in Dallas, Texas, sponsored by the General Board of Higher Education and Ministry. As well, consideration of an event cosponsored by the Western North Carolina Annual Conference to reach persons as a second career continue.

The intention of the Enlistment Committee is to raise the consciousness of our constituency that identification and enlistment is an ongoing concern that touches every dimension of our church. To that end this Committee shall be committed to the seeking of persons for ordained ministry throughout the year.

MINISTERIAL EDUCATION FUND, COMMITTEE ON

Since 1968, more than 325 million dollars have been given by local congregations to the Ministerial Education Fund.

The first priority of the MEF is to provide underlying support to our 13 outstanding United Methodist seminaries.

The MEF is literally the "life-blood" of our seminaries. It also supports annual conference boards of ordained and diaconal ministry for programs they provide for clergy and diaconal ministers. Since 1970 more than 80 million dollars from the MEF have supported conference board services in each of the annual conferences.

So the MEF is not just for seminaries. Every annual conference and every clergy person and diaconal minister benefit from the fund.

Here's how that support is expressed:

Within the boundary of the North Carolina Annual Conference is MEF supported Duke Divinity School, which for over 60 years has prepared men and women for leadership in the church as clergy and laity. Other institutions supported by MEF: Boston University School of Theology; Candler School of Theology at Emory University in Atlanta; The Theological School at Drew University in Madison, New Jersey; Gammon Theological Seminary in Atlanta, Georgia; Garrett-Evangelical Theological Seminary in Evanston, Illinois; Iliff School of Theology in Denver; Methodist Theological School in Ohio; Perkins School of Theology Southern Methodist University in Dallas, Texas; Saint Paul School of Theology in Kansas

City, Missouri; School of Theology at Claremont; United Theological Seminary in Dayton; Wesley Theological Seminary in Washington, DC.

The MEF provides scholarships for students studying for the ordained and diaconal ministry in the 13 United Methodist seminaries and non-United Methodist seminaries, which are approved by The United Methodist Church. These scholarship funds for seminary students are administered through the conference boards.

It also supports the course of study schools, an alternate form of ministerial education. More than 2,300 people are involved in 12 course of study schools. Each summer this program is sponsored by the division of ordained ministry and taught by seminary professors and conference leaders throughout The United Methodist Church.

In addition, the MEF provides support for: continuing education, pastoral care initiatives and the divisions of ordained and diaconal ministry at the General Board of Higher Education and Ministry (GBHEM).

The MEF also funds research and special programs related to candidacy, enlistment (such as Exploration '96), clergywomen concerns, racial and ethnic concerns, spiritual formation, testing and evaluation, training of boards of ordained and diaconal ministry, international theological education, jurisdictional block grants, supervision issues and Dempster Fellowships. All of these ministries are nurtured by money from the Ministerial Education Fund.

NORTH CAROLINA PASTORS' SCHOOL AND DUKE DIVINITY SCHOOL CONVOCATION

The 1996 Pastors' School and Convocation offered participants an opportunity to explore the field of preaching,
visual arts in worship, and the rise of Pentecostal spirituality in the twenty-first century. Harvey G. Cox, Victor S. Thomas, Professors of Divinity at Harvard University, presented the James A. Gray Lectures exploring "*Jesus and Generation X.*" Barbara Brown Taylor, Rector of Grace Calvary Episcopal Church in Clarksville, Georgia, was the Franklin S. Hickman Lecturer and examined "*Preaching and the Three Lives of a Sermon.*" The keynote speaker for the Convocation was Douglas G. Adams, Professor of Christianity and the Arts at Pacific School of Religion in Berkley, California. Dr. Adams' presentation was "*Visual Arts as Evangelism in Worship.*" Bishop Charlene Kammerer, Bishop of the Western North Carolina Conference; and Bishop Marion M. Edwards, Bishop of the North Carolina Conference, were Convocation preachers. The Pastors' School offered ten continuing education courses for clergy and laity. The courses covered such items as the Pentecostal Movement, American Family in the Household of God, Preaching from Revelation, United Methodist and American Culture, and Theological Lessons on Ministry from Dietrich Bonhoffer. A highlight of the Convocation was the opportunity to welcome our new bishops and to sit down in conversation with our Episcopal leaders.

The 1997 Convocation and Pastors' School will be October 13, 14, 15 at Duke University. James Wallis will be the Keynote Speaker. Kirbyjon Caldwell will be preaching

Tuesday and Wednesday. Bishop J. Lawrence McCleskey of the South Carolina Conference will be preaching on Monday. Barbara Brown Zikmund is the Gray Lecturer and Loren Mead is the Hickman Lecturer. Seminar leaders for the Convocation are Jeanette Stokes, James Efird, Gayle Felton, Bill Lawrence, Russell Richey, Roger Loyd, Roberta Schaafsma, and James Wallis. Look for a brochure giving all the details later in the summer.

PASTORAL CARE, COMMITTEE ON

The Committee on Pastoral Care has, since 1971, served the North Carolina Annual Conference by providing financial aid for confidential professional counseling and marriage and family enrichment. The Committee is comprised of four members from the Board of Ordained Ministry (one of whom serves as chair); one member from the Board of Diaconal Ministry; one representative from the Conference Clergy Living Committee; one representative from the Clergy Partners Association; one Pastoral Counselor; and two members from the Commission on Health and Human Services. Funding for grants and expenses of the committee is included in the budget of the Board of Ordained Ministry and the awarding of grants is dependent upon the availability of funds.

Financial aid is available to both clergy and diaconal ministers and their families. The financial grants, of up to $400.00 per family, are provided to cover one-half of the cost of counseling sessions. Ministers under the NC Conference Blue Cross/Blue Shield Health Insurance Program should review the Health Care Benefit Program Book as up to 80% of financial coverage is provided for outpatient psychiatric care. The coordination of insurance benefits and Pastoral Care Grants should not exceed 100% of fees charged.

MARRIAGE AND FAMILY ENRICHMENT

The Committee on Pastoral Care encourages participation in marriage and family enrichment events, including those focusing on the needs of single as well as married ministers. Grants of up to $100 per individual, or $200 per family or couple are available. A schedule and/or outline of the events, leaders' names and credentials, and verification of participation should accompany a letter of application for the grant.

ELIGIBILITY FOR FINANCIAL GRANTS

Whereas, conference clergy and diaconal ministers and their families are eligible for grants, a *family* is defined as dependents of the minister living in the minister's home or parsonage, including spouse, children, parents, and grandparents. Children of the minister are eligible whether or not attending college or living at home through the age of twenty-two.

Persons who qualify for financial grants:

1. Clergy who are members of the NC Annual Conference whose status is active, retired or on leave in accordance with ¶¶ 448, 449, or 450 of *The Book of Discipline* (1992), OR any person, regardless of conference relationship, who is serving a local church of the NC Annual Conference, or a dependent.
2. Diaconal Ministers, or candidates who are serving a local church, members of the NC Annual Conference, and whose status is active, retired, or on leave in accordance with ¶ 313.1 of *The Book of Discipline* (1992), or a dependent.

Special circumstances:

1. Grant eligibility is provided when ministerial couples undergo marital separation or divorce. The amount provided is $400.00 for each spouse for a maximum of two years following the separation.
2. Grant eligibility continues for two years for persons who have terminated their relationship with The United Methodist Church, and for surviving spouses of ministers.

COUNSELORS AND THERAPISTS WHO QUALIFY FOR FINANCIAL GRANTS

Only counselors or therapists who meet the following criteria qualify to receive grants from the Committee on Pastoral Care:

Counselors: Clinical members of the American Association of Marriage and Family Therapists (AAMFT);
Pastoral Counselors: Members of the American Association of Pastoral Counselors (AAPC);
Psychiatrists: American Medical Association (AMA) Board Certification;
Psychologists (Clinical): Licensed Practicing Psychologists; and
Social Workers: Certified Clinical Social Workers (CCSW) or equivalent licensure in the jurisdiction of practice.

APPLICATION PROCEDURE

The counselor or therapist, at the request of the qualifying client who is receiving the counseling, is to make application for a grant to the Chairperson of the Committee on Pastoral Care in the following manner:

1. The counselor or therapist requests an application form, a *Conference Directory*, and instructions from the Chairperson of the Pastoral Care Committee. This request should be addressed in care of the Office of Ministerial Relations, PO Box 10955, Raleigh, NC 27605.
2. Once the application, *Conference Directory*, and instructions for a Pastoral Care Grant are received by the counselor/therapist, and a determination is made that the client qualifies, the application should be completed and returned to the Office of Ministerial Relations. To protect the confidentiality of the client, the client's name shall never appear on the application. When more than one member of the client's family is involved in counseling, all family members shall be assigned the same case number.
3. The counselor/therapist will receive the financial aid grant on behalf of the client to apply to the client's account or to refund to the client if the account has already been paid. Clients should request from the therapist a statement showing the amount of financial assistance received from the Pastoral Care Committee and should request the therapist to contact the Chairperson of Pastoral Care to negotiate an acceptable procedure if any problems arise concerning this process. The client, not the Pastoral Care Committee, is responsible for all contracts, negotiated fees, and payment of services that are provided.

1996 REPORT

In 1996, the Committee on Pastoral Care granted $15,825 for counseling sessions. This represents 807 sessions with counselors and therapists during the calendar year (25 less than provided in 1995). Grants were processed for 57 client units during 1996, representing 572 sessions for clergy, 70 for spouses, 25 for families; and 83 for dependent children. Of these 57 units, 11 (or 19%) received the 1996 maximum of $400 in assistance.

PSYCHOLOGICAL TESTING AND EVALUATION, COMMITTEE ON

The North Carolina Annual Conference requires and administers psychological assessment and evaluation of all who seek to enter ordained ministry in our Conference. Responsibility for this area is given to the Committee on Psychological Testing. Members of the committee for 1997-98 are: Trish Hicks, Merritt Jones, Larry Robinson, and Peg Witt.

Psychological testing serves two purposes. For the individual, the results offer the candidate information, feedback, and guidance toward psychological health and wholeness. For the Board of Ordained Ministry, the evaluation results offer assistance in the discernment process about candidates. The Board uses this testing as ***only one*** part of the evaluation process.

For those who entered ordained ministry under *The 1992 Discipline* or prior Disciplines, the requirement was for those seeking ordination as a Deacon and Probationary Member of the Conference. With the 1996 General Conference, all who now become candidates under *The 1996 Discipline* will be required to be tested — whether they hope to become New Order Deacon or New Order Elder.

The required tests are: Personal Data Inventory, Incomplete Sentences, Personal Research Form (Values), Myers/Briggs Type Indication (Personality), Minnesota Multiphasic Personality Inventory (Pathology), and 16 PF (back-up to the MMPI). Probationary members of other annual conferences seeking to transfer into this conference must release information on their testing to the Transfer Committee of this board.

The cost of testing is borne by the Board of Ordained Ministry for persons within the North Carolina Annual Conference. For those transferring into our conference, we also bear the cost when such testing is done at the time our candidates are group tested. Those who choose testing other than through the above process will bear the expense themselves.

Testing services are provided by Dr. Gary Brown, a retired Elder from the Western North Carolina Annual Conference who has his doctorate in counseling. We appreciate the faithful and effective work Dr. Brown does in helping our Committee and our Board to do its work for the well-being of Christ's Church and to the glory of God.

RESIDENCY IN ORDAINED MINISTRY, COMMITTEE ON

1996 *Book of Discipline*, ¶317 - Probationary Service of Commissioning Ministers ¶417.3 in the 1992 *Book of Discipline* states:

"*Each probationary member shall have an elder in full connection assigned by the Board of Ordained Ministry as counselor during the period of probation.*"

The North Carolina Conference Residency in Ordained Ministry program meets this requirement through the cluster group model. Probationers meet in small groups

throughout the probationary period. Cluster leaders are elders who are not members of the Board of Ordained Ministry. Every effort is made to keep each participant in the same cluster, and with the same leader, for the duration of the probationary experience. This arrangement provides a particularly important collegiality and support for the probationers.

In November 1996 the committee sponsored a pre-probationary seminar for candidates preparing for probationary membership. Representatives from the Board of Ordained Ministry's interview committees presented overviews of the interview process.

Each year, Phase I Probationers, those in their first year of probationary relationship, meet for an overnight retreat. A resource person, selected by the committee, leads the group in exploring issues such as call to ministry, spiritual formation, and practical concerns of pastoral leadership in the local church.

Phase II members are those in the second year of probationary membership with the Annual Conference. They work in their cluster gatherings to prepare for full conference membership and ordination as elders. A retreat is held at Duke Divinity School each fall to assist this group in their preparation.

Phase III is designed to help probationers who must reappear before the board for Elder's orders and full conference membership. With the new ordering of ministry, new categories will be developed for these probationary periods.

The Residency in Ordained Ministry Committee is committed to helping candidates for ordained ministry in every way possible.

PAST SERVICE PENSION LIABILITY, TASK FORCE ON

The Task Force on Past Service Pension Liability was appointed following the 1995 session of the NC Annual Conference. As reported last year, the Task Force spent the first year seeking to clarify the issues surrounding the unfunded portion of the pre-1982 pension liability. In that first year the Task Force received updated actuarial studies as well as updated computations regarding the anticipated cost over the next several decades. Once the Task Force had a sense of the pension program's history, its present situation and its anticipated needs for future funding, it was time to share this information with the people.

The Task Force first prepared a document entitled: *Questions and Answers for the NC Conference About Past Service Liability*. In January and February of this year, a session was held in each district to both inform and listen to the clergy and laity. It is estimated that approximately 3,000 persons participated in these presentations. The Task Force felt that people left with a greater understanding of the present pension situation. However, that is not to say that everyone went home with every question answered and every concern expressed.

In response to the questions and concerns that were expressed during these sessions and in the days that followed, a second "Question and Answer" document is being prepared. In that document the Task Force will attempt to answer the most frequent questions and respond to both the concerns and suggestions that have been made. The Task Force is appreciative of all who participated in the district sessions.

Many options have been suggested. Conversations have been held with persons throughout United Methodism who are dealing with pension issues. The Task Force has considered, sought advice and wrestled with all of the options. Among the options has been the consideration of a capital campaign. To assist in the task of investigating the possibility of such a campaign, the Conference retained the service of Ketchum, Inc., a professional consulting firm. Their report will be received following the deadline for the submission of this report.

The Task Force will consider the recommendation of Ketchum, Inc., in consultation with the Cabinet, and bring a report to the Annual Conference. Prior to the convening of the 1997 NC Annual Conference, a mailing will be sent to all delegates with the recommendations of the Task Force. Included with the recommendation(s) will be the second "Question and Answer" document.

The Task Force, and many others throughout the NC Annual Conference, continue to believe that the matter of unfunded pension liability is a ministry which demands our attention. It will continue to make every effort to bring recommendations that not only insure that this liability is paid, but that it is paid while allowing the many other vital ministries of our Annual Conference to continue.

Let me as chairperson express appreciation, on your behalf, to the members of the Task Force who have given so graciously of their time and talents to this ministry.

Recommendations of the Task Force (as amended by the Annual Conference)

The recommendations to be considered by this session of Annual Conference:

1) That the Bishop appoint a successor body to the Task Force on Unfunded Pension Liability to be named the Committee on Special Conference Funds. The Committee, in consultation with the Board of Pensions, Cabinet and the Council on Finance and Administration, would monitor and make recommendations to the Annual Conference regarding the unfunded pension liability.

While primary focus of the Committee shall be the unfunded pension liability, the Committee may also, in co-operation with United Methodist Foundation, guide the Annual Conference in the development of special gifts from individuals, foundations, and/or local churches for other causes.

The Committee will be determined by the Bishop with the following persons named as voting ex-officio members: Conference Treasurer, President or Executive Director of United Methodist Foundation, Representative from the Board of Pensions, and Representative from the Council on Finance and Administration.

2) That the Annual Conference employ a part-time Director of Current Giving (September 1997 through December 1999) whose primary role would be to seek gifts for the unfunded pension liability. The Director of Current Giving would report to the Bishop or to whomever designated by the Bishop. The Committee shall work in consort with United Methodist Foundation in developing the job description for the Director of Current Giving and in providing general supervision of said Director. The Committee shall determine the cost for the position and shall make a request to the Council on Finance and Administration for a supplemental appropriation to cover said cost.

3) That the position of Director of Current Giving become a full-time position in the year 2000 and that funding for said position be done by off-setting reductions in the Conference budget. The primary focus of the full-time Director of Current Giving shall continue to be the unfunded pension liability until such time as an effective plan to address this liability is in place and working by vote of the Annual Conference.

4) That those local churches which did not pay 100% of their 1996 apportionments submit a plan, at the 1997 Charge Conference, for how they are moving towards full acceptance and funding of their apportionments by the end of the quadrennium (2000). The full payment of apportionments is understood to be the basis of our connectional ministry and essential for payment of the unfunded pension liability.

Report B - Recommendations for the Pension Program

I. Past Service Liability

A. Past service will continue to be paid on the defined benefit concept (per service year rate) for all service rendered to the North Carolina Conference through December 31, 1981. This plan will continue until all pastors with past service benefits and their surviving spouses are deceased.

B. Goal of defined benefits (per service year rate) has been defined in the *Book of Discipline* for many years as 1% of the Conference Average Compensation. The 1998 CAC for the North Carolina Conference is $39,900.

C. The current rate is $356 per service year. Participation in the new Ministerial Pension Plan requires that an Annual Conference increase its past service rate as

the Conference Average Compensation increases, to at least 0.9% of the CAC to continue to participate fully in the new pension program. We propose that the past service rate beginning January 1, 1998 be increased to $367 per service year, and that further increases will be presented to the Annual Conferences of the future as the Conference Average Compensation increases. This increase creates an unfunded liability of $28,326,168.

D. To increase any past service rate will always involve accepting an unfunded liability that must be satisfied by either a single cash payment, a series of planned payments, or a combination of both.

E. The Annual Past Service Deposit for 1998 required by the General Board of Pensions is $2,916,555 (Due Date December 31, 1998). The amount needed in the 1998 budget to fund our total liability by the year 2021 is $1,700,000. Additionally, for other benefit plans; such as, health and life insurance, pension grants, administration, etc., the 1999 budget request is $1,100,000.

II. Ministerial Pension Plan (MPP)

Guidelines for the Ministerial Pension Plan and the Comprehensive Protection Plan are contained in the 1983 and 1984 *Journals* of the North Carolina Conference. Thus we call to your attention only those guidelines that are relevant to these programs.

A. Service on and after January 1, 1982 will be funded on a new concept, called a defined contribution plan. This plan is basically deferred salary, and creates no unfunded liability because it builds an account of funds for a specific minister as his/her salary is paid.

B. Funding is based on a percentage of Plan Compensation. Plan Compensation is calculated as follows:

Take Cash Income (salary ONLY) e.g. $30,000.00
Add 25% of Cash Income or Housing Allowance 7,500.00
Plan Compensation will be $37,500.00

1. No travel or utility funding is ever used in Plan Compensation calculations since these are considered by the General Board of Pension and Health Benefits to be items of local expense.
2. Clergy couples housing (Effective January 1, 1988):
 a. When only one of the spouses is furnished a parsonage, the one furnished the parsonage includes the housing allowance.
 b. When one spouse is furnished the parsonage and the other a cash allowance, the one furnished the parsonage will use the 25% housing allowance, and the other will report the actual cash housing paid.
 c. When two parsonages are furnished and both are used, each spouse claims a housing allowance.
 d. When neither is furnished a parsonage, the actual cash housing allowance may be counted by the person/or persons receiving the allowance.
3. In accordance with the Plan Document, the housing allowance for those furnished housing is 25% times the cash salary.
4. Those furnished a cash housing allowance will report the actual amount in accordance with the Plan Document. (Effective January 1, 1988)

C. The Ministerial Pension Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the General Board of Pension and Health Benefits. (Effective January 1, 1990)

D. These contributions are placed in the individual minister's Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.

E. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.

F. We recommend 12% as the level of participation in the Ministerial Pension Plan for the North Carolina Conference participants.

G. Unfunded Liability Actuarial Funding Study (Third Year Study, 1990 - 1993)
1. Interest assumption decreased from 9% to 8%.
2. Past Service Rate assumption continued at a 5% increase.
3. No change at the present is required in contribution pattern (new money).

III. Comprehensive Protection Plan (CPP)

A. This part of the program contains provisions for a death benefit, disability income, and funding for the peerage portion of the Ministerial Pension Plan. In addition to the provisions of a death benefit for the pastor, there is a death benefit on the life of the spouse and dependent children under age 18 or who are dependent because of disability. The Comprehensive Protection Plan also

includes educational benefits for the children of a deceased minister. This part of the new plan is only available to those ministers covered under the CPP.

1. Death benefits provide 150% of the Denominational Average Compensation (DAC) as the benefit paid on the death of an active minister through age 46, dropping on a graduated basis to 20% of the DAC upon retirement at any age. (The DAC for 1997 is $37,084.00 and for 1998 it is $38,298.00.)
2. Disability payments are based on 40% of the Denominational Average Compensation in effect at the time the minister is placed on Disability Leave.
3. The peerage program provides for a contribution from the Comprehensive Protection Plan to the minister's Church Account of a sufficient amount to provide the minister with a total contribution for the year based on the Denominational Average Compensation at 12% of Plan Compensation based on the Denominational Average Compensation for those eligible.
4. The Comprehensive Protection Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the General Board of Pension and Health Benefits. (Effective January 1, 1990)

B. The cost of the Comprehensive Protection Plan is a 4.4% contribution of actual Plan Compensation (up to 4.4% of the Denominational Average Compensation). The pastor shall be required to pay 1% of Plan Compensation (up to 1% of DAC) and the church or charge shall pay 3.4% of Plan Compensation (up to 3.4% of DAC). (Effective January 1, 1990)

IV. Implementation of the Program

The benefit Program adopted by your Conference Board of Pensions seeks to provide a wider range of support for the minister's family through death benefits for every member of the family, disability income for the minister in time of great stress, educational benefits for children of deceased ministers, minimum annuity benefits for surviving spouses, and the build-up of contributions to the Church Account of those ministers whose compensation is below the Denominational Average Compensation.

A. Costs of the Ministerial Pension Plan/Comprehensive Protection Plan will be borne by the local charge as an item of ministerial support according to the Plan Compensation of the minister and the category of the charge.
FULL TIME (Conference Member/Local Pastor) - 12% of Plan Compensation for MPP and 3.4% of Plan Compensation for CPP (up to 3.4% of the DAC)
STUDENT (Conference Member/Local Pastor) - 12% of Plan Compensation
LESS THAN FULL TIME (Conference Member/Local Pastor) - 12% of Plan Compensation
INTERIM OR RETIRED SUPPLY - no pension responsibility

B. The pastor will make regular monthly payments to the General Board of Pension and Health Benefits **through the local church treasurer** for his/her 1% of Plan Compensation (up to 1% of the DAC) for CPP.

C. The pastor will make regular monthly payments **through the local church treasurer** to the General Board of Pension and Health Benefits for his/her personal tax-paid or tax-deferred contributions of at least 3%.

V. Policies Related to Life and Hospital Insurance

A. Surviving spouses who are not covered under the minister's hospital insurance must request coverage within thirty (30) days after the death of the pastor to avoid the one year waiting period for pre-existing conditions.
1. When surviving spouses are employed and provided hospital insurance, the policy of the Board of Pensions will be the secondary carrier.
2. If the surviving spouse remarries, the hospital insurance will terminate until the said surviving spouse attains age 65 or the dissolution of the marriage.
3. A surviving spouse,who married the pastor after he/she retired, is not eligible to be covered by the Hospital Group Plan after the death of the pastor.

B. Pastors Insurance (to become effective at the conclusion of the 1988 Session of the Annual Conference.)
1. Pastors who retire from the North Carolina Annual Conference with twenty or more full-time years of earned pension credit in the North Carolina Annual Conference will have their hospital and life insurance paid by the Conference Board of Pensions when the minister attains age 62 and receives pension benefits, or retires with thirty-five (35) years of service and receives pension benefits, provided at least twenty of the thirty-five (35) years of pension credit is in the North Carolina Annual Conference.
2. A pastor who retires from the North Carolina Annual Conference with less than twenty (20) full-time years of earned pension credit in the North

Carolina Annual Conference will pay, when he/she attains age 62 and receives pension benefits, a portion of the premium by the following formula:

Years of Service Earned in NC Conference at Retirement Time	*Payment by the Conference Board of Pensions*	*Payment by the Retired Ministers*
19	95%	5%
18	90%	10%
17	85%	15%
16	80%	20%
15	75%	25%
14	70%	30%
13	65%	35%
12	60%	40%
11	55%	45%
10	50%	50%
9	45%	55%
8	40%	60%
7	35%	65%
6	30%	70%
5	25%	75%
4	20%	80%
3	15%	85%
2	10%	90%
1	5%	95%

3. [Paragraphs noted are from *The Book of Discipline, 1996*] Effective August 1, 1992, Pastors who discontinue as Full-time Local Pastors, ¶345, or Probationary Members, ¶318.6, as well as Conference Members who are retired involuntarily, ¶355.3; who are granted Honorable Location, ¶356; who withdraw to unite with another denomination, ¶357.1; who surrender the ordained ministerial office, ¶357.2; who withdraw under complaints or charges, ¶357.3; and Conference Members who are placed on Administrative Location, ¶358.3 are ineligible to receive health insurance benefits or life insurance when payments from the General Board of Pensions begin.
4. Ministers not covered under medicare shall receive an amount equal to the premium of the Medicare supplement paid for those covered under Medicare, provided the ineligibility is not due to a refusal to come under Part B. Payments will be prorated according to the schedule in V B2.
5. Clergy Couples' Insurance
 a. When one member of a clergy couple retires, the insurance, medical and life, will be paid for the retired pastor according to schedule V B2.
 b. Medical insurance will be provided for the spouse and dependent children of the retired clergy partner according to schedule V B2.
 c. No life insurance is provided for the spouse or dependent children of the retired clergy partner.

C. The North Carolina Annual Conference established a Group Health and Life Insurance Plan with the intent of providing coverage for the active and retired pastors. However, the Annual Conference reserves the right to terminate the health and life contracts, in whole or in part, at any time. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the health or life plan without the consent of individual participants.

VI. Dental Insurance
The Board of Pensions recommends that retired ministers covered under our Blue Cross supplement plan have dental insurance added. It is to be paid by the North Carolina Conference Board of Pensions and to become effective July 1, 1987.

VII. Maximum Lifetime Benefit Under Medicare Supplement
Maximum benefit under the Medicare Supplement for retired pastors and spouses is $1,000,000.

VIII. Special Provisions
The North Carolina Annual Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pensions for active participation in the MPP and/or CPP by persons who are eligible under special rules but not automatically included as active participants. (MPP Section 3.2 and CPP Section 3.2)

IX. Conclusion

Our constant aim is to provide our retired families with their needs for an adequate income to purchase essentials for living as well as to insure adequate care in case of illness. To these ends our recommendations are directed, and their satisfaction is found in the acceptance of the North Carolina Conference and its membership.

Report C - Housing Exclusion Allowance (For Income Tax Purposes Only)

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the North Carolina Annual Conference is the appropriate organization to desisgnate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister (including amounts received in this respect from the Duke Endowment), or 100% of the disability benefit payments received by a disabled minister, during the year of 1997 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of the United Methodist Church, who is or was a member of the North Carolina Annual Conference at the time of his or her retirement or disability.
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

 NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B.92, "the only amount that will qualify for exclusion under section 107(2) of the Code as 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

Report D - Ministers' Transition Fund Constitution

I. The Principles of the Fund - The Ministers' Transition Fund of the North Carolina Conference of The United Methodist Church (the "Fund") was established effective November 20, 1937, to assist the minister to more easily make the transition from the active relationship in which a furnished parsonage has usually been provided, to the retired relationship in which the minister provides his or her housing. The Fund is established by apportionments to each local church in the Outreach Ministries-Fair Share Apportionments and by assessments to each minister who has membership in the Fund. Since all churches contribute to this Fund, it is the desire of the North Carolina Annual Conference of The United Methodist Church that all ministers participate in the Fund. The Conference does

not interpret the churches' support of the Ministers' Transition Fund as an additional benefit for their ministers, but as a benefit for all ministers of the Conference. Therefore, the only funds to which a minister can make personal claim are those which he or she contributed to the Fund.

The Conference vigorously emphasizes that the purpose of this Fund is to assist the minister's retirement transition and not to be an emergency fund available for any other purpose. All participant elections available shall be irrevocable. The Fund is intended to be a church plan within the meaning of section 414(e) of the Internal Revenue Code of 1986, as amended (the "Code") which has not made the election under section 410(d) of the Code and is also intended to meet the requirements of a retirement income account under section 403(b)(9) of the Code. The Plan shall be interpreted, wherever possible, to comply with the applicable terms of the Code and all applicable formal regulations and rulings issued under the Code.

II. The Conference Treasurer - The Treasurer of the North Carolina Conference (the "Conference Treasurer") shall serve as Treasurer and custodian of this Fund. He or she shall promote this work, receive funds from pastors and charges, and keep permanent records of assessments received and benefits paid.

III. Eligibility for Membership - Membership in this Fund is not mandatory. Each ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) who is serving full time in a charge or as a district superintendent, a Conference ministerial staff person, or others who are appointed to serve at a North Carolina Annual Conference Institution (Methodist Retirement Home, Inc.; Methodist Home for Children, Inc.; Louisburg College; Methodist College; North Carolina Wesleyan College) or other Episcopal appointment of the North Carolina Annual Conference shall be eligible to join.

In order to remain an active, participating member, the ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) must continue to serve full time in a charge or other appointment. A full-time local pastor may continue as a member of the Fund only during the time he or she is serving under episcopal appointment. Students under episcopal appointment who have previously served full time and who intend to return to full time service are eligible to continue. Those ministerial members on disability leave, leave of absence, or Conference members with less than full time service, may continue to be active, participating members by meeting the provisions discussed hereafter.

Ministerial members who transfer into the Conference or new ministers receiving appointments for the first time are eligible to join the Fund in January of the year following the Annual Conference session in which their credentials were recognized. Ministers in these categories applying for membership will be assessed on the basis of their total salary and utility allowances for the six months between July 1 and December 31 computed to a twelve month amount.

Each new member of the Fund shall file an application form. Upon filing of application for membership and paying the recommended assessment for one year, his or her membership becomes effective. The deadline for enrollment for all ministers is January 31 of each year.

IV. Apportionments and Assessments

A. Conference Contributions - Funds shall be placed in the Conference budget annually equal to an amount of one percent (1%) of the total salaries and utilities paid to all pastors and associates of the Conference based upon the Conference Journal figures for the year preceding the year in which the budget request is made to the Annual Conference. This budgeted amount will be apportioned to charges on the same basis as all other Conference budget items, and this amount shall become part of the Fund.

B. Minister Contributions - Each minister in a pastoral appointment who participates in the Fund shall be assessed and pay into the Fund on an after-tax basis one percent (1%) of all salary and utility allowances he or she receives each year from the charge he or she is serving and/or Conference sources. Each member of the Fund shall submit payment for the required assessment no later than January 31 of each year. Assessments received after January 31 will be returned to the minister. If he or she has been a member less than ten (10) years, this lack of payment extends the period for one additional year before dividends can be received. If the minister has been a member over ten (10) years, he or she will receive no dividends for the year involving lack of payment. If any member of the Fund fails to pay his or her required assessment for three consecutive years, he or she shall be required to withdraw from membership in the Fund.

VII. Allocation of Dividends After Ten Years of Membership - After ten years of membership, and beginning with the eleventh year, the base benefit to be paid is increased by dividends credited to the members account.

Any funds, including apportionments, assessments, forfeitures and earnings thereon, remaining after benefits have been paid to eligible members for the plan year shall be divided into equal parts and credited to the accounts of those who have been participating members for more than ten years and are not in arrears for the previous year.

VIII. Limitations on Contributions Pursuant to the Internal Revenue Code

A. In General - The contributions for any calendar year allocated to a member's account under Articles VI and VII on behalf of a member under all Qualifying Retirement Plans in which the member participates shall not exceed the lesser of the member's Exclusion Allowance as determined in subsection B of this Article VIII or the member's Limit on Annual Additions as determined in subsection C of this Article VIII. The provisions of this Article VIII are intended to provide the limits on the amount of contributions to this Fund which are excludable from the gross income of the member pursuant to Code sections 403(b)(2) and 415, and shall be interpreted in a manner consistent with those Code sections.

B. Maximum Exclusion Allowance Pursuant to Code Section 403(b)(2) - The member's Exclusion Allowance shall, for any calendar year of the member, be an amount determined under whichever of the following rules (1), (2) or (3) are applicable:

(1) General Rule: Unless paragraph (2) or (3) of this Article VIII.B applies, the member's Exclusion Allowance for the calendar year shall be equal to the excess, if any, of:

(a) The amount determined by multiplying 20% of such member's includible compensation, within the meaning of Code section 403(b)(3), for the most recent 12 months of service ending on the last day of the calendar year by the participants period of service as of the close of such calendar year; over

(b) The aggregate of the amounts which have been contributed by the member's employer, including allocations of base benefits or dividends to a member's accounts pursuant to Articles VI and VII hereof, to Qualifying Retirement Plans for such member, to the extent such contributions were excludable from the gross income of the member for all calendar years ending prior to the calendar year for which the Exclusion Allowance is being determined.

(c) "Qualifying Retirement Plan" as used in this Article VIII shall mean and include:

(i) Any Code section 403(b) plan, but only to the extent that contributions to such plan with respect to the member are vested at the close of the calendar year ending prior to the calendar year for which the Exclusion Allowance is being determined; and

(ii) Any pension plan qualified under Code section 401(a) or 403(a) whether or not contributions with respect to the member are vested.

(d) A member's "period of service" for purposes of paragraph (1) above shall be expressed as a number equal to the member's number of full years of service plus one-twelfth for each one month period of service in addition to his or her full years of service. Part-time service of a member shall be taken into account as the percentage of such service which is equal to the percentage of full-time service served.

(2) Election to Have Exclusion Allowance Determined Under Code Section 415. If a member elects to have his or her Exclusion Allowance determined under the election provided in Code section 415(c)(4)(C), his or her Exclusion Allowance shall be the amount determined under subsection C, and for this purpose, contributions to any other defined contribution plan required to be aggregated with this plan under Code section 415(e)(5) shall be treated as contributions to this plan.

(3) Minimum Contribution Ceiling. The minimum Exclusion Allowance that shall be applicable to any member to a calendar year shall be the lesser of:

(a) Three thousand dollars ($3,000.00) or

(b) The excess of, (i) the amount of includible compensation, within the meaning of Code section 403(b)(3), received by the member for the calendar year, over (ii) any amount contributed to this Fund. In the case of a member performing services outside the United States, the amount described in clause (ii) of the preceding sentence shall be deemed to be zero.

If this paragraph (3) of this Article VIII.B applies, the limitations of Article VIII.C shall be treated as being not less than the limitation determined under this paragraph (3) of this Article VIII.B. This paragraph (3) of this Article VIII.B shall not apply to a member for any calendar year in which the members adjusted gross income (determined separately and without regard to any community property laws) exceeds seventeen thousand dollars ($17,000).

C. Limit on Annual Additions Under Code Section 415 - A member's Limit on Annual Additions shall for any calendar year be an amount equal to the lesser of:

(1) 25% of the member's compensation within the meaning of Code section 415(c)(3) in such calendar year, or

(2) $30,000, or such greater amount as is permitted under Code section 415(c) as adjusted under Code section 415(d)(1)(B).

For purposes of determining a member's Limit on Annual Additions, in the case of a member who has more than 50% control of an employer (a "Controlled Employer") within the meaning of Code section 415(h), contributions to a plan of the Controlled Employer that constitute annual additions (as defined in Code section 415(c)(2)) to the member shall be treated as contributions to this Plan.

Notwithstanding any provision of this Article VIII.C to the contrary, the Limit on Annual Additions of a member who has made an election under Code section 415(c)(4) or Code section 415(c)(7) shall be determined under such Code section and the regulations issued thereunder.

D. Prohibition on Before-Tax Salary Reduction Contributions - Before-tax contributions under a salary reduction agreement shall not be permitted under this Fund.

IX. Death Benefits - When a participating member of the Fund dies, the Treasurer shall pay to his or her designated beneficiary or beneficiaries, otherwise to his or her estate, the full amount of the base benefit payments plus the dividends, if any, added to his or her account. In the event that a minister dies prior to the eleventh year of membership, the designated beneficiary or beneficiaries, or otherwise the estate, shall receive the full amount of the base benefit payments plus the assessments contributed by the participating member. In no case would the beneficiary, beneficiaries or estate receive less at the time of the ministers death than the member's assessments plus simple interest credited annually at the rate of The United Methodist Foundation, Inc., cumulative dividend yield for the most recent four quarters prior to the date of death.

X. Designation of Beneficiary - Each member shall provide the Conference Treasurer the name(s) of the beneficiary or beneficiaries to whom the death benefits described in Article IX are to be paid in the event of death. The designation shall be indicated on a form provided by the Conference Treasurer. A designation shall not be effective unless such form has been duly completed and filed with the Conference Treasurer. In the absence of a designated beneficiary, benefits shall be paid to the member's estate.

XI. Irrevocable Election Regarding Distribution of Funds - Members actively serving must make, prior to attaining age 59 1/2, an irrevocable election to either terminate from the Ministers' Transition Fund beginning with the Annual Conference following the attainment of age 60 or to defer termination from the Fund until retirement, as defined in the *Book of Discipline, 1996*, ¶¶355.1, 355.2a, 355.2b, 355.2c. Such irrevocable election is the responsibility of the member and must be made in writing to the Conference Treasurer by age 59 1/2. Forms can be obtained upon request from the Conference Treasurer. Should the member fail to make the irrevocable election, the member will not terminate from this Fund until retirement.

XII. Payment of Benefits

A. In General - At retirement or early termination from the Fund members who have accrued the same number of years of service credited under the Fund (during the same calendar years) will have exactly the same accrued benefit and will receive exactly the same benefit regardless of their total individual contributions.

(1) Ministers With Less Than Ten (10) Years. A minister who retires or terminates from this Fund with less than ten (10) years credit in the Fund shall be paid in a single lump sum immediately following the session of the Annual Conference at which he or she retires or terminates. The benefit shall be the base benefit as prescribed in the table for retired members under Article VI plus minister contributions.

(2) Ministers With Ten (10) or More Years. A minister who retires or terminates from this Fund with ten (10) or more years credit in the Fund must make an irrevocable election to receive benefit payments under one of the following options. This irrevocable election must be made no later than ninety days prior to the retirement month or month of termination due to early retirement or disability. For either option selected, total benefit payments shall be the base benefit as prescribed in the table plus the dividends credited.

(a) Two payment option: The first payment shall be the cumulative amount which the member has paid in assessments. The second payment shall be the balance in the member's account including accrued dividends and interest and is subject to income tax.

(b) Six payment option. The first payment shall be the cumulative amount which the member has paid in assessments. The remaining payments shall be five equal annual installments of the remaining principal balance and will be subject to income tax. This six payment option shall not be available to a member following attainment of age 70.

All payments under this Fund must be made at least as rapidly as required under section 401(a)(9) of the Code and regulations thereunder.

Under either option, the first payment shall be paid within 15 working days following the adjournment of the Annual Conference following the ministers retirement or termination from the Fund. The second and subsequent payments shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. The second payment will draw simple interest from July 1 to December 31 computed at The United Methodist Foundation, Inc., cumulative dividend yield for the four quarters ending prior to the date on which the minister

terminates or retires. Any remaining payments will draw simple interest annually at the United Methodist Foundation, Inc., cumulative dividend yield for the four most recent quarters prior to the January payment.

In no case would the member receive less at retirement than the member's assessments plus interest computed at the United Methodist Foundation, Inc., average quarterly dividend yield for the four quarters ending September 30 of the year in which the member terminates or retires.

B. Direct Rollovers

(1) This Article XII.B applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the Fund to the contrary that would otherwise limit a distributee's election under this Article XII.B, a distributee may elect at the time and in the manner prescribed by the plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

(2) Definitions:

(a) Eligible rollover distribution: An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code as made applicable by section 403(b)(10) of the Code, and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities).

(b) Eligible retirement plan: An eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, or an annuity contract described in section 403(b) of the Code (including custodial accounts described in section 403(b)(7) of the Code and retirement income accounts described in Section 403(b)(9) of the Code) that accepts the distributee's eligible rollover distribution. However, in the case of an eligible rollover distribution to the surviving spouse, an eligible retirement plan is an individual retirement account or individual retirement annuity.

(c) Distributee: A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in section 414(p) of the Code, are distributees with regard to the interest of the spouse or former spouse.

(d) Direct rollover: A direct rollover is a payment by the plan to the eligible retirement plan specified by the distributee.

XIII. Disability Leave - A minister who is approved for and placed on Disability Leave granted by the Conference may elect to:

B. Be treated the same as a transferring member.

C. Receive benefits the same as a retiring member.

D. Terminate from the Fund and receive all benefits within thirty (30) days following the granting of Disability Leave.

The minister shall notify the Conference Treasurer in writing of his or her choice of option within ten (10) days following the granting of Disability Leave. In no case would the member receive less than the member's assessments plus interest, determined as described in Article IX.

XIV. Leave of Absence - A minister who is approved for and placed on Leave of Absence by the Conference may elect to:

A. Continue as an active member by paying 2% of the Conference Average Compensation while on leave.

B. Be treated the same as a transferring member under Article XVI.

Conference Average Compensation means the Conference Average Compensation as determined annually by the General Board of Pensions.

XV. Less Than Full Time Service - A Conference member who is approved for less than full time service by the Conference may elect to:

A. Continue as an active member for no more than three years by paying 2% of the Conference Average Compensation (within the meaning of Article XIV) while serving less than full time.

B. Withdraw from the Fund according to the provisions of Article XVII.

XVI. Membership Transferring - Any ministerial member who leaves the North Carolina Conference by transfer to another annual conference of The United Methodist Church cannot make any further payment to the Fund. He or she may leave his or her account (including dividends, if any) in the Fund until retirement. If this is done, the benefit under this Fund will be computed as of the date of transfer from the North Carolina Conference with interest determined in the manner described in Article IX, determined from the date of transfer to the date of retirement. If the account is left, and the minister returns to the North Carolina Conference, he or she may reinstate his or her payments and dividend earnings, effective at the time of transfer back into this Conference.

XVII.Withdrawing From The Fund Prior to Retirement - If a member desires to withdraw from the Fund prior to retirement, upon a written request to the Conference Treasurer, he or she shall receive the amount he or she has paid into the Fund, plus interest determined in the manner described in Article IX each year he or she was participating in the Fund. Amounts in the members account in excess of the amount determined under the preceding sentence shall be forfeited and reallocated as dividends for the year of forfeiture pursuant to Article VII.

Each member whose membership is terminated in the Fund in any way will provide the Conference Treasurer with a statement indicating that he or she has received the funds for which he or she is eligible, and that he or she is no longer a member of the Fund. Any minister leaving the North Carolina Conference to join another denomination other than The United Methodist Church will be required to withdraw from the Fund and payment will be made to the minister according to the formula set forth in the first paragraph of this Article XVII.

XVIII.Reinstatement - A member who has withdrawn from the Fund may not be reinstated, but is required to begin anew as though he or she were a new member. A minister shall not be permitted to rejoin the Fund more than two (2) times during his or her ministerial career.

XIX. Hearing Committee

A. The Committee - A Hearing Committee consisting of the Board of Pensions Executive Committee, Conference Treasurer, Director of Ministerial Relations, Conference Controller, and the Conference Insurance Group Administrator shall have authority to act on behalf of the Board of Pensions between Annual Conference sessions concerning matters that relate to, but are not specifically covered by, this constitution of the Ministers' Transition Fund. The Plan Administrator for the Fund for other plan administrative matters and matters delegated by the Hearing Committee shall be the Conference Insurance Group Administrator. Determinations by the Hearing Committee, the Board of Pensions or the Plan Administrator shall be conclusive and binding on all persons and shall be afforded the maximum deference permitted by law.

B. Claims Procedure - If a claim is wholly or partially denied, the Hearing Committee shall furnish the member or beneficiary with written notice of the denial within sixty (60) days of the date the original claim was filed. This notice of denial shall provide:

(1) The specific reason or reasons for denial;

(2) Provide specific reference to pertinent plan provisions on which denial is based;

(3) A description of any additional information needed to perfect the claim and an explanation of why such information is necessary; and

(4) An explanation of the plans claim procedure.

The member or beneficiary shall have sixty (60) days from receipt of denial notice in which to make written application for review by the Hearing Committee. The Hearing Committee shall issue a decision on such review within sixty (60) days after receipt of an application for review as provided in the preceding sentence. Such decision on review shall be made in writing and shall include specific reasons for the decision written in a manner calculated to be understood by the claimant. All decisions and denials of claims by the Hearing Committee shall be afforded the maximum deference permitted by law.

XX. New Rules and Constitutional Provisions - The rules and guidelines of this constitution supersede all previous Conference legislation regulating this Fund. The Annual Conference, at any time or from time to time, may amend any or all of the provisions of this constitution without the consent of individual members of the Fund. No amendment shall have the effect of modifying any benefit election of any member in effect at the time of such amendment.

The Annual Conference established this Fund with the intent that it will be maintained for an indefinite period of time. However, the Annual Conference reserves the right to terminate the Fund, in whole or in part, at any time. No amendment, modification or termination of the Fund shall adversely affect the members benefits accrued for his or her retirement at the time of termination of the Fund.

XXI. Miscellaneous Provisions

A. Prohibition Against Diversion - Subject to Code section 414(p), there shall be no diversion of any portion of the assets of the plan other than for the exclusive benefit of members and their beneficiaries.

B. Delegation of Authority - The Board of Pensions, Conference Treasurer and the Hearing Committee may authorize any agent or agents to carry out their duties, and may employ such counsel, auditors, and other specialists and such clerical, actuarial and other services as it may require in carrying out the provisions of the Fund.

C. Notification of Mailing Address - Each member and other person entitled to benefits hereunder shall from time to time file with the Conference, in writing, such persons post office address and change of post office address. Any check representing any payment due hereunder, and any communication forwarded to a member of beneficiary at the last known address as indicated by the records of the Conference shall constitute adequate payment to such person and be binding on such person for all purposes of the plan. The Conference, Board of Pensions, Conference Treasurer and Hearing Committee shall not be under any obligation to search for or ascertain the whereabouts of any such person.

D. Unclaimed Benefits - If any benefits payable to, or on behalf of, a member are not claimed within a reasonable period of time from the date of entitlement, as determined by the Hearing Committee, and if the member cannot be located at his or her last provided mailing address, such member shall be presumed dead and the post-death benefits, if any, under this plan shall be paid to his or her beneficiary if he or she is then living and can be located. If the members beneficiary is not then living or cannot be located, or if no beneficiary was effectively named, the member's account shall be forfeited and treated as dividends pursuant to Article VII.

E. Facility of Payment - Whenever, in the Hearing Committees opinion, a person entitled to receive any payment of a benefit under the plan is under a legal disability or is incapacitated in any way so as to be unable to manage such person's financial affairs, the Hearing Committee may, to the extend permitted by law, make payments directly to the person, to the person's legal representative, or to a relative or friend of the person to be used exclusively for such person's benefit, or apply any such payment for the benefit of the person in such manner as the Hearing Committee deems advisable. Any benefit payment (or installment thereof) made in accordance with the provisions of this shall completely discharge the obligation for making such payment under the plan.

F. Commingling of Assets - The assets of the Fund may be commingled in a common fund made up of such accounts or in a common fund with other amounts exclusively devoted to church purposes, provided that the part of such fund which equitably belongs to the plan shall be separately accounted for and cannot be used for or diverted to purposes other than for the exclusive benefit of employees and their beneficiaries. The reasonable costs of administering an account may be charged against the account. Such costs may include the reasonable costs of administering a retirement income program of which the account is a part, including costs associated with informing employees and employers of the availability of the program.

G. Governing Law - This plan shall be administered, and its validity, construction, and all rights hereunder shall be governed by the *Book of Discipline* of The United Methodist Church, and by the laws of the State of North Carolina to the extent not in conflict with such *Book of Discipline*. If any provisions of the plan shall be held invalid or unenforceable, the remaining provisions hereof shall continue to be fully effective.

H. Limitations on Liability - The Conference, Conference Treasurer, Board of Pensions and members of the Hearing Committee shall not be liable to any person or entity for any of their acts carried out hereunder in good faith and based upon the information available at the time.

PERU COVENANT, TASK FORCE ON

For eight years now, since 1989, the NC Conference has shared a covenant of mutuality with our brothers and sisters of the Methodist Church of Peru. This is a unique mission relationship, and one which has caught the attention of other annual conferences across the US. For example, in the past year, the Florida Conference consulted with our Peru Task Force regarding the initiation of a like mission covenant with the Methodist Church in Cuba.

Such a covenant of mutuality acknowledges that there is hardly any place on the face of this planet where the name of Christ has not been proclaimed. Part of Western Christianity's history of missions is the reality that the Gospel was introduced exclusively within a framework of Western cultural patterns and presuppositions. While there is a sense in which this was obviously to be expected, unfortunately, missions was almost exclusively viewed as one way, and therefore, was highly paternalistic and colonial. There was for the most part infrequent consideration of the fact that the Gospel should be given freedom to take shape within another people's own particular cultural context. In post-modernity, however, on a planet whose inhabitants live in extreme interdependence, and where the Gospel is globally known and proclaimed, Christian mission can only be understood within relationships of mutual covenant. The NC/Peru Covenant is an exciting model for this new understanding.

As clergy and lay persons from our respective conferences have journeyed north and south exchanging visits, we have learned much from one another. We have shared common hopes, entered into each other's struggles of faith, have engaged frequently in worship and Bible study, have visited among numerous congregations and districts, and have exchanged spiritual insights. We have shared one another's joys and burdens. We have watched over one another in love.

One thing that contributed greatly to the sealing of this relationship of mutual love and faith was the willingness for persons from our local NC congregations to visit Peru during times of great political, social and economic crisis. Even as this report is being written, hostages continue to be held within the Japanese ambassador's residence in Lima by members of the terrorist group Tupac Amaru This event brings back to the people of Peru horrible memories of some 12 years of terrorist activity by both Marxist and Maoist groups; it was a time of war which took over 15,000 lives and wreaked havoc upon all of Peru. During these years, clergy and lay people from NC risked visiting our brothers and sisters of the Peru church, desiring to accompany them in a very difficult and tragic time.

Since last Annual Conference, three groups from NC have visited Peru and several members of the Iglesia Metodista del Peru have visited among NC churches. One such group to visit Peru was from the Duke Divinity School as part of an ongoing relationship between our seminary in Lima and Duke. We anticipate several visitation groups and work teams to Peru in the months ahead and continue to discover ways for local congregations to be involved in this ever growing relationship of mutual love and faith between Methodists of very different economic and cultural contexts. May God continue to bless our covenant and may this covenant continue to be a means of Christ's real presence for all of us.

The Peru Covenant Task Force recommends to the 1997 Annual Conference that the covenant statement passed by previous Annual Conference sessions be reaffirmed once again. It reads as follows:

> We, the members of the NC Annual Conference of The United Methodist Church, in session June 1997, hereby affirm our covenant in Christ with our sisters and brothers of the Iglesia Metodista del Peru. As an expression of that covenant bond, we will call upon the cabinet and agencies of this Annual Conference to encourage and lead the Annual Conference, districts, and local congregations to enter into a covenant relationship with the Iglesia Metodista del Peru, for prayer and other forms of mutual support, engagements, and communication as determined by and agreed upon by the communities of faith entering into such a covenant of mutuality.

RESOLUTIONS

CONFERENCE INSURANCE COVERAGE OF PARTIAL-BIRTH ABORTION

WHEREAS, the baptismal vows of The United Methodist Church include: renunciation of "the spiritual forces of wickedness." rejection of "the evil powers of this world," and acceptance of "the freedom and power God gives (us) to resist evil, injustice, and oppression in whatever forms they present themselves" (The Baptismal Covenants I, II, and IV from *The United Methodist Hymnal*);

WHEREAS, The United Methodist Church's resistance to evil, injustice, and oppression, in the power of the Holy Spirit, begins in the Church's life;

WHEREAS, partial-birth abortion (or intact-dilation-and extraction abortion) is an evil, unjust, and oppressive act;

THEREFORE BE IT RESOLVED, that the North Carolina Annual Conference of The United Methodist Church, out of faithfulness to the Church's baptismal vows, hereby declares that, beginning July 1, 1997, the Insurance Committee continue not to recommend an insurance plan that will cover the performance of partial-birth abortion except when only this abortion procedure will save the life of a mother.

REMEMBERING OUR PERSECUTED BROTHERS AND SISTERS IN CHRIST

WHEREAS, the Church is instructed to "remember those who are in prison, as though in prison with them; and those who are ill-treated, since you also are in the body." (Hebrews 13:3, RSV);

WHEREAS, the Church in China, which has experienced phenomenal evangelism and growth, continues to endure regular hardship and persecution. Indeed, up to one hundred million Chinese Christians risk their lives daily in order to worship God in Christ;

WHEREAS, the United States government, because of economic interests, is extremely reluctant to stand against the persecution of Chinese Christians.

THEREFORE BE IT RESOLVED, that:

1) The North Carolina Annual Conference of The United Methodist Church denounces the persecution of Christians around the world;
2) The North Carolina Annual Conference urges the White House and the Congress to apply pressure on nations (such as China) that persecute Christian believers.
3) The clergy of the Conference learn about the persecution of Christians around the world so that they can educate their congregations about the same;
4) The clergy of the Conference educate their members that investment in, and purchase of products from, countries that persecute Christians actually empowers rulers to continue to torture, imprison, and murder our brothers and sisters in Christ; and
5) The churches of the Conference pray for Christians suffering under persecution.

CONFERENCE COUNCIL ON MINISTRIES REPORT

ARCHIVES AND HISTORY, COMMISSION ON

The Spring meeting of the Commission and the NC Conference United Methodist Historical Society was held in New Bern on Saturday, March 30, 1996. The Society met at the Centenary UMC with a wonderful presentation of the churches history and tour by Mrs. Rose Linko followed by lunch at the Harvey Mansion. The Commission meeting was held at the Mansion after lunch. We then toured several historic homes, The Jones House, built in 1808, the Dixon-Stevenson house (c. 1826) and Tryon Palace.

Commission members for the new quadrennium gathered with other Boards and Agencies on Saturday, June 29, 1996 at the St. Paul UMC in Goldsboro to elect our officers for the next four years. Reverend W. Arthur Warren, Jr. of Vass was elected, Chairperson, Dr. Ralph Hardee Rives of Rocky Mount was elected Vice-chairperson and Mrs. Ruby

Locklear of Pembroke was elected Secretary. Later, Mrs. Locklear had to decline the position of Secretary due to family concerns.

Our Fall meeting was on Saturday, October 19, 1996. We gathered with NC Conference Historical Society at the Hollands UMC in Raleigh. We were inspired by the presentation of their history and the tour of their historical records in the Church Library. The Commission and visitors then proceeded to Ryan's Steakhouse, Garner, for lunch followed with our formal meeting.

There are several items that we wish to share with the Conference. Anyone who can assist with the placement of *The Lumbee Methodist: Getting To Know Them* in our Public School Libraries, please contact Mrs. Evelyn Lane at the United Methodist Building. We have some copies available as a gift for this purpose and would appreciate any contributions to assist with this process. Books are still available at $8.95 for purchase. Dr. Ralph H. Rives has expressed concern about the care of Methodist Cemeteries that are no longer connected to an active congregation. If you know of such a situation where proper maintenance is not provided, please contact the commission. The Commission will continue to study our current and future needs for the proper storage and maintenance of the Conference Archives. We appreciate those Districts which have had recent training events for Church Historians and encourage others to contact us for assistance in providing training and encouragement to the local church. We wish to thank the Reverend Frank Grill, Conference Historian, for his work and his availability as a resource person.

We encourage everyone to be active in our Conference Historical Society. Annual dues are $7 and may be mailed to John Mitchell, 622 Wimbleton Dr., Raleigh, NC 27609.

The SEJ Historical Society meeting was held July 9-12, 1996 at the Life Enrichment Center, Leesburg, FL. The theme was: "Florida Methodism: Roots and Routes." One of the presentations was presented by Bishop Robert M. Blackburn, retired, entitled "Linked Lives." Our Conference was represented by Reverend & Mrs. C. Maness Mitchell, John Mitchell, and Reverend & Mrs. Lawrence Lugar.

We celebrate with all of our Churches their rich heritage and their desire to preserve and share that heritage. Please continue to send any new histories and updated information to the Conference Archives at the UM Building in Raleigh.

CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS, COMMISSION ON

The Commission on Christian Unity seeks to give witness to the unity in Christ which is a gift of the Holy Spirit to all Christians. This year our priorities have been in several areas: 1) member training to lead ecumenical work in local areas, 2) continuing dialogue with other denominational bodies, 3) exploring new areas as for discussions on Christina Unity, 4) recognizing significant ecumenical endeavors on the local level.

Our fall meeting was a joint service and training event with the Roman Catholic Commission on Christian Unity. Our own Bishop Edwards and Bishop Gossman of the Raleigh Diocese joined us for a day of gleaning sweet potatoes for Society of Saint Andrew in Newton Grove. After a morning's work in the fields, our group returned to Our Lady of Guadalupe Catholic Church for a luncheon and a joint training session for local district and parish leaders desiring to be involved in ecumenical witness. The group has greatly profited from our time together. We are planning to continue our relationship by holding our fall meeting together in a retreat setting, focusing on ways we can worship together.

Representatives from the Commission have attended various bilateral dialogues and events: we have had representation at a forum on Pentecostalism, at the Eastern LARC Conference (Lutherans, Anglicans, Roman Catholics), at the Methodist-Episcopal Dialogue, which is the only state-wide organization of its kind, and at the National Workshop on Christian Unity. Conversations are also beginning with officials at Hood Theological Seminary (an AME seminary in Salisbury) to begin studying the possibilities and concerns of a Pan-Methodist ecumenical witness, as called for at the 1996 General Conference.

At the 1996 Annual Conference we recognized two groups who were doing significant ecumenical work: Ahoskie United Methodist Church and Newton-Grove Ministerial Association. It will again be a pleasure this year to recognize a local congregation involved in ecumenical witness. A small cash award will accompany this recognition to give encouragement to further the expression of Christian unity in this community.

John records that Jesus prayed for his followers "that they may be one." The Commission on Christian Unity seeks to give witness to the faithful expression of the unity Christ gives to the church for the upbuilding of believers and the spreading of the gospel to all people.

CHURCH AND SOCIETY, COMMISSION ON

This year the Commission's attention has focused on issues concerning blind greed: how society and sometimes the church itself is bent on worshiping things rather than God.

We had the pleasure of holding our spring meeting at the North Carolina Correctional Institute for Women. The Commission continues to support emerging needs such as the Jones County Habitat for Humanity ministry and battered women's shelters. Increasingly, the Commission seeks out and lifts up those ministries that are working with the poor and oppressed, the marginalized and the disenfranchised. Ministries to the homeless, to children with special needs and to the elderly in our Annual Conference have been strengthened by the participation of this commission. Strong encouragement has been given to the support of ministries to and with the mentally ill. The commission continues to promote local church observances of Peace with Justice Sunday and offers resource help in interpretation of this special Sunday in the life of our denomination.

The Commission was distressed that there was no nominee in 1996 for the Prophetic Ministry Award started by Jack and Kay Crum but is encouraged by the anticipation of receiving nominations for 1997. It would be a sad day in our Conference if we no longer had any Isaiahs or Jeremiahs pushing us toward the better angels of souls.

COMMUNICATIONS, COMMISSION ON

The Communications Commission of the NC Annual Conference is a work serving you and our Lord nearly 365 days a year. Our work is accomplished through individual commission members and the Communications office at the Methodist Building. Bill Norton is the Associate Director of Communications and Stewardship and provides vital ministry to us all.

Monthly local churches receive *Connectings*, the coordinated mailing of our Conference. With this our churches receive updated information about conference events, programs and opportunities for ministry. The Commission works with the Methodist Board of Publication to support the ministry of the *North Carolina Christian Advocate*.

The Communications office provides news releases and photos to the media for almost everything pertaining to conferences work and ministry. During and after the storms of this past Summer we provided articles, photos and videos to help interpret the devastation. The conferences' world wide web site was active during and after Fran. Those who logged on could "see" the effects of the storm almost as it was happening.

Annually, 45,000 copies of the Mission and Service Commitments budget paper is published and distributed. With this tool, each local church is given a detailed explanation of the conference budget. This paper helps our churches interpret the connected nature of our ministry: a ministry of individuals and churches working within the US and the world.

During General and Jurisdictional Conferences Bill Norton made daily, up to the minute, reports and news releases. He reported from the floor as episcopal elections were taking place. This information was also posted on the conference web site. During annual conference you may stop by the NC Annual Conference Web Site display or you may log on anytime at http://www.nccumc.org. Dr. Jerome Smith chairs the Web Site Taskforce of the Communications Commission. The Commission and Bill Norton always welcome requests to assist local churches in the purchase of computers, software or other communication needs.

Hopefully the entire conference is awre of the wonderful Christian education resource we have in the Media Center at the Methodist Building. This ongoing ministry of the Communciations Commission provides nearly 1000 titles of video resources. Over 200 member churches are benefitting from these materials. We added 70 new resources this past year. Membership is simple. Call 1-800-849-4433 and ask for Laura Bailey. She will assist as you plan from Advent through Thanksgiving!

If you have any suggestions to better communications, give us a call.

George D. Speake, *Chairperson*

CONGREGATIONAL DEVELOPMENT, COMMISSION ON

The Commission on Congregational Development continues to embrace the scope of work placed before us by the Annual Conference. The *Into the 21st Century Report* affirmed the need to start a number of new congregations each year to equal 1% of the total charges in the Conference. That translates to the challenging goal of six new congregations per year!

In 1996, three new congregations were started. They are: Disciple UMC in the Morrisville-Carpenter Area; Hope UMC in Wilmington; and Sunrise UMC in Holly Springs.

All three churches are guided by committed pastors who are seeing the Holy Spirit bless their ministries in extraordinary ways!

The work of Congregational Development is divided into three major categories: **I. New Church, II. Redevelopment, and III. Churches of Small Membership.**

I. New Church

A. **Leadership -** The first priority in successfully starting a new congregation is the appointment of a pastor who possesses the skills, experiences, and call that are needed for this unique and demanding ministry.

1. A search has been undertaken to discover pastors who would wish to be considered for such an appointment. A number of pastors are currently enrolled in a new church leadership identification group.
2. Several pastors from our Conference attended the Duke National Institute for New Church Development in the summer of 1996 and will continue through the second phase of the Institute in the fall of 1997. The idea is to develop a cadre of pastors who are willing and trained, from which appointments to new congregational development could be made.

B. **Location** - A number of communities and locales across the Conference are being identified as likely sites for new churches.

1. The Percept Program continues to provide demographic profiles of the locales around the Conference that show sufficient numbers of under-served, unchurched people that would require a new church mission.
2. Five locations were recommended to the Bishop and Cabinet as offering excellent opportunities to reach unchurched persons for Christ in 1997. Extensive study has illustrated the viability of these locations. A number of other locations in the Conference are on a priority list and studies are being carried out in these areas.

C. Funding

1. The Emerging Church Salary Support Fund is currently providing partial compensation for the pastors of new congregations.
2. Ten Dollar Club members were again invited to purchase multiple shares of $10 each.
3. The Commission on Congregational Development is presently developing a plan to raise Endowed Funds among interested individuals for the purpose of sustaining the work of new church development into the next millennium.

II. Redevelopment

A. On average, about 100 churches are assisted each year by the Office of Congregational Development with workshops, consultations, and small grants.

B. In 1996-1997, eight urban Wilmington churches are engaged in a pilot "Re-Visioning" project aimed at clarifying their future roles and missions in the community.

III. Churches of Small Membership

A. The Office of Congregational Development assists small membership churches and cooperative parish ministries each year.

B. In 1996, a comprehensive study was made of small membership churches and its results were shared with Bishop Edwards and cabinet members. Resulting recommendations are being considered by a cabinet task force led by Dr. Sid Huggins.

The work of the Commission on Congregational Development is to support the establishment of new communities of faith across our Conference whose core commitment is to welcome new persons into the Church of Jesus Christ and equip them to become mature disciples. We are grateful to participate in this sacred ministry.

David E. Brownlee, *Chairperson*

DISASTER PREPAREDNESS, COMMITTEE ON

In 1996 the Committee on Disaster Preparedness was put to the test as to just how well prepared the NC Conference was to face a disaster. In the Spring of the year, we were put to the test by a tornado in Zebulon. And just as the people were starting to get their lives back, Hurricane Bertha hit the New Bern and Wilmington Districts full force. A Hurricane in July is a rarity for Eastern NC. UMCOR responded to a call from the conference committee and brought in cleaning supplies and generators. The Disaster office was set up in the Queen's Creek Church in Hubert and we responded to more than 300 calls for help. Seven weeks later, when the Committee was about to move into the recovery stage of relief and help people repair their homes, Hurricane Fran hit 52 of the 56 counties of the conference. This time the Committee responded by asking the UMCOR

Catastrophic Disaster Response Team to come in and help us respond to our whole conference area. Our new Bishop of five days responded to the call for help, and recovery from Hurricane Fran became a priority for our conference. The Queen's Creek Church office again became the headquarters for the conference with a full-time Director and staff being hired. Satellite offices were established in Raleigh, Goldsboro and Wilmington. A Phone bank with an 800 number was set up in Hubert and more than 5,000 calls for help were received. We welcomed more than 200 volunteer work teams from across the nation. A supply Depot was set up in Clinton to receive and distribute food, cleaning and building supplies.

Credit for the success of the conference disaster response goes to the churches and the laity of the NC Conference. In every local community, people who were also victims of the storm rallied to help their neighbors. Neighborhood cookouts were held to get rid of food in freezers where there was no power. Chainsaw crews were developed to respond to those who needed trees cut down and debris removed. Roofs were patched with tarps and broken houses stabilized by individuals reaching out to help. Food, shelters, and beds were provided by churches where doors were opened in the name of Christian love. We cannot count the hours of labor, or comprehend the level of the work that has been done.

The Committee on Disaster Preparedness can only say to the people of NC, "Thank you for responding and showing true Christian love!" There is still a lot of work to be done and help is still needed as we seek to meet human needs. Yes, The NC Conference is prepared to respond to a disaster and out of Christian love we will continue to work until the last blue tarp is gone. Thank you for helping!

EDUCATION, COMMISSION ON

We opened our fall retreat with a question, "Are we called to be a beautiful bouquet or a packet of seeds ready for planting?" We seek to be both!!! Celebrating measurable visible successes of the past and the present, we are also aware of sprouting ministries and possibilities for new field preparation and planting.

The "District Director of Christian Education" ministry currently being modelled in the pilot district, Elizabeth City, has energized and brought renewed vitality to Christian nurturing. District-wide training workshops, affirmation events and spiritual life retreats are growing in popularity as persons experience life beyond the local congregation in community within our connection. Local churches are benefitting by tailor-made workshops and resourcing resulting from one on one consultations and follow up sessions. The original goal of the DDCE position was to equip and to resource the membership of local congregations in a close to home setting. We celebrate that seeds are blooming in the Elizabeth City District and are creating new avenues for ministry!

The Burlington District has effectively modelled a funding package, from a variety of sources, for the position of District Director of Christian Education (DDCE). The resourcefulness of the Burlington District to fund this position is to be commended. The Greenville and New Bern Districts are well on their way to establishing similar DDCE positions during 1997 with Goldsboro looking toward 1998.

Conference-wide leadership training and nurture events continue to be held for older adults, adults, youth and singles with a new event for "day care workers" to be held on September 27, 1997 at Asbury UMC, Raleigh. Our "older adult" task force has developed a "leader's guide" for use on a district or local church level for this vibrant area of ministry. Financially, our conference youth ministries have grown in stability and will be their own "line item" in the 1998 NC Conference budget, rather than under the financial auspices of the Commission on Education. An "Award for Excellence in Christian Education" to uplift innovative ministries within our Conference has been established by the Christian Educators Fellowship (CEF) and the Commission on Education. In response to General Conference, the commission is exploring and seeking to develop ministries with "young people" and in response to the "Bishop's Initiative on Children and Poverty."

While remaining focused on our goal to equip, resource and to encourage Christian education and nurture throughout our Annual Conference; we seek diversification and localized resourcing in order to meet needs. We look forward to continued growth and gardening potential as we draw guidance from the "Master Gardener" as our source and strength.

Elaine A. Lilliston, *Chairperson*

ETHNIC LOCAL CHURCH CONCERNS, COMMITTEE ON

This is my first report as chairperson of the Ethnic Local Church Concerns Committee. It is an honor and a privilege to have been appointed together with a group of sisters and brothers, especially when we have planned and are working for this new quadrennium. We all want to thank our new Bishop Marion M. Edwards, the Cabinet, the Conference Council on Ministries, the Council Program Staff, especially Dr. Jimmy F. Cummings, as well as the clergy and laity in our Annual Conference. We value the support that has helped us to grow, to bear fruit, to reflect very deeply and to try to respond to the challenges of the present time.

The Committee is working very hard to find appropriate content and methodology to meet the Ethnic Local Church Concerns 1997 - 2000 goals: (1) Strengthening the Black Church for the 21st Century, (2) Supporting the National Plan for Hispanic Ministries, (3) Supporting the Native American Comprehensive Plan, (4) Asian American Language Ministry Study, and (5) Strengthening Korean Ministry.

"The racial/ethnic populations in the United States have increased dramatically. In the ten year period between 1980 and 1990, the US population grew by 23 million persons, from 227 million to nearly 250 million - an increase of 9.9%. Over two-thirds (2/3) of this growth (15.2 million) was by racial/ethnic group populations." The percent increase of African American was 11%, of Asian American 90%, of Hispanic American 57%, of Native American 30%, of White American 0.9%. This of course is becoming a "symphony of cultures" and an invitation to go very deeply in experiences of *Racial Inclusiveness.*

Today we have even more data for the state of North Carolina: Black, Asian, Hispanic, Native American figures are increasing. Where are we going from here?

Our Bishop has appointed a task force to work on the Hispanic Ministries. We are very much concerned about continuing to develop ministry with the diverse, multicultural mix of our Annual Conference's constituency in particular and of all people in general. We continue to struggle to find ways to eradicate racism and oppression not only in our churches but in our society where we have been sent to be "light and salt."

We continue to be challenged by the mandate: TO STRENGTHEN THE ETHNIC LOCAL CHURCH FOR THE 21ST CENTURY. And we continue to work on:

"A Christ-centered, Biblically-based Approach to Ministry" - Local church should be the center of concern - the daily workshop

"Congregation to Congregations" - Learning teams for empowerment - (Lay and Clergy)

"A Missional Statement of Purpose" - Prophetic Passion, Conviction, Investment, Mission and Vision

"Structure Our Program" - Christian Education, Evangelism, Hospitality, Mission and Outreach, Youth and Children and above all *accountability to God and to my neighbor*

"Interpretation and Advocacy"

At every level in our Annual Conference, Ministry and Mission Equipping Teams stand ready to assist any group seeking to understand the *Comprehensive Plan*, and we continue to be open for suggestions and more input.

Luis F. Reinoso, *Chairperson*

EVANGELISM, COMMISSION ON

The 1996/97 Conference year continued the major program emphasis of Vision 2000. The Windows to the Future Event was held at Annual Conference featuring Dr. Leonard Sweet and Reverend Jessica Moffatt. Transformation 2000 was held at Haymount UMC in Fayetteville in November and provided excellent training for clergy and laity across the Conference. The Youth continued with Pilgrimage, a program inspired by Vision 2000 and one of the great success stories in youth ministry anywhere. The 1996 event drew over 2,000 youth for the two-day retreat. As we move into the 1997/98 year the emphasis for Vision 2000 will be Missions to Children.

The Commission celebrates the many churches where Professions of Faith are happening. Evangelism teams trained in Spring of 1996 have been sent to local churches to help plan comprehensive strategies for making Disciples. Churches such as Asbury in Washington (11 Professions of Faith) proved that churches of small membership can be effective in reaching people for Christ. The new churches begun under the Office of Congregational Development reached the unchurched and were led by Harbor in Wilmington (with 94 Professions of Faith). Training was also given for ministers serving their first appointments. The Commission continues to be devoted to faith sharing in churches of all types. We are seeking to make Disciples through every local church.

Ecwood C. (Eckie) Lancaster, *Chairperson*

HEALTH AND HUMAN SERVICES, COMMISSION ON

"Beloved, I pray that all may go well with you and that you may be in good health, just as it is well with your soul." (3 John, v. 2 NRSV).

This verse has been the "banner" under which the Commission on Health & Human Services has Sought to fulfill our mission with the Body of Christ. We as a commission believe that physical and spiritual health are interconnected, and cannot be separated. God created us to be physical and spiritual beings. Therefore it is our joy to be able to minister in the name of Jesus Christ to the entire person body and spirit.

There are many ways through which this commission has sought to bring the good news of holistic health in Jesus Christ to God's children.

The Methodist Retirement home has worked diligently to provide health care and outstanding housing to the elderly members of our society. We are grateful to Dr. Reginald Ponder for his loving and effective leadership. A new architect and a new contractor have been brought on board to supervise the constructor of Croasdaile Village in Durham. Upon the completion of bond financing construction at Croasdaile will begin. We are excited about this tremendous step forward at Methodist Retirement Homes. We on the Commission of Health and Human Services wish the Reverend Paul Bunn a blessed retirement. Paul, who retired on February 28, 1997, has effectively served as the director of the Wesley Pines facility.

MHC Child and Family Services is in the midst of change. The Reverend Dr. Rufus Stark, President of MHC Child and Family Services is retiring after 14 years of faithful and effective service. Dr. Stark has led the MHC Child & Family Services organization through a time of unprecedented growth. During Dr. Stark's tenure as president MHC moved from an emphasis on campus based ministry to a family based ministry that offers "cutting edge" services to the children and families of North Carolina. During the 1995/96 operating year MHC served 1,159 children and 1,012 adults from 700 families, including 589 children in out of home care. We wish Dr. Stark and his wife, Betty Lou, God's richest blessing as they move into a new phase of life.

Asbury Homes, our ministry to people with mentally handicapping conditions has enjoyed a year of milestones and outstanding ministry. In 1996 our first group home - Goremont, in Tabor City - was opened. Under the effective leadership of Robert Kinser, Goremont is an effective and financially self supporting ministry. We applaud Tom Walden and the Abury Home Board of Directors for their faithful work.

Golden Cross, under the leadership of the Reverend Richard Vaughan, continues to be a vitally important part of our ministry, which offers financial assistance to the United Methodists experiencing extreme difficulty paying medical bills.

Thanks to the outstanding leadership given by Commission Member Sue Kiryluk, our parish nurse program is blossoming. Sue organized a training seminar that was very well attended. Sue and the parish nurse program were the subjects of a feature article in the Friday, August 16, 1996 edition of the "Faith" section of the Raleigh News & Observer.

The Duke Chaplaincy program under the direction of the Reverend Jim Rawlings Jr., offers pastoral care to United Methodist patients at Duke Medical Center. If a pastor is unable to be with a parishioner or senses a parishioner's need for increased pastoral care while at Duke Jim's program can offer effective care. This ministry is direct outreach in the name of Christ to people in need.

The Health Screening at the 1996 session of Annual Conference was a success. Over 400 people "Got Stuck" at Annual Conference. The screening, which is funded by the Insurance Committee offers preventative care to members of the Annual Conference. Thanks to this ministry severe health problems have been averted in the lives of North Carolina United Methodists.

General Conference has given us the opportunity to grow in our sensitivity to those with handicapping conditions through the observance of Disability Awareness Sunday. The special Sunday shall be observed on Sunday, October 26, 1997. Copies of a suggested Disability Awareness Sunday service are available at the Conference Program Director's office.

Our heartfelt gratitude goes to Dr. Robert Baldridge for his effective and dedicated service as the Conference Council on Ministries Executive Director. Bob has been an inspiration and a faithful supporter of our work. We wish Bob and Janice God's blessings as they move into a retired relationship with the Annual Conference. At the same time we joyfully welcome the Reverend Hope Morgan Ward to the position of Executive Director.

I am grateful to God for the ministry being done through the Commission on Health and Human Services. In the spirit of Saint John I pray that all may go well with you and that you may be in good health, just as it is well with your soul.

The Asbury Homes, Inc.

The year 1996 became a banner year for Asbury Homes, Inc. It was in this year that the agency finally realized its goal of providing residential alternatives for adults with mental retardation.

When the proposal was made to create the not for profit corporation in 1992, little did we realize that the State of NC was about to make such a drastic funding reduction for community residential services as it did. The state choose to let agencies seek federal funding under the state's Medicaid Waiver plan and thus reduce the dollars the state would spend to provide residential alternatives.

Fortunately, the United Methodist Retirement Home Corporation, a sister agency of the North Carolina annual conference, had a home in Tabor City that they were not currently using. The Asbury Homes, Inc. Board proposed to Dr. Reginald W. Ponder that this home, known as Goremont, be made available to Asbury Homes, Inc. to be used as our first Group Home.

The Retirement Home Board agreed and a rental contract was developed by which Asbury Homes, Inc. could begin to develop its program.

It always takes longer to put a home for persons with mental retardation into operation than is originally anticipated. We held an open house in June, a week before the opening of the 1996 annual conference and hosted some two hundred persons; parents, family members, people from the community and Methodists from various churches in the area.

Then, on July 31st, Asbury Homes, Inc. opened its doors at Goremont and admitted its first residents.

The Saint Paul United Methodist Church has provided a Sunday School Class for the residents of Goremont and other adults with mental retardation. The congregation have warmly received the Goremont residents and sought to make them feel accepted and loved.

The Asbury Homes, Inc. Board is currently looking at various areas in the conference where it might develop another home. If your church has property that it would consider making available for a home for adults with mental retardation, please contact Tom Walden at 919-554- 1284 or Bob Pitzer at SEMAR at 1-800-527-3627.

Golden Cross

The Golden Cross ministry is one means by which our Conference reaches out in love to the laity in our Conference who are experiencing difficulty in meeting the demands of excessive medical expenses. Through Golden Cross we United Methodists care for members of our local church families in times of great emotional stress and financial need.

1996 was a good year for Golden Cross. Once again, we received an "avalanche"of requests. During 1996 we assisted 25 families from 11 of the 12 Districts in our Conference. We had $26,876 budgeted for 1996, and we "promised" $22,143.76. In fact, for the fist time in several years we did not exhaust our funds! However, our financial situation is always tight, so if your church chooses to take a special offering for Golden Cross, please send it to Golden Cross, c/o Caroline Buckland, PO Box 10955, Raleigh, NC 27605.

In closing, please remember that as you encounter those in need of financial assistance to help meet medical expenses that Golden Cross is a special ministry. Encourage them to contact their pastor for additional information and an application form. With God's help, and your generosity, we will meet every eligible request with the funds we have. In the pasts, we United Methodists in the NC Annual Conference have been most gracious in making these funds available to all United Methodists.

The church and its members are grateful for your support in times of extreme need. God bless you.

Methodist Home for Children Child & Family Services

MISSION STATEMENT

Our mission is to encourage and strengthen family systems for the care of children and youth, to the end that the worth of the individual shall be affirmed, families shall be assured, and God shall be served in our time.

It has been 18 years since the 1979 decision by the Methodist Home for Children Trustees and the Annual Conference to leave the campus to become child-specific, family-centered and community-based in all of its services. In the early years of this transition, the agency was establishing its strong record of comprehensive quality services and during that period the emphasis was on program development. High service numbers were not a point of emphasis. Since 1983, however, there has been a steady climb in the numbers of children and families served. That trend has continued in 1995-1996. In fact in 1995-1996 we served a total of 1,159 children and 1,012 adults from 700 families in all our services, including 589 children who were served in out-of-home care.

These service statistics are outstanding, but that is not the entire story. Utilization of services and fiscal condition are at unprecedented levels. Percentage of utilization of services and service capacity was at an all time high. Program staff are keenly aware that services are more affective and efficient when they are fully utilized. Intentionality in this area has yielded results.

The utilization rate, together with efficient assignment of staff, effective negotiation of service contracts and fees for services, and increased contributions has yielded the most successful year ever in terms of MHC fiscal condition. MHC provided 9.5 million dollars worth of services. One million two hundred dollars worth of services were paid for by benevolent contributions. We have learned much from this successful year. While we are encouraged by the results, we are not under any illusion that our present contract funding patterns are permanent. There is great uncertainty as to State and Federal programs and priorities and we remain vigilant as to opportunities for new funding and ways to reduce our expenses.

New Vision of Human Services - Recent attention by the Governor, State Legislature and the Department of Human Resources has been focused on ways to make the delivery of human services more effective and efficient in NC. MHC, as a church related not-for-profit provider, is involved in this discussion. Human services to children and families in distress are delivered in highly compartmentalized systems. Coordination of services is difficult leading to fragmented services and unnecessary placement of children out of home and disruption of families.

Discussions are underway to allow providers of services like MHC to serve a child and family in distress in a comprehensive fashion through the availability of an array of services. At the request of the NC Division of Social Services, we are engaged in drafting a plan that would allow private not-for-profit providers to work in partnership at county level to provide services. Counties on their part will be given more discretion in utilizing State and Federal human service dollars.

Collaborative Style - MHC is well positioned for this discussion. We have developed a broad array of services ranging from helping troubled families in their own home to high management programs for juvenile delinquents. A critical component of success in the managed care environment is to utilize a collaborative style among all staff. This collaboration enables each client (child and/or family) to access the most appropriate response from the array of services provided. Significant work has been done to establish a Process System to accomplish this goal. A Collaborative Client Response Team was formed and tested. The plan is in place and can be implemented when Managed Care contracts demand.

Children and Poverty - MHC Child & Family Services is deeply committed to the Bishop's Initiative to address the problems brought about by the mix of children and poverty. Our experience indicates that family dysfunction is at the heart of the problem of children and poverty. MHC is committed to disseminating models of care that can be used by local churches in successfully ministering to troubled families. The local church is the most readily available community-based service delivery system of any voluntary human association. Effective interaction by local churches with families in distress would have a direct effect on attacking the problem. We are prepared though consultation to assist local churches to develop these kinds of programs.

Related to this initiative, we have developed two family support partnerships under the leadership of MHC, one in Sampson County and one in Hoke County. These programs opened in April and are already making a profound difference in the communities they serve. These programs are done through contracts with the NC Division of Child Development.

Quality Day Care - Child day care is a critical component in addressing the issue of children and poverty, but it is a larger issue. Research indicates that the quality of day care directly effects the health and well being of every child in care. Studies show that inadequate care for children in early childhood while parents work is a major factor in causing social dysfunction.

The data and MHC's experience in providing consultation for child day care development indicates the need for a work place child day care facility which would care for children and provide laboratory training space for day care managers and workers.

Feasibility studies are underway seeking to collaborate with the Annual Conference in locating and sharing this operation.

New Century - In 1999 MHC will celebrate its Centennial. The quality of the work we do has raised demand. The *New Century Campaign* continues to raise 7 million dollars of investment in MHC by 1999. We have presently 2.5 million in gifts and pledges. We invite investment in this ministry.

Leadership Transition - June 30, 1997, I will retire from 14 years of service as President of MHC Child & Family Services. My watch has seen the transformation of campus-based care to community-based services. This transition has proved to be the right decision to meet the needs of children and families in distress.

The decision to make this change in 1979 was one of the most courageous decisions our Annual Conference and the Methodist Orphanage/Methodist Home for Children/MHC Child & Family Services ever made. The proposal, while well researched, was not proven and all parties recognized that we were taking a risk to sell the campus and change our program services. The risk was necessary in order to be faithful to our mission.

Jesus spoke of the grain of wheat: Unless a grain of wheat falls into the earth and dies, it remains just a single grain; but if it dies, it bears much fruit"(John 12:24). In the risk is the promise of the fruit. I will always be inspired by the willingness of the people called Methodist in Eastern NC to risk themselves for hurting children and families.

MHC CHILD & FAMILY SERVICES FEASIBILITY STUDY
REPORT ON ESTABLISHING A MATERNITY HOME FOR ADOLESCENT FEMALES

The NC Conference Task Force on Ministries to Women in Crisis Pregnancies and Their Unborn Children reported to the 1996 session of the NC Annual Conference. In their report the Task Group requested MHC Child & Family Services to study the feasibility of establishing a maternity home.

MHC Child & Family Services has had an interest in this area for many years and has provided residential services to pregnant young women through both its foster care and youth home programs. While neither of these programs is specifically designated as a maternity or adoption program, services can be and are delivered to pregnant adolescent girls. These young women are usually experiencing significant behavioral and/or emotional problems which led to their referral to MHC services. We believe strongly that it is not feasible to operate a maternity program without taking into consideration the behavioral health of the mother as well as the medical needs of both the mother and unborn child. Any residential maternity program needs to have a comprehensive teaching and skills development curriculum, as well as a counseling component, to address the issues of the mother, the father and the involved families. "Sheltering" a young woman during the time of a crisis pregnancy is rarely sufficient unless the medical, emotional, and spiritual needs of the young person can be successfully met.

In 1993, the Youth Home Services Division of MHC began providing training, consultation and program development services to the Christian Life Home in Raleigh. At that time, this organization operated one maternity group home near downtown Raleigh. They sought out MHC to strengthen their clinical program to provide better services to meet the behavioral and emotional needs of their clients. MHC also helped to develop recruitment and hiring protocol for the staff of the maternity home. The ongoing relationship between MHC and the Christian Life Home has been a mutually satisfying experience. MHC has been able to help strengthen the services to the young women in care at the Christian Life Home and MHC has also had the opportunity to participate in and learn from this program and to see a growth in this needed service. In the past year, the Christian Life Home has opened a second maternity group home and has plans underway to increase their services in the future. The former Coordinator of Intake and Aftercare in Youth Home Services now serves as the Assistant Director for the Christian Life Home. We recommend this service.

At the present time, it is not feasible for MHC Child & Family Services to establish a maternity home for adolescent females.

MHC will explore ways of increasing services to this population through its existing programs and explore the feasibility of additional services. MHC will look into ways to support the "Sheltering Church/Home" concept and to providing consultation to church pastors to increase their ability to provide counseling to families and women experiencing crisis pregnancies. Through MHC's Church-Based Consultation service, there may also be opportunities to support local churches in developing ongoing educational programs on sexuality and parenting.

The United Methodist Retirement Homes, Incorporated

As a Christian people, we are a people who focus upon the death and resurrection of Jesus. Those of us who are related to The United Methodist Retirement Homes have experienced a sense of death and resurrection during this conference year. Through it all, it has been our faith in the Risen Christ and the support of the UM people of the NC Annual Conference which have sustained us. On behalf of the Trustees, the residents, and the staff, I thank you for your prayerful support during these difficult days. I am pleased to be able to report that things are better for The United Methodist Retirement Homes.

Last Spring it was necessary to suspend work on the Croasdaile Village Retirement Community in Durham because of a problem with our interim funding and our ability to secure a financially-feasible guaranteed maximum price for the entire project. After a year of intensive effort, a guaranteed maximum price contract has been negotiated and signed with the Can-Do Construction Co., Wilmington, DE, for an amount that is financially feasible. This accomplishment will enable The United Methodist Retirement Homes to secure tax-exempt bond financing for the project pending our reaching 70% pre-sales of the independent living units.

A second major challenge for our ministry has come from a much-publicized lawsuit involving a prominent NC United Methodist who has been a resident at the J. F. Coble Health Care Center in Durham. The issue was complicated significantly in that the family secured video tapes by an illegally-placed camera hidden in the patient's room and submitted these tapes to the public media and to the state and federal regulatory agencies. The staff of the Coble Center has worked diligently to address the concerns of the family as well as the issues raised by the regulatory surveys. As of October 28, 1996, the Coble Health Care Center was found to be in compliance with all regulatory agencies. The staff continues to seek to improve the quality of care provided to all residents.

Tax-exempt bond financing has been secured for the expansion projects at the Cypress Glen Retirement Community. Cypress Glen functions as a separate corporation that is "managed" by The United Methodist Retirement Homes. This arrangement provides legal protection for the bond holders and for UMRH.

The United Methodist Retirement Homes, Incorporated, secured a Certificate of Need to enable it to build a 60-bed nursing home in the Quail Haven property in Pinehurst. We continue to negotiate the possible purchase of this facility which we manage.

Significant staff changes have taken place. Paul Bunn has retired as administrator at Wesley Pines and has been succeeded by Roger W. Parry from Lexington, KY. At the Methodist Retirement Community in Durham, Robert Terrell replaced Paul Alverson as administrator and Jerry Olinger was secured to be the administrator of the Coble Health Care Center. A search is currently underway to secure a person to fill the post of vice-president of operations/chief operating officer.

Your support of the Mother's Day Offering continues to be an important means of funding for our benevolent care. Many residents in our care have need of financial assistance, and many more continue to apply for this care. Each year the demand for these funds increase. We are extremely grateful to the UMs of the NC Annual Conference for their support through the Mother's Day Offering and through the Outreach and Mission Giving. Last year (1996) more than $1,300,000 in services were provided to persons who did not have the ability to pay for their care in our several facilities.

An important aspect of life in Christ is to be experienced in Christian community. It is our mission to offer the grace of abundant life in the context of Christian communities for the senior adults of eastern NC.

Thank you for being a partner with us in this vital ministry.

Reginald W. Ponder, *President/CEO*

HIGHER EDUCATION AND CAMPUS MINISTRY, COMMISSION ON

The United Methodist Church and its predecessor denominations have always demonstrated a deep commitment to learning. Our heritage is steeped in a tradition of close connections between the church and its schools, colleges, universities, seminaries, and campus ministries. The tradition began on the North American continent in 1784 when members of the Christmas Conference, American Methodism's founding event, decided to build a college. That early emphasis on education has been maintained through the years, leading our denomination to establish more than 1,200 schools, colleges, and universities - of which 124 remain today. Additionally, we have approximately 700 campus ministers and college/university chaplains engage in ministries on our behalf.

The NC Annual Conference shares in this historic commitment to ministries in higher education. Presently, we are in a supportive relationship with three colleges (Louisburg, Methodist, and NC Wesleyan); with the Divinity School at Duke; and with Wesley Foundations and ecumenical campus ministries at various campuses throughout our state. The work of United Methodist campus ministry in NC is shared between the two annual conferences in the state, through the State Commission on Campus Ministry.

Over the years the relationship between The United Methodist Church and its educational institutions and campus ministries has manifested various levels of vitality. As the relationships have changed over the years, we have witnessed differing degrees of dependence and closeness, accountability and support. This dynamic interaction necessitates that we continually engage in defining and refining the nature and expression of the relationship between church and college, and church and campus ministry. Leaders

of the institutions and the church should reflect on the ways in which mutual support and accountability are expressed.

The Commission on Higher Education and Campus Ministry is the church's representative in this ongoing interaction between the church and its educational ministries. We seek to help the institutions claim their uniquely Christian character. Likewise, we work to encourage the church to claim these institutions as valid extension ministries and to support them to the appropriate level.

In recent years we have expressed growing concern that funding for these ministries, particularly for our colleges and Duke Divinity School, is diminishing. This is due to significant reductions which have taken place in some recent budget years, and the fact that in the remaining years when we have not had reductions, we have not increased our support to reflect inflation. The result is a net decrease of substantial dollars for our colleges and Duke Divinity School. Because of our partnership with the Western NC Annual Conference in the State Commission, we have not experienced reductions for our campus ministries.

The Commission is aware of the pressure on our annual conference budget and acknowledges that we must look critically at all of the conference's ministry involvements. However, we believe that we must continue to place a high value on our historic work in higher education. We believe that the future health of the church necessitates a sustained investment in the lives of young women and men through our ministries in higher education.

On behalf of all the campus ministry units in NC, the colleges and the divinity school, I express appreciation to the Annual Conference for its support.

Raegan V. May, *Chairperson*

Campus Ministry, State Commission on

The State Commission on Campus Ministry oversees the work on behalf of United Methodism among students in sixteen campus settings throughout the state. While most are exclusively United Methodist Wesley Foundations, several are organized cooperatively in ecumenical settings. State- affiliated universities, church-related colleges, and private institutions comprise the locale of the ministries.

Twenty-two persons have been named to the State Commission, to serve for the quadrennium 1997-2000. The Commission meets twice a year, once at the WNC Learning Center in Winston-Salem, and once elsewhere in the state. The February 1997 meeting was held at the Wesley Foundation building at UNC/Chapel Hill. Additionally, a budget planning session is held in late summer or early fall each year. The total Commission budget for 1997 is $863,235, with 40% funding provided by the North Carolina Conference and 60% funding provided by the Western North Carolina Conference.

In recent years a thrust of the State Commission has been review team visits to the campuses. These visits assist the local ministry in self-evaluation, and result in reports and recommendations to the campus. In 1996 the review team visited Western Carolina University, with a very positive report following. That ministry is now in the process of taking action on the recommendations given with the report. In 1997, the ministries in Winston-Salem and at Appalachian State University will be reviewed.

Many impressive and exciting things are happening with students involved in the campus ministries. Students attend state, regional, and national meetings, of United Methodist students as well as ecumenical group meetings. Many campuses are involved with mission project, with local Habitat for Humanity building, with involvement among minority students, with relief projects to stricken areas, and with other Christian social services.

Divinity schools and seminaries through the southeast have many students now enrolled who were active in undergraduate campus ministries under the Commission's responsibility. Those who will become ministers, Christian education directors, and teachers of religion received their first "call" to serve while active in these ministries.

Campus ministry is alive and well among United Methodists in NC. The church can be very pleased with its sponsorship of the State Commission on Campus Ministry. We pray God's blessings and presence as we meet the challenge of serving our Lord through student ministries in this quadrennium.

William H. Hunter, *Chairperson*

The Divinity School of Duke University

In its mission of professional education for Christian ministry, Duke Divinity School continues in its established history of authentic spiritual and intellectual creativity, guided by an unambiguous commitment to the traditional Christian faith.

The Divinity School is in the final stages of selecting a new dean, as long-time Dean Dennis M. Campbell once again resumes full-time service as a faculty member this July, leaving a 15-year legacy of leadership as the tenth dean of Duke Divinity School. His term was the longest deanship in the school's history. Campbell's contributions to Duke, higher education, theological education, and Methodism, will be felt for years to come; during his

deanship he has made 35 faculty appointments - all but seven of the current faculty - increased the endowment from $4 million to more than $30 million, enhanced the quality of the applicant pool and enrollment, overseen capital improvements to the physical plant, and strengthened the institution.

This past year the Divinity School enrolled 477 students comprised of persons from 33 states and nine foreign countries. Currently, 60% of the student body is **United Methodist**, and 40% represent 41 other denominations. Total enrollment includes 387 M.Div., 6 M.C.M., 36 M.T.S., 26 Th.M., 8 M.R.E., and 14 Special Students. Twenty-three students entered in January. The Divinity School includes 35% female and 18% ethnic minority; the median age of the student body is 27.

Elizabeth LaRocca-Pitts joined the faculty as assistant professor of Old Testament. Dr. LaRocca-Pitts received her B.A. from Duke, and she did graduate work at Garrett-Evangelical Theological Seminary and Harvard University. She is an ordained elder in the North Georgia Annual Conference. **John R. Levison** was named associate professor of the practice of biblical interpretation. A graduate of Wheaton College, Cambridge University, and Duke, Dr. Levison has been with the Divinity School professionally since 1994, having served first as research scholar in residence, then as visiting associate professor. The new director of continuing theological education is **Carol Jean Voisin**, a graduate of Colorado State University, Iliff School of Theology, and Graduate Theological Union in Berkeley. Prior to her appointment at Duke, Dr. Voisin served as director of special studies at the Pacific School of Religion in Berkeley, CA. **C. Jarrett Gray, Jr.** has been named director of black church affairs and assistant professor of the practice of American Christianity. Dr. Gray previously taught at Allegheny College in Meadville, PA; a graduate of Kalamazoo College, Dr. Gray received his theological education at Garrett-Evangelical Theological Seminary and Drew University.

The broad base of **financial support** for the Divinity School was particularly evident this past year with a total of $4,170,513 received from individuals, foundations, churches and corporations. **The Ministerial Education Fund of The United Methodist Church** and the Charlotte-based **Duke Endowment** continued as the principal sources for underwriting current operations while individual contributions, especially for scholarship endowments, further strengthened the program.

LAITY, COMMISSION ON

The Conference Commission on Laity provides a support process for the primary task of our local church congregations and our Annual Conference. This includes gathering hopes and concerns from the laity about the effectiveness of the Conference in providing leaders for local churches as well as sharing hopes and concerns with our Conference leadership. We are a connectional church and it is important for communication to flow in the proper directions. Not only should we speak, we must listen and understand.

We also have the responsibility of training laity for leadership roles in the Conference and our local churches. The January/Leadership Development Workshops will be held again in our districts in 1998 to train those in leadership positions of the local churches. The dates are January 4, 1998, for the coastal districts and January 11, 1998, for the central districts. There are new guidelines for this quadrennium and the training should be exciting.

The Lay Speaking program will continue with training offered in our districts and there are new courses available. Our lay speakers in our Conference continue to fill pulpits and be in ministry in a variety of ways. Their commitment and willingness to serve is greatly appreciated. The Conference lay speaking course on stewardship will be held at Methodist College in August 1997.

Our District Lay Rallies continue to be a great time of celebration and recognition of the ministry of the laity. The dynamic speakers, especially Bishop Edwards who shared in most of our districts, inspired and challenged the laity to have a greater commitment and desire to be in ministry.

The Conference Staff Representative, Carol Hayes, to the Commission to the laity is an invaluable resource. We are thankful for her leadership and willingness to serve not only the Commission but throughout our Conference. This is available because we are a connectional church.

The Commission on Laity is always ready to hear your concerns related to our responsibilities. May we work together with our clergy and be partners in ministry not only in our communities but throughout the world to the glory of Christ.

Robby Lowry, *Conference Lay Leader*

MISSIONS AND OUTREACH, COMMISSION ON

The Commission on Missions and Outreach began the 1997-2000 quadrennium with the creating and affirming of a six-point covenant. Each member of the commission covenants to (1) personally participated in direct mission on a regular basis, (2) participate in a mission workteam or extended project during the quadrennium, (3) plan and implement a district interpretation event during the quadrennium, (4) focus on the quadrennium priority on children and youth and the bishops' initiative on children and poverty, (5) faithfully attend commission meetings, and (6) support one another and the work of mission in prayer. It is the desire and commitment of the members of the commission to demonstrate servant love in the world and to encourage and facilitate the participation of local churches and districts in Christ's mission in the world.

In 1996, the work of the commission included four areas:

Education and Cultivation: The Rainbow Covenant offers churches an opportunity to go the second mile in giving to mission, after the paying in full of apportionments. The five lanes of the Advance (World, National, Conference, UMCOR, and Missionary Salary Support) provide a direct avenue of generosity. The number of Rainbow Covenant churches continues to grow. During this quadrennium, the Rainbow Covenant will highlight missional opportunities that help children and their families, in keeping with the priority of the commission.

Workshops were held for new district mission secretaries and pastors new to the Annual Conference in August. The district secretaries created the six-point covenant that was affirmed by the full commission. The pastors were informed of the missional structure and opportunities within the Annual Conference and encouraged to become missional leaders in their congregations and communities.

Jesse Staton, conference mission secretary, and the 12 district mission secretaries are ready to assist local churches in the development of mission outreach. Contact these resource people with your questions and requests.

Volunteers-in-Mission: Projects in 1996 included 28 workteams involving over 300 people in nine countries. Work sites ranged from hurricane-devastated North Carolina to Armenia, Mexico, Costa Rica, Columbia, Jamaica, Appalachia, Robeson County, and the desert southwest. Optometrists, dentists, dental hygienists, doctors, and nurses offered skilled care in numerous locations. Construction and renovation teams worked on churches, parsonages, orphanages, and community centers. 36 Isa Grant Scholarships were awarded to youth and young adults to help defray the costs of workteam participation. 14 seed money grants were given to local churches and districts forming workteams. A major project was the construction of the Steertown Church, Jamaica, which involved a series of six workteams. UMVIM offers you a chance to join the over 300 volunteers in 1996 who experienced the joy of mutual helping, growing, learning, and serving.

Assistance to local mission: Church and community grants were made in 1996 to a number of local missions, including Good Shepherd UMC, Carolina Beach Ministry,

Interfaith Hospitality Networks, Asbury Temple UMC, Trinity-Troy Music Camp, Clark Street Day Care, Seaman's Service Center, and Richmond County Relief.

Significant construction assistance was given to local churches. Gary Smith, conference construction coordinator, gives direction and expertise as we together assist churches with capital building needs. Three construction projects were completed in 1996: Mt. Carmel, Pink Hill, and Rehobeth. There is great demand for this construction assistance, and work is scheduled into the years to come.

Special World Mission Emphases - Armenia, Liberia, Peru: Project AGAPE in Armenia continues to grow and flourish as a joint mission endeavor with the Western North Carolina Conference. With the help of Project AGAPE, the Armenian Apostolic Church has restructured two seminaries and increased from 26 students in 1993 to 256 students in 1996. The church has created a division of education in which 90% of its priests are involved. 475 priests and lay persons are being trained to teach religion in 410 public schools in Armenia. 389 Sunday Schools have been formed, with over 9,000 people participating, and Sunday School literature is being created. The AGAPE Children's Home is caring for 43 children with a staff of 22 and serves as a distribution center for much-needed supplies to the area of Lachin. Assistance is being given in hospitals and clinics. Seven sea containers were shipped to Armenia in 1996, with contents valued at over $210,000. Reverend Charles Davis continues to give visionary and energetic leadership to these ministries, and we invite your prayers, support, and continued gifts.

The Peru Covenant continues to bind the United Methodists of our Conference with the Methodists of Peru. Mutual visiting, sharing, worship, and prayer form the strong center of the covenant.

The publication of the first four volumes of *Obras de Wesley* was celebrated at the World Methodist Council in 1996. Your generosity and prayers are invited as the progress continues toward the first-time full publication of the works of John Wesley into Spanish and Portuguese. As workteams and mission trips form to Latin America, consider gifts of volumes of *Obras de Wesley* to hosts, seminaries, churches, and new friends...all of whom will rejoice to have these works available for study in Spanish and Portuguese.

Liberia remains a priority mission for our Annual Conference. Herbert and Mary Zigbuo, "home" in North Carolina for two years, are available to interpret the needs of the church and educational work of Liberia. Despite turmoil and decay of school buildings and churches, 1800 children continue to be taught at the Ganta Mission School in Liberia and the Danke Refugee School in Ivory Coast. Your prayers, support, and generosity continue to undergird mission to the people of Liberia.

The Commission on Missions and Outreach rejoices in the possibility and the promise of Christ's mission. Our Lord said, "Go therefore and make disciples of all nations, baptizing them...and teaching them to obey everything that I have commanded you. And remember, I am with you always, to the end of the age." May we share in the joy of Christ's mission which offers the gift of faith, and which transforms faith received into faith shared, to the end that Christ may be glorified and Christ's people welcomed, helped, and healed. Please contact any member of the Commission on Missions and Outreach with suggestions, ideas, and questions. As we can be helpful, we look forward to doing so.

NATIVE AMERICAN MINISTRY, COMMITTEE ON

Three important decisions were made at the committee's annual meeting:

1. It is recommended that every district for the next four years have a goal to help increase our Annual Conference Native American Awareness Sunday Offering. The goals are: 1997: $1,000 - 1998: $1,300 - 1999: $1,700 - 2000: $2,200

2. It is recommended that the 1997 Annual Conference collect an offering in honor of the Reverend Simeon F. Cummings and in memory of the Reverend Tryon Lowery. This offering will be put into the Simeon F. Cummings Native American Endowment.

3. With the 1996 General Conference decision to have a local church member designee for Native American Ministry, the Committee on Native American Ministry encourages every local church to fill this job. The new person selected can heighten awareness and appreciation and help increase partnership in Native American ministries.

OUTDOOR AND CAMPING MINISTRIES, COMMISSION ON

Part of the growing up process for young people involves spending time away from home. Summer camp is still an outstanding choice with very special opportunities and experiences which can help them along their individual paths to adulthood.

Church camping sets out to provide an experience of Christian community where campers are valued as creations of God and helped to understand and appreciate their worth and relationship to God, their peers and others. As discoveries are made, experiences are shared and hearts are opened wide, each camper's spirit blooms with a new feeling of self-worth and personal growth.

Four different camping locations across the North Carolina Conference area are provided for campers of all ages so that the young and the old alike, may come and enjoy family time, opportunities to learn about themselves, their relationships with each other and most importantly their growing relationship with God.

In 1996, we had just over 2800 individual campers to participate in summer camping programs at Camp Chestnut Ridge, Camp Don Lee, and Camp Rockfish. Weekend retreats and group meeting facilities are offered throughout the year at these three camps. The camps offer a variety of year-round accommodations with facilities to meet the needs of groups from 6 to 250 providing programming for retreats, specializing in spiritual growth, individual growth, group building and cooperation, and environmental education. Camp Kerr Lake located north of Henderson, NC has 24 waterfront water and electric hook-up camp sites, six A-frame cabins, two bathhouses, a pavilion and Conference room which offer both groups and individuals a place to get away from the hectic pace of everyday life. The usage of all camps this past year brought a camper day total of approximately 66200.

Each of the camps this year has continued to grow with new programs centering around the outreach of year-round programming, including school groups, day camps, special needs camping, retreats for all ages, and camping experiences for campers in the year-round school programs.

Even with the challenges presented this year with hurricanes, flooding, and a major fire each of the camp directors and staff have taken the challenges and turned them into opportunities for growth. We have seen a growth in utilization, in programming and our service to God through outdoor ministries. We are thankful for the leadership of each of our manager/directors: Bill Howington, John Farmer, Dennis Tawney in addition to their support staffs. We are also thankful for the hard work and dedication of each camp's local committee and the endless hours of service that they have given. We are most thankful for the leadership offered from the Commission on Outdoor and Camping Ministries and the Board of Directors of the North Carolina United Methodist Commission on Outdoor and Camping Ministries, INC.

As our camps have turned challenges into opportunities each of the camps continue to have very real needs which local United Methodist churches can help meet. Major rebuilding projects caused by the storms are being completed as funds become available. Unfortunately not all losses from the storms were covered by insurance. Support of our camping ministry by local churches having retreats, group meetings and outings at our camping facilities will be a blessing to all. Encouragement of children and youth to come to summer camps, promoting the camps as a place of summer employment for dedicated college students and youth adults can support our camping ministry. Local Church groups can also support camping ministries through participation in spring or fall work days at camps or by financial contributions through the Advance Special or the Campership Fund. We look to the faithful and dedicated support of the NC Annual Conference for camping ministry.

PRISON MINISTRY AND PRISON REFORM, COMMITTEE ON

The full committee held three meetings since the last Annual Conference. Our meetings have been held at local churches, the Methodist Building and at prisons. When meeting at prison units we take the time to tour the facility and always request time for interaction with the inmate population as well as time to hear from the chaplain and other staff. This always provides an insight and learning experience into the current conditions of the unit. In December the committee led a visit to Central Prison with Bishop Edwards and his cabinet. After a tour of the facility we met with several inmates who gave their personal witness to God's work in their spiritual life.

Our committee along with Bishop Edwards and the cabinet have committed to support three primary initiatives during the coming year:

1. Our Bishop and District Superintendents will lead an aggressive Prison/Jail visitation program to see and hear first hand the needs of this segment of our communities.
2. Our District Superintendents and District Council on Ministries will encourage and support the establishing or expansion of prison/jail ministry in each congregation across our conference: Recommendations range from:
 a. Encouraging all churches in the North Carolina Conference who have active Disciple Bible Study groups to consider establishing or assisting with another

congregation to begin a Disciple Bible Study Group in a minimum security prison facility in or near their community.

b. Supporting a Chaplain or Chaplains who are working in a prison or jail in or near their community.

3. We shall all recognize, publicize and celebrate, to God's glory, the great things He has done and is doing in this ministry across our conference: Recommendations range from:
 a. Local congregations recognizing and celebrating their prison/jail ministry in their newsletters and/or corporate worship.
 b. Assisting our Conference committee in recognizing when and where their congregations are engaged in this ministry.

The committee continues to support our adopted Mission Statement:

Our Commitment - The Committee on Prison Ministry and Prison Reform of the North Carolina Conference is committed to providing services and opportunities for the United Methodists in the North Carolina Conference to achieve and maintain an understanding of prison ministry and the importance of prison reform based upon Christian principles. The Committee seeks to relate in a Christian manner to the individual inmate and his/her family and the victims and their families.

Accomplishing Our Mission - The Committee's mission is accomplished by sharing goals and objectives through workshops on Prison Ministry and Prison Reform, by developing an understanding of the Biblical mandate, through the coordination of all programs that fulfill our mission, and by identifying opportunities and focusing our resources. All efforts of the committee are shared with the conference, districts, local churches and the community at large.

Strategies - To reduce crime and to deal with criminals and their families, emphasize education and prevention of crime, alternatives to prison, fair sentencing, proposing programs and ministries, victim awareness, victim restitution, counseling of families of prisoners, chaplaincy services, prison rehabilitation services, rights of inmates, restoration of victims of crimes, substance abuse, vocational training of inmates and employment of those released from prison.

We solicit your prayers as we seek God's will and direction in serving Him in this ministry.

RELIGION AND RACE, COMMISSION ON

Racism is a barrier to building inclusive community. Therefore, the Conference Commission on Religion and Race has a twofold purpose: to work toward the dismantling of racism and to help build the inclusive church.

As we started the new quadrennium, the Commission received outstanding training from Elaine Jenkins of the General Commission on Religion and Race, Washington, DC. The training, held in October at St. Luke United Methodist Church in Goldsboro, helped the Commission members to have a better understanding of their responsibilities. As a result of the training, the Commission decided to used Model #2 organizational structure. Under this organizational structure, we have focused on the areas of Sensitizing, Advocacy and Monitoring. These focus areas are chaired by Jerry Schronce, Bill Cummings, and Randy Innes respectively.

The Commission on Religion and Race has monitoring and advocacy responsibilities for the Conference Plan of Inclusiveness. These responsibilities were reviewed at our January meeting. The Commission advocates the Plan's goal that each program agency designate at least ten percent of its program budget for ministries addressing racial/ethnic needs. The Plan of Inclusiveness calls for the Commission to present a comprehensive report on the status of inclusiveness at the 1997 Annual Conference. The Monitoring focus area mailed 59 surveys to agencies, commissions and institutions to gather information. The results of this survey will be used to compile the comprehensive report.

At our January meeting, the Commission set a goal to sponsor another conference-wide workshop. The Sensitizing focus area holds the responsibility for planning and coordinating such an event. Bishop Marion Edwards attended our January meeting. The issues raised with him were accountability regarding the Conference Plan of Inclusiveness and sensitivity training for the Cabinet. The Bishop responded that he and the Cabinet were accountable for the Plan and that he was open to receiving sensitivity training for the Cabinet.

The Commission supports the Plan's recommendation that each local church have a chairperson on Religion and Race or someone assigned to do this ministry. Eliminating

racism and building the inclusive church will be impaired if our local churches are not in dialogue regarding these issues.

STATUS AND ROLE OF WOMEN, COMMISSION ON

The Book of Discipline of The United Methodist Church (1996) outlines two major functions for the Commission on the Status and Role of Women: Fostering an awareness of the meaning of the Church's continuing commitment to the full and equal responsibility and participation of women in the total life and mission of the church; and recommending program opportunities for worship, fellowship, witness, study, nurture, and service with persons and groups that confirm anew the liberating message of Jesus Christ that recognizes every person, woman or man, as a full and equal part of God's human family.

Three key words have come to signify the major areas of work of the Commission on the Status and Role of Women: Advocate, Catalyst, Monitor.

As Advocate, the Commission can speak on behalf of women, enabling them to claim their rightful place in decision-making arenas. This advocacy role includes working with individual women who are employed by the Church - both lay and Clergy - who experience discrimination on the basis of their sex. As Advocate, the Commission takes the initiative to effect change on behalf of all women, such as laywomen, racial ethnic minority women, Clergy women, and single women.

To be a Catalyst is to endeavor to bring about new perceptions, new roles, and new empowerment for women in the Church.

In the third arena, as Monitor, the ministry area examines the ongoing life and commitment of the Church. Monitoring means gathering data, both statistical and anecdotal through observation, surveys, questionnaires, statistical analysis of past records, and making recommendations.

Our Commission must focus on these eight goals set before us in 1997 - 2000:

1. Support the Conference efforts on implementation of the plan on inclusiveness by assisting women in attending enrichment conferences and through sensitizing local congregations in areas of race and gender relations.
2. Become familiar with sexual harassment guidelines and monitor use of guidelines in local churches, districts, and conference.
3. Provide an event to help healing of victims of Clergy sexual harassment.
4. Advocate for "Clergywomen in the pulpit emphasis" in the Spring of each year, 1997 - 2000.
5. Monitor the availability of child care services at district and conference meetings.
6. Advocate the hope, healing and wholeness of families with emphasis on children and elderly.
7. Prepare publicity pertaining to Cosrow for the back page of the *Christian Advocate*, July/August, each year, 1997 - 2000.
8. Monitor the NC Annual Conference.

The Women In The Pulpit Sunday for 1996: There were a total of 42 reports with which to work. A total of 26 Clergywomen and 6 laywomen spoke in 44 Churches.

For the first time, the NC Annual Conference will be monitored during Worship and Plenary Sessions. The goal of this ministry is to build and strengthen inclusive participation in decision making at our annual conference sessions.

Through the Connectings the NC Commission on the Status and Role of Women has made available to you a resource list of books, videos, posters, and other display materials that may be helpful for the local church ministry group on Status and Role of Women.

The Commission will continue to stand with and share the pain and joy as women grow.

STEWARDSHIP, COMMISSION ON

It's been said that we should lead, follow, or get out of the way. We on the Commission on Stewardship have made the decision that we want to be leaders in the field of Stewardship. During the last year we have undertaken several projects to do just that.

Some two years ago we began dreaming of a seminar for new pastors to train them in sound concepts of stewardship. We realize that most pastors come to their first appointments with little or no training specifically in stewardship. And yet they are often called upon to lead their congregations in that area. We plan to offer in early 1997 a comprehensive look at the many areas of stewardship using a retreat format. We plan to call upon many talented and gifted persons within our own annual conference to lead the retreat. If this effort is successful we hope to offer it on an annual basis.

We have offered ourselves as resource persons to teach January Workshops, teach Lay Speaker courses, and teach local church seminars. We were also involved in the district interpretation rallies which were held this past summer. We have a number of persons available to assist any local church who requests help with stewardship matters. We consider our commission to be a leading source of resource persons in the field of stewardship for the annual conference.

We also offer information on the newest and best printed materials on stewardship. Bill Norton, our staff stewardship contact, keeps us supplied with new, as well as tried and true, programs on funding the ministry of the local church. A call to Bill's office in the United Methodist Building (1-800-849-4433) can put us in touch with the latest materials on the market.

The Reverend Douglas Byrd, Executive Director of the United Methodist Foundation, is a key person to help churches with information on gifts and wills. He can help answer the complicated and often difficult questions about estate planning.

In short, the Commission on Stewardship is prepared to offer innovative and experienced leadership. We have sound, proven programs available to meet the various needs of our local churches. We are willing and eager to help.

WORSHIP, COMMISSION ON

It was the privilege of the Conference Commission on Worship to plan and conduct the 11 worship services presented at the 1996 session of the NC Annual Conference. The Commission offered a variety of worship styles, thinking of the Annual Conference worship settings in terms of an old-time Methodist assembly. The response of the worshippers was encouraging. The Commission carried out its plan to make the services ethnically and gender inclusive to represent a wide spectrum of worship traditions within Methodism, and to reflect Mr. Wesley's own conviction that worship should be sacramental as well as evangelical.

The Conference Commission on Worship began 1996 continuing its efforts to publicize and interpret *The United Methodist Book of Worship* in the January Workshops at the district level. Worship Training Teams were also available to local churches upon request. The intention of the Commission was to present services that were neither so elaborate nor expensive that they would be out of the reach of an average UM congregation, and still reflect many different levels of formality.

The goal of the Commission on Worship, as it plans the worship services for the 1997 session of the Annual Conference, is to offer services with variety, integrity, and inclusiveness, which will bring worshipers into the presence of the risen Christ. In the creation of these services we seek to follow the example of Mr. Wesley in uniting experiential and sacramental piety. At the same time, we seek to be sensitive to the current budgetary restraints facing the NC Annual Conference and to serve as examples of good financial stewardship.

The Commission on Worship thanks the NC Annual Conference for its support, and is delighted to continue to offer its services to the Conference and to the risen Christ.

COUNCIL OF BISHOPS' INITIATIVE ON CHILDREN AND THE IMPOVERISHED, TASK FORCE ON

Bishop Edwards has named a Task Force to be developed in the NC Conference as a response to the world-wide Bishops' Initiative on Children and Poverty. The Task Force has already met several times and includes clergy and laity throughout the Conference as well as key people from other organizations such as the Methodist Home for Children, state committees, and other interested people.

Several teams have begun working within the Task Force: a Local Church Committee; Public Policy; Communications Committee; a Funding Committee; a committee to establish hearing and listening sessions throughout the Conference; and a group to look at Children and Faith Communities.

As Bishop Edwards and the Task Force move forward with this ministry, we invite all of the Church to be in prayer and to be open and willing to engage in ministry and mission in these areas in the near future.

Respectfully submitted on behalf of Bishop Edwards and the Task Force,

Carol Hayes, *Associate Director, CCOM*

DISTRICT SUPERINTENDENTS, COMPOSITE REPORT OF

First, we are grateful to the members of the extended Cabinet. They are: Executive Director of the CCOM, Robert Baldridge; Assistant to the Bishop and Director of Ministerial Relations, F. Belton Joyner, Jr.; and Conference Treasurer, J. Allen Norris. Sometimes we dread their presence for the many handouts they bring to us, but without their valuable assistance we would be at a great loss.

We are grateful to the many pastors and laity for their prayers and support as we attempt to make the best possible appointment for every church in the NC Conference. At appointment time, there is remarkable resiliency in pastors and laity which enables them to cope with surprises, or now and again, with disappointments. We believe this is a sign of God's grace in them. Without them, the appointive system could not work.

Finally and especially, we want to welcome and thank Bishop Edwards for challenging and inspiring us, indeed for loving us as he works with us. No one can work closely with him without sensing the closeness he has with Christ. His plan for the Cabinet of daily scripture reading and intercessory prayer continues to bless us and enrich our fellowship. His modeling of greatness reflects his own resolve to follow after Christ, who came not to be served but to serve others. Each Cabinet member considers it a privilege to be an extension of his work. His wife, Linda, also is an inspiration both to him and to us. They cherish each other and we cherish their friendship. We have enjoyed them and hope that they will be with us for eight or more years.

We are in Mission because of faith that God has entered our life through Jesus Christ and has brought salvation to the world. As our Wesleyan tradition informs us, we are never content with a faith received but must turn it into a gift shared. The manifold ways that we share our faith through the NC Conference and throughout the world are evident through the district reports that follow:

BU: Efforts of the churches continue to make this a district of eminence for United Methodism. Chapel Hill:Christ ended its first calendar year with 101 members, enabling a 1996 net increase of 151 for the district. The 45th annual Christian Enrichment Event was held, and the district sponsored a trip for 45 persons to attend a Church Growth Seminar at Fraser UMC. Church growth has necessitated many new facilities: Fairview dedicated a new Fellowship Hall, and Davis Street is in the midst of a $1 million renovation/capital improvement program. Phillips Chapel is building its first Fellowship Hall; Walnut Grove is replacing its Fellowship Hall, as is Swepsonville. West Orange Charge is completing a new parsonage. Two churches have experienced a growth level leading them to a new appointment status: Union Grove will move from student local pastor to full-time, and the Christ-Cedar Cliff Charge is planning to become two stations in 1998 with Cedar Cliff Church becoming full-time and Christ Church becoming part-time. As the Conference received its new episcopal leadership, Burlington was first among the districts to host a day of welcome for Bishop Marion M. Edwards and his wife, Linda.

DU: There is continued emphasis in strengthening the community of Inclusiveness in the District. Two new congregations are planned for this Conference year, a multicultural congregation in southern Durham and a new Hispanic ministry. The 1996 Christmas offering was the largest amount ever for the Children's Home in Armenia (Project Agape) and the Special Needs Ministry at Good Shepherd UMC. Two major events have been planned for education and inspiration - Domestic Violence and Pastoral Ethics with Marie Fortune and a four day Evangelism Event with Tim Bias, General Board of Discipleship. These activities include workshops in each sub-district during the day and worship at Kirby Theatre each evening. We have approved a building program at Bethesda, renovation and addition at Banks, Cavel purchased a new parsonage, Salem is building a Fellowship hall and education building, Creedmoor is building a new Fellowship Hall, and Oak Grove has approved the sale of their parsonage.

EC: In August 1996, Sharon UMC in Poplar Branch started an After School program. Mt. Hermon dedicated their new Fellowship Hall in December. New Hope is ready to break group for their Fellowship Hall. Holly Grove, Creswell Charge, will close in June 1997. The second "Hands for Jamaica" Dental Mission was in March. Bishop Kulah from Liberia and the Zigbuos visited the District. We are continuing the Minister of Education.

FA: Salem has completed a children's wing to be used as a Day Care Center. St. Andrews is completing a new Fellowship Hall with classrooms and additional space. Hope Mills is completing a new Fellowship Hall with classroom space. Sandy Grove on the Raeford: Hoke Charge is in the process of planning a new addition which will house new choir room, pastor's study, staff room and renovate sanctuary. Goshen on the Goshen-Keener Charge is in the process of building a $300,000 Fellowship Hall. Clinton:First has purchased a new parsonage for the senior minister. John Wesley has completed and consecrated its $200,000 renovation of the sanctuary which included a new organ and grand piano. Hay Street has installed a new parking lot and completed extensive renovation

and repairs including a new roof. Haymount is planning extensive renovation of their facilities. Hopewell has constructed a new storage facility. Parker's Grove has been joined with Erwin to make the Erwin-Parker's Grove Charge. Trinity and Grace churches in Fayetteville have been combined to make the Grace-Trinity Charge. Cornerstone, our newest congregation, was chartered in January 1997. Hallelujah!

GO: Daniels Memorial completed the construction of a new $500,000 fellowship hall. Saulston neared completion of a $600,000 fellowship hall. Brogden initiated plans for the construction of a new sanctuary. Two churches, Goldsboro:St. Paul's and Smith's Chapel, sponsored Bosnian refugee families. The Seven Springs/Bethel Charge divided into the Seven Springs student appointment and the Bethel part-time local pastor appointment. Several churches sustained significant damage to their buildings as a result of Hurricane Fran. Twelve churches have hosted work teams or provided work teams for the Hurricane Fran relief efforts. The pastors worked on two mission work team efforts and several district persons participated in a mission work team event in Jamaica.

GR: Covenant, our newest church, founded in 1993, has gone to two Worship Services with attendance over 900 in some. Two churches, St. James and Robersonville, have sponsored Refugee families from Bosnia. Chocowinity has moved into new Sanctuary/Classroom Building. Several churches are doing renovations to make their facilities handicap-accessible. Pink Hill and Lanes Chapel are building new Fellowship Halls. The District Parsonage has been renovated and the District Office has been relocated. Farmville raised over $30,000 to build a Habitat for Humanity house. A Medical team from Jarvis Memorial went to Armenia for two weeks of intensive work, took over $200,000 in medical equipment to donate; Jarvis Memorial also launched its new Lay Academy. Many churches are participating in DISCIPLE Bible Study, and many have responded so helpfully to victims of Hurricane Fran. Strong progress has been made in Youth Ministries in the District and in payment of OMFS.

NB: What joy it is to report on the health of our Churches and pastors. A myriad of accomplishments can be celebrated. The spiritual health of the district is centered in the Gospel of our Lord and Savior, Jesus Christ, our Wesleyan heritage, and UM Polity. Churches with significant Professions of Faith during 1996 are: Centenary - 18, Havelock:First - 174, Faith - 44, Garber - 26, St. Peter's - 17, Morehead City:First - 24, Newport:St. James - 14, Swansboro - 13, Trinity: Jacksonville - 10, and Pollocksville - 9.

The laity continues to provide outstanding leadership. A record number, 657, attended the District Lay Rally in January. Each Sunday, they support their local church and pastor with their prayers, presence, gifts, and services. Furthermore, they have been instrumental in the missional outreach of the district by giving over $1,400.00 to Project AGAPE. Under the leadership of the DCOM, this District also will build its 4th Habitat for Humanity House in Jones County. In addition, the DCOM joined with the EC and GR Districts to raise $15,000 to renovate the Director's house at Camp Don Lee. In addition, the Pamlico Parish set up a Parish Council to strengthen its mission and ministry in Pamlico County. Also, we are excited that Morehead City:St. Peter's is engaged in a new outreach ministry with the Hispanic community of the area.

A wise and spiritual leader declared, "Unless the Lord builds the house, those who build it labor in vain. Unless the Lord guards the city, the guard keeps watch in vain" (Ps. 127:1). A number of our congregations are building and laboring in love, with an optimistic and visionary eye focused on the future to meet the growing needs of their community. Churches involved in Capital Improvements aren't expanding facilities just for the sake of it. They are building to prepare for vital and significant ministry awaiting at their door in the 21st Century. They are: Centenary completed $690,000 renovation program, St. Peter's consecrated $900,000 sanctuary on February 16, 1997, Sneads Ferry:First consecrated their sanctuary in September and will complete a new parsonage in April 1997, Garber has begun initial plans on a $550,000 renovation project of the sanctuary and office, Swansboro initiated a $2.2 million building program, Cedar Island broke ground on a $183,000 educational wing, Oak Grove: Harlowe is in the middle of a $156,000 renovation, Oriental completed a $250,000 renovation on their sanctuary, New Bern: Trinity broke ground on a $650,000 renovation project, and Asbury is renovating their sanctuary at $96,000. And despite Hurricanes Bertha and Fran, the District increased its Mission and Service Giving by 2% during the 1996. Finally, the district will start a new church in July 1998; its first in over 11 years. Amen!

RA: 1996 has been an exciting year: On 11/3/96, Sunrise UMC held its first worship service at Holly Springs Elementary School, and on 11/17/96, Disciple UMC held its first worship service at Morrisville Elementary School, with a combined total attendance of 291. Saint James broke ground and consecrated a beautiful new Fellowship Hall. Hayes Barton broke ground on 1/12/97, for an addition which will meet many of its needs including a Fellowship Hall at a cost of over $3 million. Wendell broke ground on 3/2/97, for a new

educational building and Fellowship Hall at a cost of $475,000. Knightdale celebrated the full payment on land on which the new facility will be built by burning the note. Macedonia and Fuquay-Varina voted to relocate their facilities. Membership in the District by profession of faith and transfer of letter continues to grow at a rapid pace.

RO: Lumberton:Chestnut Street completed a new Fellowship Hall/Office/Music Complex. Rockingham:First completed a renovation of its facilities. Building projects are being planned for Galilee, Piney Grove and Mount Olive. A unique Children's Ministry was begun at Lumberton:Pine View under the leadership of the Rev. Kellie Gallagher-Smith. This ministry has involved African-American, Hispanic, Native American and White children. Native American UMs in Robeson County provided 5 volunteers to a Mission Work Team in Bolivia through the Andean Rural Health project.

RM: Concord UMC on the Seaboard Charge broke ground for a Fellowship building. This is the first addition to the church since it was built 200 years ago. Corinth on the Calvary Charge has renovated the sanctuary and dedicated it. Nashville has purchased property adjoining the church grounds for future expansion. Clark Street Ministries continues to reach out into the community. An infant nursery has been added to the Day Care Center and several new ministries, such as Bible study, Sunday School, and youth groups, have begun to witness in the name of our Lord. Marvin, Trinity Parish, has purchased property adjacent to the church for future growth.

SA: The District continues to celebrate its collective ministries of both lay and clergy. We rejoice to report that the District paid out over 100% of its Mission and Service giving for 1996 and accepted again 100% of its Mission and Service giving for 1997. We rejoice over the continued growth in our Hispanic ministries. Both churches in Siler City and Sanford are growing in terms of their participation in worship, Bible study, and stewardship. They are averaging over 100 in attendance in the two congregations. A parsonage was purchased and improvements are being made on both church facilities. Our newest church in Pinehurst finalized the purchase of an 11 acre site for $150,000. A member of Page Memorial donated 40% of the property to the new church. Goldston completed a sanctuary renovation at a cost of $26,996.03. High Falls and Fair Promise purchased the outstanding shares of the Old Glendon Charge. High Falls portion was $21,509.52 and Fair Promise's portion was 19,717.06. Marcus built and dedicated their Fellowship Hall at a cost of $92,000. St. Luke pledged $1.4 million toward a Church Endowment. They have expanded their building by constructing a Columbarium. Siler City:First will break ground soon to rebuild their church facilities which were destroyed by fire. They will relocate on an 11 acre track of land which was donated by a church family. This new complex is estimated to cost upon completion $2.4 million. We give thanks to God for the great year which we have had in the District.

WI: The past year has been marked with disasters and new beginnings. Two hurricanes and one tropical storm have resulted in much disaster relief work but the Lord has provided much to be thankful for. We are indebted to UMCOR, the Conference Disaster Response and the WNC Conference who have leased a home in Wilmington to house continuous work teams. As of the first of February, 68 work teams from within and outside the district have repaired 79 homes. Despite significant financial losses, we moved from last place to fourth place in the payment of our Mission and Service Giving, up 7%, and the district raised over $15,000 in start-up monies for new church development. On February 2, 1997, 200 attended the first worship service at Hope UMC. Harbor, begun in 1996, lead the district with 94 Professions of Faith and a net increase in membership of 190. Other significant membership increases were: Pine Valley, 51 Professions of Faith for a total net increase of 130, Seaside, 54 Professions of Faith for a total net membership increase of 69, and Ocean View a total net membership increase of 53. Eight Wilmington churches entered the "Revisioning" pilot project for a year-long self-study and examination of their future. Ground breakings were held for Sharon's Fellowship Hall and Ocean View's Multi-Purpose building. Pine Valley's Family Life Center has been completed. Classroom additions have been approved for Seaside and Hampstead. Several other building projects within the district are being considered for the coming year. Wesley Memorial purchased the much-needed adjacent property. In preparation of the 200th Anniversary celebration, Grace invested $90,000 in the renovation of their organ. Setting an example for other churches to follow, Evergreen began a ministry to Hispanics. This year we tied with the NB District who have held the highest attendance at January Workshops for 8 years.

THE DUKE ENDOWMENT

For 72 years the Rural Church Division of The Duke Endowment has enjoyed a partnership with the two Annual Conferences in North Carolina in service to and with rural UM churches. In 1996, The Endowment increased its funding for grants to rural churches and agencies serving rural churches. In the Building Rural Churches Program, The Duke Endowment made building grants to 51 churches in the amount of $1,467,000. These grants aided churches as they built new sanctuaries, fellowship halls, education buildings, and family life centers. The Endowment also made grants totaling $1,291,000 to maintain and operate rural churches. These grants supported churches in their outreach to their communities and to Duke Divinity School in its service to the rural church. Finally, grants of $1,313,000 were made to superannuated ministers to salute them for their effective service and aid them in their retirement. The grant total of grants made by the Rural Church Division of The Duke Endowment in 1996 was $4,070,000.

But a recital of grant dollars fails to capture the vibrancy of many of the rural church programs The Duke Endowment is privileged to aid. We see churches reaching out to their communities through a wide array of child care programs. These child care programs strengthen families, help in the development of the child, and show a community that a rural Methodist church really cares. We see churches, often in cooperation with churches of other denominations, joining together to meet human needs for food, clothing and shelter in rural communities. We know that even more will be asked of rural churches in the future as welfare reform takes hold. We see Methodist pastors in a rural county joining with pastors from several churches to offer church-based programs on self-esteem and sex education for troubled teens. This inter-racial, inter-denominational program hopes to teach Christian values of personhood to the next generation. North Carolina is growing and changing in remarkable ways, and The Duke Endowment salutes and joins with rural churches in their efforts to meet the needs of a changing population.

In the Fall of 1996, the Rural Church Division hosted a consultation on rural NC. Please call and tell us about your rural church's outreach program or your dreams for mission in your community. The rural church office is located in Durham at 3329 Durham-Chapel Hill Boulevard, Durham, NC 27717-1307, telephone 919-489-3359, E-Mail: jmann@tde.org, and FAX 919-489-3350. Val Rosenquist, Barbara Hilliard, Shelby Wallen, and I hope to hear from you and see how we might be of assistance to you as you engage in ministry in your rural community.

James B. Duke is quoted as saying: "My old daddy always said that if he amounted to anything in life it was due to the Methodist circuit riders. If I amount to anything in this world I owe it to my daddy and the Methodist Church." The Methodist Church continues to be an institution capable of remarkable influence, and The Duke Endowment commends the churches, pastors, and laity of rural Methodist churches for their faithfulness to God and service to NC.

EPISCOPACY, COMMITTEE ON

The Committee on the Episcopacy of the NC Conference functions at the Conference level much like the Pastor-Parish Relations Committee of your local church. It is our job to support the bishop in the oversight of the spiritual and temporal affairs of the Church, to be available to the bishop for counsel, to assist in determining the episcopal needs of the area, to keep the bishop apprised of conditions within the area that affect his work, to interpret to the people of the churches the work of the bishop, to evaluate the work of the bishop and to report to the jurisdictional committee on needs with the area served by the bishop. All of this is detailed in paragraph 635 of your *Book of Discipline*. The NC Conference has been blessed with outstanding and inspired episcopal leadership. We are grateful for the past 12 years in which Bishop C. P. Minnick and his wife, Mary Ann, labored among us with compassion and wisdom.

It is a joy to stand before you this day and introduce our new bishop and his wife. Marion Edwards was born and reared in a coastal south Georgia town of about 1,000 people named Springfield. This was a Salzberger German settlement, with many of the families there holding the same land granted to ancestors 300 years ago. These people watched Marion and his brother, Billy, grow to maturity. They have followed their lives and ministry with joy and satisfaction. Let me speak to you a bit about prayers answered and dreams fulfilled.

We had the privilege of talking with a few of those who knew Bishop Edwards well. One couple, M. W. and Ruby Bragg, have loved him like a son. In fact, the morning after his election as a bishop at Lake Junaluska, Mr. Bragg was at the Methodist parsonage knocking at the door at 7:00 am to make sure their pastor had the news. They said they saw the hand of God in his life from the very first.

I. B. Johnson was Marion Edwards' high school agriculture teacher. He also taught Sunday School and served as a youth counselor. "God used Marion Edwards in a mighty and powerful way. But you have to know that Marion is doing exactly what he believed God wanted him to do. Marion Edwards always wanted to be a preacher!" he said.

Mr. James Zittrouer still farms the land granted to his ancestors by the King of England. He has taught Sunday School at The United Methodist Church in Springfield for 56 years. He taught Marion and his brother, Billy.

Mr. Zittrouer related the story of how Uncle Billy Edwards, Marion's father, felt the call to preach late in life. He worked as a store clerk and a carpenter and knew it would be virtually impossible at his age to go back to school to study for the ministry. So he prayed that one of his two sons would be called to preach. God answered his prayers in a mighty and powerful way. Both sons entered the ministry, Marion in the South Georgia Conference, and his older brother, Billy, in the North Georgia Conference.

Mr. Zittrouer tells how one day at church he asked the boys in his Sunday School class what they wanted to be. When it came to be Marion's turn, he said, "I want to be a Methodist preacher." And he added, "Who knows, one day I might even be a bishop!" All the boys in the class laughed. James Zittrouer says, "Marion Edwards never lost his dream. And God fulfilled that dream."

What was he like growing up? He was serious about spiritual matters. He was devoted to Christ. He was at church whenever the doors were open. But he could have fun too. James Zittrouer described a swimming hole down on Ebenezer Creek. He said, "I can still see Marion walking barefooted down the road toward the creek with a watermelon in each hand. He would put those down in the water to cool while he and his friends swam. Boy, we had good times! I wish Marion could come back and jump in that old swimming hole again. "Of course," he said, "the water might rise a little higher now than it did back then!"

Another bishop was born in south Georgia, just a few score miles from Marion's home. Arthur J. Moore once said of his days growing up there, "As memory comes trooping in, one can easily go back to those happy, carefree days. But we must go on from one duty to another,and finally come to the end of an earthly pilgrimage and give an accounting."

There is no doubt that Marion Edwards would agree with the words of Bishop Moore when he said, "The supreme aim of my ministry has been to witness and to share. I have taken my stand with those who gratefully and joyfully accept and proclaim the doctrines historically associated with what we call evangelical Christianity. I have always believed that it is not a new definition of religion that we need,but a new realization of Christ's power."

Marion Edwards went to Young Harris Junior College, a United Methodist school in the foothills of Georgia. There he met Linda Layfield, who would become his wife. He then transferred to Georgia Southern College to complete his undergraduate education. During those years he served as a youth director in Fort Valley, and as a student pastor of the Coleman Charge.

Marion and Linda were married in 1962. They moved to Atlanta when he enrolled at Candler School of Theology. There he distinguished himself as an outstanding student, earning a place in Theta Phi Honor Society and finishing his B.D. degree. Later he would earn a doctorate from Emory University.

Marion Edwards served churches in Atlanta, Macon, Ellaville, Savannah, Hazelhurst, and finally at St. Luke in Columbus, from which he was elected to the episcopacy. He also served as superintendent of the Waycross District. He has had a distinguished career in the local church and at the levels of the Annual Conference, Jurisdictional Conference, and General Conference.

He has already established his ministry here. Who can forget those scenes of his working in the aftermath of Hurricane Fran, of his holding the hands of church members, forming a circle and leading them in prayer. God sent him to us. God will do great things with him, and with us as we surrender to his will.

One of the finest descriptions of Marion and Linda Edwards came from her sister. She said, "Marion and Linda have always been a team in ministry. The church has been their whole life. They are the most caring and compassionate people I know." We have already seen this in the ministry he has shared among us.

I am going to ask Dr. Kermit Braswell and his wife, Alice, to escort Linda Edwards to the stage. I present to you, Bishop and Mrs. Marion Edwards. This is a special day for the Edwards. Today, June 9, is their 35th wedding anniversary.

Bishop, during my tenure as chair of the Committee on Episcopacy in this Conference, it has been my custom to lead the Conference in a prayer for our bishop at the opening session. With your permission, I would like to pray now for you and Linda, and for your ministry among us. Let us pray.

God of Abraham and Sarah, of Isaac and Rebecca, of Jacob, Moses, David, the prophets of old, God of Mary and Joseph, and our Lord and Savior Jesus Christ, God of the

apostles and the faithful through the ages, we come to you now asking your blessing upon your servant Marion, and upon Linda his partner in life and ministry. We are grateful for the way you have been with them in the past. Now we pray that you would undergird their ministry in the present. Be especially with Marion, in the work of a bishop. May he have wisdom and inspiration from you, and may his decisions reflect the baptism of your purpose. May even the simplest work shine and give glory to our Lord and Christ. May the weighty and mighty acts redound to your glory and the presence of your Holy Spirit. May those who follow us look back and say, "The hand of the Lord was in the midst of their labors." This we pray in the name of Christ our Lord. Amen.

LAY PERSON OF THE YEAR PRESENTATION

One of the highlights of the responsibilities of the Commission on the Laity is to choose the Lay Person of the Year from the district nominees. It is always exciting and inspirational to read about the exciting ministries of the laity in our Conference. Today we honor each District Lay Person of the Year and ask each one to stand and remain standing until all names have been called.

Burlington: Ms. Katherine Wacker is from Orange UMC. She is a dedicated member who supports and participates in a variety of church outreach mission projects. Her leadership style is her witness to God and is described as "Christ-centered; she keeps us focused on what Christ would have us do." She is a servant, role model, and gifted leader.

Durham: Ms. LaNella Smith, Asbury Temple UMC, Durham, has vitality, enthusiasm and commitment to Christ. She contributes to building up the Body of Christ through the choir, leading programs, Habitat for Humanity, as well as her participation in the DCOM, and on the Conference Commission on Religion and Race. As her church proclaims, "She will pray with you, laugh with you, cry with you. She is our friend."

Elizabeth City: Ms. Audrey Farrow is from St. Johns UMC, Avon. She is involved in a multiplicity of roles which include teaching Adult Sunday School and VBS, as well as serving in the UMW. On the district level, she served on the Board of Nominations Committee. As her church states, "She is an incredible example of both the mystery and the Mission of Christ."

Fayetteville: Mr. Lyman Horne of Grace UMC in Clinton is involved in almost all areas of the life of the local church. From leading the youth group to providing computer equipment, training and expertise, to wisdom and leadership in committee and personnel matters, he has been a strong leader in his church, and a true disciple of Jesus Christ. "He is a worthy disciple of Christ," states his church.

Goldsboro: Mr. Alan Casey is a member of Sanders Chapel UMC. He is an active lay speaker and participates with the UMM, as well as in the youth ministry of the church. As Sunday School Superintendent, he has helped build up their attendance through a "Super Sunday" program. "The members of Sanders Chapel receive many blessings because of his work."

Greenville: Ms. Carol Richardson is from Bath UMC. She is a Bible teacher whose warmth, humor and joy in the Lord have given her opportunities to lead seminars and retreats, and be an active Lay Speaker in her local church. She is involved in the District Lay Life and Work Committee and participates in many arenas of the life of the church. "She has made a powerful impact on the lives in the community and the Conference serving the Lord."

New Bern: Ms. Kathy Bailey, Trinity UMC, is a mission-oriented person. She has been UMW president, aid to the elderly church members, and coordinator for a missions project in relation to Project Agape. Her church proclaims, "Kathy is our own Energizer Rabbit!"

Raleigh: Mr. Lavern Nanney is a member of Wesley Memorial UMC. He is an active Christian as President of UMM, Adult Sunday School teacher, and team leader for Appalachia Service Project. As his church affirms, "Lavern is a Christian who gives of his time, talent, and resources to do God's work."

Rockingham: Ms. Treva Stewart is a member of Pleasant Grove UMC. As a lay speaker, she leads in the areas of evangelism, worship, UMW, visitation, and on the District Committee on the Superintendency. "The ministry she provides is outstanding."

Rocky Mount: Ms. Elladean "Deanie" Bowers is a member of Jackson UMC. Her involvement includes choir, Adult Sunday School teacher, Administrative Council, UMW, and chairperson for COSROW, to name a few! She also volunteers in a variety of State programs. "When there is a friend in need, she is always a friend indeed!"

Sanford: Ms. Kathy Chappell is from Candor UMC. Her gifts of ministry range from being a Sunday School teacher to coordinator of the Food Pantry, to involvement in the UMW. "Kathy is a dedicated and powerful witness about what God can do in a person's life!"

Wilmington: Ms. Susan Pennock is an active member of Camp UMC in Shallotte. Among her many interests is her ministry with children. She has been instrumental in initiating, coordinating, and maintaining a variety of children's ministries: VBS, children's camp, children's church teacher, and mission coordinator for children. "Susan's ministry expands beyond our church and lives out Christ centered church involvement within the community."

Let us applaud these individuals and the ministry that they provide, and remember that they represent the many laity in our Conference who provide effective ministry.

Our Annual Conference Lay Person of the Year has poured her vitality, enthusiasm, and commitment to Christ into the mission and ministry of her local church, the district, and the NC Conference. She is a role model in that she is committed to the "Connectional Church." Her focus is not limited to her local church or one ministry.

In her local church, she serves as chairperson of Stewardship, vice-president of UMW, Choir member (Soloist), secretary of the Administrative Council and will be the new chairperson of the Council. Her Fourth Sunday Mission Moments have been inspiring and helped to increase the church's giving to mission. She reads much of the church's literature and helps keep the congregation informed. She also finds the time to be a volunteer for Habitat for Humanity.

She is district representative to the Conference Commission on Religion and Race and was elected as the chairperson. She is a member of the District Council on Ministries and serves on the Ministries Budget Committee. She is treasurer of the Conference UMW, a trustee of NC Wesleyan College, and is business manager for the NC Conference School of Christian Mission. She helped to design the first Lay Academy of the SEJBMCR and is treasurer of SEJBMCR. At the general church level, she was recently elected as a director of the Women's Division.

Our Conference Lay Person of the Year does everything she can to contribute to the church and the community. She does any chore from cleaning and decorating to giving inspirational speeches or planning and executing programs. She has gotten off a plane at 10:20 am on Sunday morning and rushed to the church to be able to sing at the morning worship service. Such is her dedication and commitment. More than anything, she is a Christian and a friend. She will indeed pray with you, laugh with you, and cry with you. She is LaNella Smith of Asbury Temple UMC in the Durham District.

We ask that her local church lay leader, pastor, and district superintendent escort her to the podium for the presentation. May we applaud her commitment to our Lord and her commitment to the "Connectional Church."

SOUTHEASTERN JURISDICTIONAL ADMINISTRATIVE COUNCIL

The Southeastern Jurisdictional Administrative Council is grateful to the NC Conference for the support provided this connectional ministry. The work of leaders from the conference has enabled SEJAC to review its mission, revise its servant ministry, and take steps to become more effective in providing inspiration and training for nurture, outreach, and witness. In the mean time, financial contributions from the conference have melded with others to provide a historic level of support for your jurisdictional ministry.

Now, as the renewed SEJAC moves forward in a challenging quadrennium, the NC Annual Conference will be represented on the Council by Bishop Marion Edwards, Robert Baldridge (Hope Morgan Ward), LaNella Smith, Robert Huckaby, and Sam Dixon, Jr. It is our sincere hope that, together, we will be empowered by God to discern needs and tailor responses that will assist you in calling persons to Christ, equipping them in faithful discipleship, and sending them forth in service.

1996 REPORT

Ministry of Program and Agencies - The final year of the quadrennium was also the final year for the Program and Agency Divisions which have been merged into a new comprehensive Ministry Division.

During the year, the Program Division:

- Offered an increased number of opportunities for Bible Study and Faith Formation
- Initiated a series of annual Wesleyan Heritage Weeks
- Enrolled over 22,000 persons in Council Sponsored programs with significant increases in Youth Ministry and Lay Ministry Center participation
- Took steps to create a new office of Outreach and Advocacy to undergird mission, church and society, and ethnic ministries
- Helped establish new Korean-American congregations,supported Hispanic program of lay missioner training, and laid ground work plans in Strengthening the Black Church
- Continued development of theologically sound lay and clergy leadership training programs

During the year, the 7 Jurisdictional Agencies continued their serving ministries as:

- Archives & History hosted 5000 persons in Heritage Center, modeled preservation of historic materials, and provided training for annual conference units.
- Gulfside Assembly expanded its programming to over 5000 youth and adults, sponsored a College and Career Fair, Mission Travel Seminar, and Music School and ministered among the homeless.
- Hinton Rural Life Center consulted with annual conferences and advocated for small membership churches while expanding on-campus programs which included over 1000 in work team experiences.
- Intentional Growth Center continued exceptional Elderhostel and adult ministries, provided confirmation training experiences, and offered many personal, spiritual, and ministry growth programs.
- SEJANAM enabled the formation of Native American congregations as well as other ministries of presence, and provided training for lay members, clergy, and ministerial candidates.
- SEMAR worked with 46 homes for Retarded Adults (307+ residents) and consulted with several annual conferences while advocating for persons with disabilities of all types.
- UMVIM coordinated a historic high of 531 mission teams expending approximately $5,000,000, helped placed persons in individual mission assignments, and explored new areas for international service.

In early 1997, the new Ministry Division hosted its first Ministry Forum designed to seek a common ground in mission for over 60 jurisdictional agencies, associations, fellowships, and organizations as these seek to carry out their ministries. Emphasizing coordination and communication rather than control, new stages in coordination and effective programming are anticipated. In response to requests, a new office in communications technology is

being established to model effective missional and administrative use of current computer, video, and other technologies and to provide assistance to annual conferences upon request.

Lake Junaluska Assembly - Providing a setting for inspiration, training, and wholesome recreation, the Assembly hosted more than 70,000 persons last year. Jurisdictional-wide groups as well as annual conferences, districts, and local churches were served. As part of a studied plan, significant property and service enhancements were undertaken which include:

- Completion of Phase I in the Lambuth exterior renovation as well as extensive interior refurbishing
- Renovation of the Youth Center was begun and will be completed in March, 1997
- Development of additional parking/erection of new signage throughout Assembly
- Establishment of a Residential Services Department as a self-supporting cost center
- Launching of the Hickory Hill Development of 137 residential lots
- Continuation of intentional training and growth in service excellence

In 1997, with support from the Ministry Division, needed video projection will be installed in Stuart Auditorium, renovation of the Lambuth exterior will continue, a new Lakemont Condominium building is scheduled to replace the worn-out Liner Building, plans to upgrade the campground will be pursued, and a new Long Range Planning Task Force will develop a comprehensive plan to guide further development.

During 1997, housing and food revenues failed to meet expectations and contributed to a 2.5% budget deficit. This resulted in a deferred maintenance contribution of $167,000 less than budgeted. A thorough re-evaluation issuing in a reduced operating budget, a series of planned outsourcings, further training in continuous improvement, and changes in leadership promise a better year in 1997. SEJAC's goal is to establish levels of efficiency within the church's value system so focus on mission can supersede financial concerns.

Public Relations, Marketing, and Development - Providing services to both the Ministry Division and Lake Junaluska Assembly, significant steps have been taken to enhance communication within the jurisdiction and redesign staff responsibilities accordingly. During the year the department has:

- Connected with various networks to make Lake Junaluska and Ministry Division resources available
- Improved reservation processes
- Developed a Web Page available on the Internet at LakeJunaluska.com
- Redesigned the SEJ UNITED METHODIST
- Continued to work through system of district Junaluska Advisors
- Established a new Development Committee to seek increased endowment (Currently $5,082,276 with $1,547,545 in restricted accounts. Since 1988, proceeds from property sales are added to endowment)

TRUSTEES, CONFERENCE BOARD OF

The Conference Board of Trustees reorganized in July of 1996 with the election of officers and the establishment of goals for the new quadrennium. Careful review was made of trustee responsibilities regarding Conference properties and policies related thereto.

The Board continues to receive and maintain closed church properties within the various districts of the Conference. Policy followed by the Board with reference to these properties includes possible use by the Conference for church redevelopment, rental by other groups, or possible sale.

Three closed church properties, CENTRAL CROSS in the Rocky Mount District, LIGHTHOUSE in the Sanford District, and PROVIDENCE (Duplin County) in the Goldsboro District have been sold during the year. PIREWAY in the Wilmington District has been deeded to a group of local trustees. Other closed church properties currently being rented include EVANS in the Elizabeth City District, BETHESDA and STANHOPE in the Rocky Mount District, and JOHNSON CHAPEL in the Wilmington District.

Improvements continue to be made to the United Methodist Building in Raleigh, and all available space for rental is fully leased. Minor damages to the building from Hurricane Fran, covered by insurance, are being repaired. Other Conference properties (staff parsonages and camps) where storm damage occurred have also received necessary repairs. Renovations to the episcopal residence have been completed as approved by the Episcopal Residence Committee and the Board of Trustees.

The Board of Trustees, in its organization for the 1997-2000 quadrennium, has established several committees for more effective procedural operation. These include: long-range planning with regard to all properties; property management or disposal; insurance; staff parsonage maintenance; and United Methodist Building.

UNITED METHODIST FOUNDATION, INCORPORATED

Fifty-six (56) new gift and investment accounts and outstanding investment performance during 1996 enabled United Methodist Foundation, Incorporated to reach another significant milestone. For the first time in its 42-year history assets exceeded $50,000,000.

Nine (9) new life income gift plans (charitable gift annuities and charitable remainder trusts) were created in 1996 along with 24 new endowment funds. During the year 23 new revocable investment accounts were opened by churches and causes of the Church. In spite of the scheduled withdrawal of funds ($2.25 million in 1996) from the Conference Board of Pensions account for transfer to the General Board of Pension and Health Benefits, the total assets of the Foundation continue to grow due to new gifts and investments plus outstanding investment performance. (Total net assets on 12/31/95 were $44,991,545 while on 12/31/96 they had grown to $50,014,481.)

In 1996 the net income credited to or paid to unitholders was $1,727,595 while the net realized and unrealized gains on investments amounted to $4,203,262 for a total investment return of 12.7%. Over the past 10 years the annual average rate of return has been 9.94%.

The Foundation secured the services of Smith Barney Consulting Group as its investment management consultant in 1996. The new consultant assisted in determining a new asset allocation which provides wider diversification of investments and more specialization with professional funds managers. The new asset allocation directs 60% of the total portfolio in equity investments and 40% in fixed income investments.

The present equity investment managers employed by the Foundation are Oppenheimer Capital (Large Cap Value), Montag and Caldwell (Large Cap Growth), Furman Selz (Small Cap), and Brandes Investment Partners (International). The fixed income managers are Invesco (Intermediate Term Securities) and Oxford Mortgage Corporation (Mortgage Loans).

While growing assets and outstanding investment performance are reasons for celebrating 1996 as an outstanding year for Christian stewardship through the Foundation, the greater reasons for celebration are the causes of the Church which are made possible because of gifts which have been made. A look at the gifts and investments which make up the 56 new accounts in 1996 will highlight only a few of the many missional causes supported by 413 accounts (as of 1/1/97) which make up the Foundation.

Many churches have used the information, materials, and expertise of the Foundation in establishing planned giving and endowment programs at the local church level. *Planned Giving Handbook for Churches of the North Carolina Conference*, developed by UMF, Inc., continues to be the basic resource used by local churches in these programs. Over 1,000 copies of this Handbook have been distributed to churches in the NC Conference by the Foundation. Through distribution of stewardship education information and materials, estate and gift planning workshops, and other stewardship events at the local church level, there is an increasing awareness of a broader dimension of Christian stewardship. With emphasis on this broader dimension which includes giving from accumulated and accumulating assets as well as from current income, many churches are able to fund long-term as well as current programs and causes.

During 1996 careful consideration was given to the need for restructuring the Foundation for increased efficiency and effectiveness. To help reach this goal the Foundation is requesting that the 1997 Annual Conference grant authority to the Foundation to amend and restate its corporate Charter. This amended and restated Charter will result in downsizing the Board of Directors, providing a method of electing the most qualified directors, and more effectively utilizing the skills and expertise of the directors. It also addresses the legal relationship between the Foundation and the Annual Conference which is recommended by legal counsel.

On behalf of the Board of Directors and the staff of UMF, we offer deep appreciation for the faithful support given to this stewardship ministry of the Church and to the many donors through whose generosity the Church is strengthened for present and future ministry.

UNITED METHODIST MEN

As of January, 1997, there were 246 active nationally chartered United Methodist Men's fellowships in the North Carolina Conference, representing an increase of 11 over the preceding year. Although this was an increase of almost 10%, there are still almost three-fourths of the charges in the Conference that have no chartered men's organization.

Founded on evangelism, mission and spiritual life, United Methodist Men seek to build a Christian community among themselves and witness to the world their faith in our Lord and Savior. We work both to serve the congregations of which we are a part, and to do God's work in the larger society that surrounds us. We share with others the Good News of God's Grace, we respond to the cries of the needy where possible, and through fellowship with each other, we nurture the Holy spirit within each of us.

Conference officers for 1997 are Guy Tilley, president; Bruce Keyser, vice-president; Mack Parker, secretary; Frank Cox, treasurer. District presidents are Mike Askew, Elizabeth City; Jessie Callahan, Fayetteville; Steve Walker, Goldsboro; George Avery, Greenville; Kenneth Lymaster, New Bern; Bill Moon, Raleigh; Donald Rainer, Rockingham; B.D. Rabil, Rocky Mount; Gary Frick, Sanford; and Charles Gregson, Wilmington. At the time of this report, the Burlington and Durham districts were without district presidents.

Priority Conference goals for this year are:

1. To increase the number of active chartered fellowships in each district.
2. To increase participation in district and Conference events and projects.
3. To increase EMS memberships from the present number of 265. EMS members are men who support connectional UMM programs through annual membership fees of $15.00, which include a subscription to the national UMM publication "Men's News."
4. To further underwrite the Meals for Millions project of the Society of Saint Andrew. This is a program to provide low cost potato meals to hungry people across the United States, which is being accomplished at an amazing one cent per serving. Local UMM fellowships are being asked to accept a challenge fellowship of $10.00 per member per year and to distribute Meals for Millions lapel pins throughout their congregations and elsewhere in exchange for a small donation. In addition, they are asked to participate in the Society's Gleaning Network and Mile of Pennies program.
5. To support the work of the Upper Room Prayer Center in Nashville both through financial contributions and participation in the national telephone prayer ministry. The UMM will man the prayer lines at the Annual Conference in June and at the fall meeting in November.
6. To continue and increase our support of the scouting movement through sponsorship of Boy Scout and Cub Scout Units.

We look forward to the United Methodist Men continuing to be a vital organization within The United Methodist Church, and invite men of all ages to join in our work and fellowship.

Guy Tilley, *President*

UNITED METHODIST WOMEN

The 1993-1996 Quadrennial Theme for United Methodist Women in the NC Conference was "Glimpses of God-Reflections of Christ." The focus for 1996 was "Glimpses of God-Reflections of Christ...In Our World." We are UMW in mission in over 100 countries all around the world through the missions projects that we help to support through our Pledges to Mission. 1996 afforded the opportunity for us, as UMW, to take a closer look at what we are doing to show "Glimpses of God and Reflections of Christ" to a hurting world.

In January, newly elected Conference Officers were trained at the Leaders In Training Event in Chicago. The Conference Executive Committee, Program Committee and District President's met at NC Wesleyan College to make plans for the year. January was also the month for District Officers to train local officers.

Seventy-seven women from our Conference attended the SEJ Quadrennial Meeting, March 15-17, in Memphis, TN. The meeting featured Bible Study, prayer, mission update and ended with commitments to be God's partners in mission. The 1996 Conference 39 and Under Event at Methodist College was led by Lib Campbell. Also, in March, we supported and promoted the Food Lion Community Ways Days for the Methodist Home for Children and helped in raising over $26,000 for our Children's Homes. Our goal for 1997 is to raise $35,000!

In April, some of our members were actively involved in the Church Women United State Assembly held at Emmanual UMC in Burlington.

A record three hundred and one took time apart for spiritual renewal when they attended the Conference Spiritual Enrichment Retreat led by Dr. Evelyn Laycock which was held at Louisburg College on May 17-18. The Scholarship Committee met in May and awarded $7,150 in scholarships to 15 applicants who were attending Methodist colleges or who planned to enter religious occupations.

In June, the 13 elected Conference Officers attended the South Atlantic Regional School at Millsaps College in Jackson, MS. Every officer had devotional time, officer update and 10 hours of study in one of the three Church-wide Mission Studies for 1997.

In July, some of the Conference Officers and representatives from the Districts participated in a Mission Education Event at the Bethlehem Center in Winston-Salem. We got to see "first hand" where some of our pledge money goes. Another event is planned for April 6-8, 1997 when we will go to the Bethlehem Center-Wilson Inn project in Richmond, VA. It is hoped that local unit and district Mission Education Events will be planned and that others will go and take part in a "hands-on" mission experience at one of our projects.

"Living God's Vision for a Just World" was the theme for the first Conference School of Christian Mission sponsored by UMW held at Methodist College August 1-3, 1996. The UMW and clergy persons who attended had the opportunity to take all three of the 1997 Mission Studies as well as take advantage of an outstanding Learning Resource Center provided by our District Presidents. The school also offered focus groups and leadership development. We hope the attendance will be even better at the 1997 Conference School of Christian Mission which will be July 31-August 2, 1997 at Methodist College.

The Mother/Child Retreats held at Camp Chestnut Ridge, Don Lee and Camp Rockfish on September 20-21, 1996 were a great success and were filled to capacity.

Attendance was up at our all new one-day Annual Meeting held at Methodist College on October 12th. The program featured performances by an African Dance Company and children from The Raleigh Chinese Language School. Mission moments were shared about projects that we help support in Africa and China. We *are* helping to show "Glimpses of God and Reflections of Christ...In Our World!"

In 1996 our Conference Pledge to Mission was $400,000. We exceeded that pledge by $8,000 having sent over $408,000 as we commit to continue to be God's partners in mission here at home and all around the world.

1997 marks the 25th Birthday of UMW. Though we have been women in mission in predecessor organizations since 1869, 1997 marks 25 years since we have been called UMW. "Mission Alive at 25" is the anniversary theme and there will be many celebrations in 1997. In the words or our new Women's Division President, Sara Shingler, "UMW members have shown Christ to the world as they have developed mission projects and programs all around the world to carry out Christ's words in John 21:15-17,...Feed my lambs..Tend my sheep...Feed my sheep."

Our Quadrennial Theme for 1997-2000 is "Linked with Christ in Mission and Ministry...1997 Through Loving...1998 Through Living...1999 Through Growing...2000 Through Giving." We look forward to exciting things happening as we strive to be "Linked with Christ in Mission and Ministry!"

Jeanne Rouse, *President*

UNITED METHODIST YOUTH

"Celebrate Life, Celebrate Youth, Celebrate Faith" was the theme selected for the 1996-1997 year at the Conference Youth Committee planning retreat in 1996. This theme arises out of a year to celebrate in 1996 with just over 3200 youth and adults involved on a Conference basis (not including all that takes place in youth ministry among local churches)!

We celebrate the participation of youth from across the Conference in seven events over the year: Global Vision, Rally Day, Appalachian Trail Hike, Summer Breakaway, ACS-Annual Conference Session for Youth, Youth Mission Workteam and Pilgrimage. Global Vision included a visit to New York City and a seminar to explore issues of youth in crisis. Rally Day was a beautiful spring afternoon to celebrate the place of youth within the life of the church. The Appalachian Trail Hike proved to be a mountaintop experience of God for those involved. Summer Breakaway and ACS offered times of worship and sharing experiences of fellowship and faith in small and large groups. Two youth mission workteams to Costa Rica provided an avenue for Christian service. Pilgrimage (with over 2100 in attendance) with moving messages of invitation to Christian discipleship from Rev. Rodney Smothers will be the Pilgrimage by which all others are measured.

In addition to these events, youth ministry extended across the Conference through YES! Ministries - Youth Empowered by the Savior! Six YES! Ministries Weekends were held in local churches in 1996. On these weekends youth are in leadership of a weekend designed for group building and faith sharing among the youth of a local church youth ministry.

Youth Service Fund continues to be a avenue of mission for United Methodist Youth. Grants to such ministries with youth as the Highland Service Project, the Society of St Andrew, Camp Providence, Confrontation Point, Asbury Basketball Camp, Base Christian Communities Network in Nicaragua, SEJANAM and many other worthy ministries are possible only in as much as local churches support and contribute to Youth Service Fund. Youth Service Fund is money raised by youth and spent by youth to benefit youth. While the contributions to YSF at Conference youth events is very good, more support from local churches is needed to reach our goal of $15,000 a year.

We celebrate all that local church youth ministries are doing in areas of mission, service, study, outreach, fellowship and spiritual growth. We celebrate and give thanks to the Annual Conference and all the people within local churches giving support and encouragement to youth ministry. We pray for God's guidance and blessing as we move forward in celebration of life, of being youth and of faith.

1996-99 NC CONFERENCE INCLUSIVENESS PLAN CALENDAR

Priorities for Moving Toward Inclusiveness in the NC Conference of The UMC 1996:

I. Each Conference Agency, Commissions, District Councils on Ministries, the Cabinet, and each local church make an honest assessment of where we are NOW in our practice of inclusiveness. Each adopt several realistic goals for moving forward. Dates for specific achievements are to be included. *To be implemented by conference agencies and commissions, district Councils on Ministries, the Cabinet, and each local church.*
 - A. Forms for assessment, inventory can come from the General Commission on Religion and Race.
 - B. This assessment and suggested goals for progress is to be reported and adopted at Annual Conference 1996.
 - C. Goals could include the following:
 1. Pulpit and choir exchanges across racial lines.
 2. Cross racial pastoral exchanges for a month or two.
 3. Cross racial youth exchanges for weekends.
 4. Cross racial retreats with groups like young adults and young families.
 5. Multi-racial work team projects through District/Conference and UMCOR.

6. Pastors, chairpersons of Religion and Race, and the Lay Leaders report quarterly to their Administrative Boards/Councils and annually at the Charge Conference of progress toward inclusiveness.

II. District Superintendents keep in close touch with local church programs and local efforts toward inclusiveness (drawing upon their guidelines for open itineracy already in use) with special interest in finding congregations and pastors most ready for cross racial appointments. *To be implemented by the Cabinet.*
 A. Reports at Charge Conference include items about cross racial ministries/activities/efforts.
 B. Intensive, thorough training of ministers and Pastor-Parish Relations Committees begin immediately preparing for cross racial work in pastoral leadership, and explore new models for worship and preaching.
 C. Our seminaries and colleges/universities serve as resources for this, but most of the training be done in the districts.

III. Every District have frequent (perhaps quarterly) seminars/conversations on RACISM, ETHNIC CONCERNS, and CULTURAL DIFFERENCES. These sessions should conclude with a summary statement (for the record) and the adoption of an action project for moving us forward in dealing with problems. *To be implemented by the district Council on Ministries.*
 A. These sessions focus on the local church leaders and pastors.
 B. The Commission on Religion and Race lead some of these discussions.
 C. Good materials are available in our Media Center and others will be obtained by the Commission on Religion and Race.

IV. The District Superintendents, District Chairpersons of Religion and Race, Conference Council on Ministries, and District Council on Ministries be alert to any possibilities for affirming/encouraging local efforts in our movement toward inclusiveness. *To be implemented by the district superintendents, the district chairpersons of religion and race, the conference council on ministries, and the district council on ministries.*

V. The Conference Commission on Religion and Race will monitor all priority programs in Conference Agencies, Institutions, and District Council on Ministries. An annual report of this monitoring should be presented at Annual Conference (to raise awareness and concern). *To be implemented by the Conference Commission on Religion and Race.*

VI. We urge that the theme of the 1997 Annual Conference address INCLUSIVENESS. *To be implemented by the Annual Conference Program Committee.*

VII. Every church have a chairperson of Religion and Race or that work assigned to someone. *To be implemented by the local church committee on nominations.*

1997:

I. VISION 2000 and TRANSFORMATION 2000 projects/programs be deliberate and intentional in implementing progress in inclusiveness. *To be implemented by the Conference Task Force on Vision 2000.*

II. Projects to establish new churches be faithful in its inclusiveness. Multi-cultural ministries be promoted and cross racial congregations established wherever possible. In establishing new congregations we recommend recruiting 20 "Charter Members" from established churches - mixed race if possible. New churches could use Good Shepherd UMC, Durham, as a model. *To be implemented by the Conference Commission on Congregational Development.*

III. Local UM Churches reach out to AME, AME ZION, Lumber River Holiness Methodist Church and CME churches in concrete efforts to make multi cultural/racial experiences in church life an "every day" experience. *To be implemented by the local church outreach chairperson or the local church chairperson of ecumenical and interreligious concerns.*

IV. The Cabinet continue efforts to identify any possibilities for cross racial appointments and make as many as possible. Appointments of cross racial staff persons to churches with several associates be possible soon. where progress lags in some churches, the District Superintendent make efforts to move them forward by holding pastors and Pastor-Parish Relation committees accountable for good faith efforts. This be discussed with pastors as one item at the annual evaluation session. We must remove all doubt - we are serious about inclusiveness. *To be implemented by the Cabinet.*

V. Celebrate and publicize progress toward inclusiveness by use of the *Christian Advocate*, Connectings, and Race Relations Awards. *To be implemented by the Committee on Communications.*

VI. (1) Each program agency will designate at least ten percent of its program budget for ministries addressing racial/ethnic needs. (2) The State Commission on Campus Ministry and each ministry under the Board of Institutions will be asked to earmark at

least 10% of the grant from annual conference for ministries which address racial/ethnic inclusiveness issues. (3) The Conference Council on Ministries budget $100,000 for the ELCC Committee (budget approved by annual conference in 1997, to be raised in 1998, to be spent in 1999) to be used by the ELCC Committee and to be used by program agencies who will seek grants from the ELCC Committee. The first year request of $100,000 is to be reduced by 10% in each subsequent year until it is reduced to $60,000 a year, at which time the figure remains at that base. *To be implemented by the Conference Council on Ministries.*

VII. Create and maintain an ongoing training and cross racial experiences for local church leadership including youth. This be done by any of the following: the district superintendents, the conference commission on religion and race, the board of the ordained ministry, the agencies of continuing education, and the commission on laity. *To be coordinated by the Conference Council on Ministries*

VIII. The Commission on Religion and Race will monitor these steps and present at Annual Conference in 1997 a comprehensive report on the status of our inclusiveness programs, with recommendations for our next steps forward. *To be implemented by the Conference Commission on Religion and Race.*

1998:

I. The Commission on Religion and Race will monitor these steps and develop and present at Annual Conference in 1998 a comprehensive report on the status of our inclusiveness programs, with recommendations for the next steps forward. *To be implemented by the Conference Commission on Religion and Race.*

II. The Cabinet to give a report on inclusiveness concerning the NC Annual Conference to the General Conference of The UMC. *To be implemented by the Cabinet.*

III. For Conference of 1997 or 1998 an updated "DESIGN for INCLUSIVENESS" be developed with part of it left open-ended for lay and clergy discussion groups at Annual Conference. This could be done in a 2 hour Friday afternoon time frame. This would give inclusiveness the attention it needs and some input from a wide range of people and opinions. *To be implemented by the Annual Conference Program Committee.*

IV. It is recommended that the Commission on Missions establish a program for "SHALOM ZONES" in our Conference area and enlist Volunteers in Missions to send work teams to build and learn and grow. *To be implemented by the Commission on Missions and Outreach*

V. Have a class/discussion during the Bishop's Seminar each year. Perhaps one session might be a "Role Play" on what it's like be a African American/Native American/Asian American/European American as a pastor in the NC Conference, or lay person in a local church. *To be implemented by the Committee on the Bishop's Seminar.*

1999:

I. The Commission on Religion and Race monitor these steps and give a status report on inclusiveness in the NC UM Churches with further recommendations for the next step. *To be implemented by the Conference Commission on Religion and Race.*

II. The Cabinet maintain strong emphasis on cross racial experiences and continuing open discussions on race relations and cultural differences with the goal of putting every UM at ease with cross racial/multi ethnic congregational life. *To be implemented by the Cabinet.*

III. The Commission on Religion and Race and ELCC Committee do an evening program at Annual Conference at the 1999 session. *To be implemented by the Annual Conference Program Committee, along with the Commission on Religion and Race and the ELCC Committee.*

IV. *A Litany for All Saints

Leader: For all the saints, O God who from their labors rest,
People: We glorify your name!
Leader: Vast has been the number of your saints, some famous, most of them unrecorded, except in your Book of Life.
People: From every people and nation, from every race and tongue, you have gathered them into your kingdom.
Leader: They were human, surely, but with the aid of your Spirit, they wrought great deeds of mercy and offered eloquent witness to your power and love.
People: We dedicate this service to the celebration of their witness and of their deeds.
Leader: For all your saints, O God, and especially for those who loved and served you
within the fellowship of this Annual Conference,
People: We magnify your holy name! Amen.

CLIFTON RIDDICK HOLLOWELL

1934 - 1996

The Reverend Clifton Riddick Hollowell was born July 15, 1934. He was the son of Willie Franklin Hollowell and Nannie Umphlett of Perquimans County. Following two years at Louisburg College in Louisburg, he was awarded the AB degree from Atlantic Christian College (now Barton College) in Wilson. He attended Duke University Divinity School for one year, and then completed the Conference Course of Study at the Pastor's School of Duke Divinity School. He began preaching in the North Carolina Conference in June of 1956 as a full-time local pastor, and was ordained as a deacon in 1962 and an elder in 1964.

He was married to Jo-Anne Mathews of Hertford on June 2, 1957. Their children are Bonnie Hollowell Whitehurst of Graham, Wayne Hollowell of New York, Mary Hollowell and Laura Hollowell of the home. They have one grandchild, Keaton Whitehurst, of Graham.

Mr. Hollowell faithfully served the following appointments: Micro-Fellowship, New Hope, Walstonburg, Goshen-Keener, Providence at Goldsboro, Marvin-Red Oak, Robersonville, Halifax, and Victory in Fayetteville. Clifton served a total of almost 30 years in service to churches in the NC Conference until 1986 when he received a heart transplant and was placed on disability leave.

When Clifton had to be placed on disability leave, he elected to place his charge conference membership at Hay Street UMC in Fayetteville where he remained as active as possible. He and his family purchased a home in Hope Mills where he lived until early 1996. Due to several illnesses he entered Wesley Pines Retirement Home in Lumberton where he remained until his death.

Clifton was dedicated to his calling as a minister of Jesus Christ. Without a definite call to ministry and a deep dedication to his Lord, he could have never been able to perform his ministry so successfully. Every single church that he served showed a plus growth in membership from a low of +5 to a high of +108. Many of the church buildings and/or parsonages were remodeled or rebuilt during his years of service.

Clifton Riddick Hollowell died at Wesley Pines Retirement Home on September 22, 1996, after an extended illness. Through all the years of his suffering he was never bitter toward God. His faith in God was strong, and his reliance upon God was definite. When his body became disabled and overtaken by disease, he completed his rest from labor.

Funeral services were conducted from Swindell Funeral Home in Hertford on September 24, 1996, by the Reverend Dr. Bruce D. Taylor, pastor of Hay Street UMC, the Reverend James E. Sutton, pastor of First UMC in Garner, and the Reverend Dr. J. Thomas Smith, district superintendent of the Fayetteville District of the NC Conference, with interment in the Cedar Wood Cemetery at Hertford.

RUSSELL SAGE HARRISON

1906 - 1996

Russell Sage Harrison was born on December 16, 1906 near Plymouth. He was the oldest of 12 children born to Newsome H. and Rhoda Elizabeth Harrison. His long and eventful life ended on December 12, 1996 at the Methodist Retirement Home in Durham, shortly after his 90th birthday.

Russell received his BA degree from Duke University and his BD degree from Duke Divinity School. He was ordained deacon in 1936 and elder in 1938 in the North Carolina Conference, where he served for 41 and one-half

years. His first appointment was to the Dare Circuit, and subsequently to Currituck, Southport, Cary, Fayetteville Circuit, Mt. Olive, Oxford, Haymount in Fayetteville, Grace in Wilmington, Lumberton, Hamlet, Epworth in Durham, Trinity in Red Springs, and Fremont, thus pastoring a total of 17 churches.

He met Julia Grayson, a young teacher in Rutherford County during a ministerial internship program, and he married her on May 30, 1938. On their honeymoon they were victims of a head-on car collision with another couple also on their honeymoon. As a result of this accident, Russell lost an eye, but his attitude was never self-pitying. When he was fitted with his first prosthetic eye, he told the doctor, "Just make sure you put a twinkle in it!"

Russell was a man of strong character and ethics, and he had very strong ideals of right and wrong. He was thoroughly versed in the scriptures and always interpreted them with a sense of integrity. He was praised as an excellent preacher, and his sermons were intellectually stimulating. He also was a good story teller and enjoyed sharing amusing anecdotes with his friends and relatives. A steward at a church he once served described him as a "tireless worker as a pastor among the Methodist congregation, and indeed, the whole community."

Russell so loved the ministry that he and Julia set up a scholarship fund for students at Duke Divinity School in the 1970's. The Harrison Fund continues to offer financial assistance to Duke ministerial students.

Julia preceded Russell in death on January 31, 1994, after a long and eventful life of almost 86 years, and over 55 years of marriage. She had worked tirelessly with Russell in every church and community until his retirement in 1976.

Russell and Julia are survived by three children: Hope of San Diego, CA, who is an M.S.W. supervisor with Child Protective Services; Jon at Michigan State University, where he is a librarian overseeing the criminal justice and law divisions; and Russell, Jr., a professor at Rutgers University, where he is chairman of the political science department. They also are survived by six grandchildren.

A Service of Death and Resurrection at Epworth Church in Durham was graciously conducted by the Reverend Bess Hunnings and the Reverend Charles Morrison on December 24, 1996. Interment was at Chapel Hill Memorial Cemetery.

"Surely goodness and mercy shall follow me all the days of my life, and I will dwell in the house of the Lord forever."

LEON MORAN BROCK

1908 - 1997

The Reverend Leon Moran Brock was born on July 7, 1908 to Homer and Lula Brock at Clinton in Sampson County. He married Willie Jane Pope on April 17, 1927. They made their home in Clinton in other work until Reverend Brock entered the full-time ministry of The United Methodist Church.

He faithfully served the following charges: Seven Springs, Salemburg, Rocky Point, Oleander in Wilmington, Hallsboro, and Shiloh at Bolton.

Leon Brock was a remarkable and determined man who from a young age dreamed of becoming an ordained Methodist minister. His dream and formal education were put on hold, however, until he and his wife raised their family of five children. But never losing sight of his dream, he resumed his education, receiving his high school diploma from Sampson County Technical Institute. He studied theology through Emory University and the Duke Divinity School, and he served the Lord as a supply pastor in the NC Conference while he continued his education. He received his license to preach in 1956, then was ordained a deacon in The United Methodist Church in 1969, fulfilling that life-long dream.

Leon passed away on February 19, 1997, at Brunswick Cove Nursing Center in Wilmington after a long battle with Alzheimer's. A graveside service was held on February 21, 1997, at the family burial plot in the Clinton Cemetery. His body was placed beside his loving wife of over 65 years who had died before him on April 2, 1993.

The Reverend Bob Bauman of Sunset Park UMC in Wilmington and the Reverend Gerald Massey of Carolina Beach UMC presided at the service. Leon was a member of Sunset Park when he died.

Leon is survived by two daughters, Wanda Brock Pittman of Wilmington, and Catherine Brock Tart of Wendell; and three sons, Leon M. Brock, Jr., of Stedman, Donald G. Brock of High Point, and Willie R. Brock of Wilmington. He also is survived by 10 grandchildren and seven great-grandchildren.

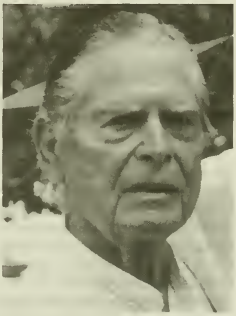

About our father -

Leon Brock's life would not have been complete had he not had those special years to preach the Gospel of Jesus Christ. His faith was so strong, and he was an inspiration to all those around him, even during his long illness with Alzheimer's.

Our Dad was a loving and dedicated father and husband, making certain his children were raised and educated in a Christian home. He had very few hobbies other than raising a garden and fishing when time permitted. He served his God through his church and community, witnessing for Jesus Christ to anyone who would listen for as long as any of us can remember.

Heaven shines a little brighter now with his presence.

WILLIAM FRANKLIN MEACHAM

1921 - 1997

William Franklin Meacham was born in Chatham County on March 21, 1921, the son of William Hubert and Eugenia Ivey Meacham who were in a dairy farm business. Bill attended the Pittsboro Public Schools, and was graduated from Elon Collge prior to answering his call to ministry and attending Duke Divinity School.

While at Elon College, Bill met Carrie Hettie Rook of Gibsonville, and he married her on December 15, 1943. Of this marriage four children were born.

Being the humble and caring person that he was, Bill actively sought ministry in the Methodist Church. He had a strong love for Christ and for people, and a strong desire to bring Christ and people together. He loved his church and was happiest when preaching the message of his Master.

He served as a local pastor at Franklin Memorial in Morehead City the early part of 1945, Stumpy Point at the end of 1945, Creswell in 1947, followed by Milton in 1949. He became a probationary member in 1954, was ordained a deacon in 1956, and an elder in 1958. He next served the Sandhill Circuit beginning in 1959, Candor in 1960, and Ellerbe in 1965.

After 29 years in the ministry, Bill took supernumerary leave in 1974 to work as a full-time dog trainer (training bird dogs), and a part-time musician on nights and weekends to pay for his children's college education. Bill loved blue grass music, played the mandolin all his life, and played with a band as long as his health would allow it. He also wrote short stories for publication from time to time.

By 1977, Bill was suffering from severe bouts of rheumatoid arthritis and heart problems. This forced him to retire that year, and he and Carrie bought a retirement home in Ellerbe. Carrie took a job in the library at the L. J. Bell Public School nearby and continues to work there. Bill was very ill for 16 years before he suffered a sudden massive heart attack. He was taken to the Pinehurst Hospital and died there on March 24, 1997.

A graveside service was held at the Mann's Chapel Cemetery in Chatham County, the place of Bill's home church, now closed. Bill planned his impending farewell in his special simple style - with no fanfare; and true to his humble nature, he wanted to be buried in a simple pine box - so it was done.

A devoted husband and father, his survivors know that all the things he did in his lifetime, he did for them, and for the glory of God. He just "went around doing good," in his quiet modest spirit, strong and simple faith; and he left a wonderful heritage of faith and courage to his family. Life is, and should be, measured by the quality of life, loving deeds, abiding loyalty, and devoted service to God. With this keen and clear sense of spiritual

values, he had many rewarding years in the pastorate, and it was indeed a worthy life serving his Lord.

His wife, Carrie, remains at home in Ellerbe; daughters, Jackie Cheryl Meacham of Buies Creek is a retired probation officer, and Mabel Eugenia Meacham of the home is a school teacher; sons, Eddie Hubert Meacham of Southern Pines is a lawyer who was recently married to Kea Capel (a celebration that was planned at the time of Bill's death); and Wade Rook Meacham of the home is a "college degree" professional dog trainer. Bill also is survived by one brother, Marvin Meacham of Chapel Hill; and one sister, Floyezell Meacham Crimm of Chesapeake, VA.

1932 - 1997

Charles Irvin Umstead, Jr., was born to Charles Irvin Umstead and Joanna Marshburn Umstead on March 8, 1932, in Gainesville, FL. The family soon moved to Pinetops and later to Rocky Mount. Charles attended public school in Pinetops and was graduated from Rocky Mount High School. He continued his education at UNC-Chapel Hill for one year, then entered the US Army. During the Korean Conflict, he served with the occupation forces in Germany.

Charles and his brother, William, operated a furniture manufacturing business in Rocky Mount following his discharge from the Army.

On August 23, 1963, he married Etta Moore Barnhill. This union was blessed with the birth of a son, Walter Allen "Henry;" and also by Etta's daughter by a former marriage, Georgia Willoughby of Farmville.

In 1965, at the age of 33, while a member of Clark Street UMC in Rocky Mount, Charles answered the call of God to the ministry. He resumed his education at Louisburg College. After graduation he transferred to Atlantic Christian (now Barton) College, where he earned his Bachelor's degree. In further preparation for ministerial service, he attended the Pastor's School at Duke Divinity School. He began his ministry in 1965 as a local pastor and was received into the NC Conference as an Associate Member in 1972.

His pastoral appointments included: Core Creek, 1965-69; Hornes, 1969-70; Nash Charge, 1970-71; Vanceboro Circuit, 1971-73; Straits-North River, 1973-November,1976; Disability Leave, November 1976-June 1977; Morehead City: St. Peter's-Broad Creek, 1977-1980. He retired in June of 1980, was granted disability leave in 1982, and retired again in June of 1983.

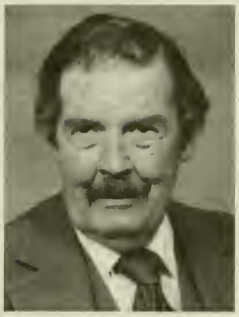

In addition to his pastoral duties, Charles did substitute teaching in Vanceboro and Carteret County schools. After retirement he taught at Carteret Community College in the Criminal Justice Department, and in the social studies curriculum about the federal, state, and local levels of government.

Charles died on April 1, 1997, at Sea Level Extended Care after years of declining health. His funeral service was held at Core Creek UMC near Beaufort on April 4, 1997. Participating in the service were the pastor, Michael Nelson, Robert S. Pullman, C. Maness Mitchell, and Sam Wynn, superintendent of the New Bern District. Interment was in the Core Creek UMC Cemetery.

FREDERICK FAIRFAX DILLON

1927 - 1997

Frederick Fairfax Dillon was born in Wyoming County in West Virginia on April 16, 1927, the youngest of six children of Robert L. and Blanche Bailey Dillon.

Fred married his childhood sweetheart, Dorothy Anita Thompson on August 21, 1948. They had attended Concord College in West Virginia together, and after graduation from Concord College, Anita was a school teacher for 35 years. Fred served pastorates in West Virginia from 1961-64.

Fred also went on to attend Louisburg College, Barton College in Wilson, and Duke Divinity School. While at the Divinity School he served student pastorates in Saulston and Whitley Memorial in Smithfield.

Together Fred and Anita served the following appointments in the NC Conference: Mt. Carmel-Saulston, 1964; Smithfield: Whitley, 1968; Henderson: City Road, 1971; Raleigh: Cokesbury, 1972; Belhaven: Trinity, 1973; Tyrrell, 1976; Institute, 1980; Institute-Hickory Grove, 1982; and Bell Arthur, 1983. Fred was admitted as a probationary member in 1971, and became an Associate Member in 1978. Over 22 years serving in active ministry passed before Fred was forced to take disability leave in 1984 due to the severe effects of rheumatoid arthritis.

His health deteriorating, Fred retired in 1992 to Goldsboro where they lived until his death on April 12, 1997. Funeral services were held at the Saulston UMC with Dr. Dennis Draper officiating. Burial was in the Pikeville Cemetery.

Fred Dillon is survived by his wife, Anita Thompson Dillon of Goldsboro; a daughter, Deborah Dee Dillon Oliver of Smithfield; two grandchildren, Catherine Oliver Brown and Jennifer Oliver; one great-grandchild, Bradley Brown; and since Fred's passing, a second great-grandchild, Sara Ann Brown.

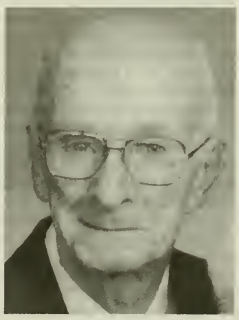

Friends and family will remember that Fred enjoyed golf and fishing over his lifetime, but most of all, he was a "people person." He truly loved people, and he loved visiting and talking with friend or stranger. At the time of his death, he had been busy in the process of writing books.

"...The battle's fought, the victory won, enter the Master's joy."

THEODORE ROOSEVELT JENKINS

1903 - 1997

"Make love your aim and earnestly desire the spiritual gifts." (I Corinthians 14) On May 26, 1997, a man of many great gifts from God ended his earthly journey.

Theodore Roosevelt Jenkins began his journey on September 25, 1903 in Maysville. He was the son of the Reverend William A. (a member of the NC Conference, 1892 - 1911) and Mrs. Blanche Evans Jenkins. He graduated from West Durham High School, Duke University, and Duke Divinity School.

Theodore (PaPaw to family) spent 93 years making the love of God his aim. He will be remembered as a kind and gentle man who dearly loved his God, his family, and his fellow man. His work in various churches from Beaufort to Burlington was in itself a labor of love. He was a builder of churches and a strengthener of souls, and his work in The United Methodist Church reflected his great love and devotion.

Admitted on trial in 1932, ordained a deacon in 1934 and elder in 1936, his appointments spanned 37 years: Leasburg Circuit, 1932; Mebane, 1935; Maxton, 1939;

Plymouth, 1943; Ann Street, 1947; Davis Street, 1952; Jacksonville, 1956; Haymount, 1960; and Roanoke Rapids, 1965. He retired in 1969 to High Point, but later moved to Kannapolis.

Ted Jenkins married Ormah Hendon Woods, a teacher, on August 30, 1928, and for 67 years, they shared a deep and abiding love until Ormah's death on January 9, 1996. They also shared a life of ministry with dedication and devotion that touched the hearts of many.

They raised a daughter, Jeanne Jenkins Boswell, now of Kannapolis, to carry on in their example. They were so very blessed by God to enjoy almost 27 years of retirement - especially with grandchildren and great-grandchildren. PaPaw is most remembered for his quiet reverence and gentle loving spirit. Through countless sleigh rides and fishing trips, he conveyed the joy for life and love of God to his four grandchildren. In recent years, through cartoons and stories with his great-grandchildren, the legacy was handed forth.

On May 30, 1997, Ted Jenkins was laid to rest beside his precious Ormah in Maplewood Cemetery in Durham. The graveside service was officiated by the Reverend Gregory Smith and Ms. Sarah Weaver of Kannapolis. It was attended by many family members, friends, and former colleagues, who celebrated the special time shared with one of God's finest servants.

As the dawn breaks forth each day now, we are reminded anew of Papaw's joy to be reunited with his wife and his God. Rays of sunshine rekindle in our hearts a desire to share the love we were given, in hopes that we, too, may go home someday and hear, "Well done, my good and faithful servant," as surely as Papaw did.

Surviving are his daughter, Jeanne Jenkins Boswell of Kannapolis; four grandchildren, Debi Canter of Raleigh, Dori Swaringen of Concord, Rob Boswell of China Grove, and Donae Yoos of Concord; and five great-grandchildren, Megan and Matthew Canter, Jessica and Parker Swaringen, and Gabriel Boswell.

Ted Jenkins will be deeply missed by all of his family and friends. "Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord for ever." (Psalm 23)

WILLIAM RAGSDALE CANNON, JR.

1916 - 1997

Bishop, educator and ecumenist, William Ragsdale Cannon, Jr., 81, died May 11, 1997 in Atlanta. The distinguished Georgia scholar and churchman was born April 5, 1916 in Chattanooga, TN, and reared in Dalton, GA. His long career included 25 years at Emory University as professor and dean of the Candler School of Theology, 16 years as a bishop, and 12 years teaching at Emory as a retired bishop.

Cannon was a *summa cum laude* graduate of the University of Georgia with an A.B. in 1937, Yale University with a Ph.D. in 1942, a Rhodes Scholar to Oxford University in 1943, and Yale University Divinity School with a B.D. in 1948. His brilliant academic record at Yale equaled the perfect grades of Jonathan Edwards.

The Funeral service was under the direction of the Council of Bishops, and was held in the Northside UMC of Atlanta where he had been Bishop in Residence since his retirement August 31, 1984. The eulogy was given by his long time friend and colleague, Bishop Mack B. Stokes, with Bishops Lindsey Davis, L. Bevel Jones, Earl G. Hunt, L. Scott Allen, the Reverend Dr. Julia T. Gary, and the Reverend Dr. Gil Watson, senior pastor of the Northside UMC, assisting in the service.

A memorial service, with the Reverend Dr. G. Ross Freeman and the Reverend Dr. William R. Floyd officiating, in the First UMC of Dalton, preceded interment in the West Hill Cemetery in Dalton, where he was laid to rest beside his mother and father, Mr. and Mrs. William Ragsdale (Emma McAfee) Cannon, Sr. The bishop was an only child and unmarried.

Cannon was elected a bishop in 1968 after notable scholarly and ecclesiastical attainments as an academician, administrator, and statesman in denominational and world ecumenical affairs. His episcopal assignments included Raleigh Area, 1968-72; Richmond

Area, 1970-72; the Atlanta Area for North and South Georgia Conferences, 1972-80; and Raleigh Area, 1980-84. He was an official member of 13 General Conferences spanning 52 years.

Evangelism was a chief concern from his boyhood days when he collected children of the neighborhood in a chicken house and "preached" to them. Conferences over which he presided registered net increases in membership for each of the 16 years of his episcopacy. He guided the decision to establish the World Methodist Evangelism Institute at Emory University and permitted the World Evangelism Committee to use his name in establishing the Bishop William R. Cannon World Methodist Evangelism Fund with the goal of $7.5 million. The Council of Bishops selected him to prepare and deliver the Episcopal Address in 1984 for the Bicentennial General Conference.

In January 1977, he was chosen to give the prayer at Jimmy Carter's Inauguration as President and was often a guest in the Carter White House. In October of 1986, he gave the dedicatory prayer for The Carter Presidential Center in Atlanta. Cannon served as president of the World Methodist Conference and chair of the World Methodist Council executive committee, 1981-86. The world organization of Methodists represents 65 denominations in 95 nations with memberships totaling 75 million people. In August 1976, he was elected one of the eight members of the governing body of the World Methodist Council, only the fourth person from the US and the first from the South to be elected to this Presidium of the World Methodist Council. He was chair of the American Section of the World Methodist Council, 1976-81.

As a theologian and historian, Cannon was appointed Protestant Observer from the World Methodist Council to the historic Second Vatican Council in 1965. He served as a representative from the World Methodist Council and co-chair of the continuing Conversations with the Roman Catholics on Christian Unity, and as a representative from the World Methodist Council to the ongoing Conversations with the Lutheran World Federation on Christian Unity.

For a quarter of a century he was Professor of Church History at Emory University before his election to the episcopacy, and Professor of Wesley Studies since his retirement. From 1953-68, he was also Dean of the Emory University Candler School of Theology. He brought international and inter-faith scholars to the faculty, expanded the number of degrees offered, and broadened the national prestige of the school. During his tenure as dean, he was the guiding force and strategist which moved voluntary ministerial education support by local churches in Georgia for the Candler School, through the SEJ Conference as a "One Percent Fund" for Candler, Duke Divinity School, and Gammon Theological Seminary, and through the General Conference in 1968 to establish the denomination-wide "Ministerial Education Fund." Cannon was vice-chair of the Emory University Board of Trustees. Emory's Cannon Chapel was built in his honor and dedicated in 1981.

He was awarded eight honorary degrees, authored 13 books and was writing the 14th at the time of his death. He was Distinguished Visiting Professor of Church History at Garrett Biblical and Evangelical Theological School in Evanston, IL, and at Richmond College, University of London.

He was a member of Phi Beta Kappa, Phi Beta Kappa Associates, Phi Kappa Phi, Theta Phi, American Historical Society, American Society of Church History, and of the Oxford Institute of Methodist Theological Studies.

He was ordained in 1940 in the North Georgia Conference. He served Allen Memorial Church in Oxford, GA, as pastor before joining the faculty of Candler School of Theology, and Stewart Avenue in Atlanta as interim pastor. His peers in the North Georgia Conference elected Cannon a delegate to the SEJ and General Conferences of 1948, 1952, 1956, 1960, 1964, and 1968. He was elected a bishop by the SEJ in 1968. He served as chair of the Commission to Study the Ministry, 1972-76; on the UM Board of Global Ministries, 1976-80; Board of Publication of The UMC, 1976-80; Board of Discipleship where he chaired the Section on Evangelism, 1980-84. In 1978, he was elected to the "Wall of Fame" of the Demosthenian Society at the University of Georgia. He was the recipient of the NC Public Service Award in 1984.

An avid world traveler, Cannon made more than a hundred trips overseas and still had a list of places he planned to visit. His closest surviving family is a nephew, Dudley Meadows of Signal Mountain, TN. He also leaves behind, in addition to his personal philanthropies, a legacy of brilliant scholarship, of conservative leadership growing out of his knowledge of Christian and world history, and a network of friends whose lives have been enriched by his.

VERNA ELLA TURLINGTON RHINER

1922 - 1996

Verna Turlington Rhiner was born April 24, 1922 in Harnett County. She was the daughter of the late Albert and Hermie Turlington. She died July 14, 1996, at home in her sleep. Funeral services were conducted on July 16, 1996 in Dunn by the Reverends Ray Smith and Chuck Herrin. Burial followed in Devotional Gardens beside her husband and parents.

While working at the VA Hospital in Fayettevile she met her beloved husband, Etheridge Merrell Rhiner, known by his colleagues as "Rhiner." They married October 7, 1945,and made their home in Fayetteville.

In 1954, Rhiner received his call to ministry, and by this time they had three children, Wayne, Ray, and Brenda. Mama's life revolved around her husband, children, and the church, while our father served as pastor at City Road in Henderson, Princeton, Cokesbury in Raleigh, Hawkins-Tabor, and Four Oaks.

When he died on March 23, 1974 at Four Oaks at the age of 51, a little of all of us died that day. Even 22 years after his death, to Mama he was still the best looking man she ever knew, and she loved him dearly.

Our mother always enjoyed being a "preacher's wife." She loved to talk and meet new people. She always made everyone feel comfortable. From the moment you met her you could tell her your deepest secrets and know they would never go any further. She was big, strong, with soft shoulders to cry on, and plenty of good-hearted advice. And Verna never met a stranger!!

She lost the majority of her eyesight in the late 1950s. If you didn't know she couldn't see, you would never have known it. Our friends used to say she sees better than she says. She had a great sense of humor. As children, we thought Mama had eyes in the back of her head, and she let us believe that for years. She also had a great memory for numbers. She could remember anyone's birth date or anniversary date - and could add in her head faster than any calculator!!

How Mama loved to travel - especially to Disney World!! When we went in November 1995, at age 73, she rode nearly everything, except Space Mountain and the Tower of Terror!!

Mama loved sports, but most of all, basketball. When she was a young girl in high school, she played basketball and they had the best team in Harnett County in the 1940s. All of Mama's life she was above the average; intelligent, kind, brave, talented, and open-minded - and a real lady.

She is survived by her three children: Wayne lives in Raleigh, Ray and Brenda live in Coats; five grandchildren: Phillip, Emily, Daniel, Meagan, and Shelly. She also has a sister-in-law, Rosalie, in Baltimore, MD, that was as close as a sister could be. She recently remarked that Verna had left an indelible impression on all of us who were privileged to have had a personal acquaintance with her. Aunt Sis also said Verna put God first and found the answer, and the key, to a happy, useful, and rewarding life.

My brothers and I were surely blessed to have "Verna and Rhiner" as our parents. We miss their unwavering love, their hugs, and their smiles.

BONNIE RUTH MAINS MILLER

1909 - 1996

Bonnie Ruth Mains was the daughter of Armet and Lena Bell Coe Mains. She was born in Ryan, OK, on February 23, 1909, and was graduated from Oklahoma Women's College, after which she taught school for many years. She received her master's degree from Duke University and post master's degree from the University of Maine at Orono.

She married the Reverend Melvin Ray Miller on May 18, 1930, and they were blessed with three children. Melvin had begun preaching in 1926. He served churches in Oklahoma and Texas prior to becoming a military chaplain during World War II, and then an advisory chaplain during the Korean Conflict.

In those military years, they remained a fine team, as they were in God's ministry together. Bonnie Ruth continued teaching, with her own original talent of innovative teaching methods and ideas. But we also remember the special gift she had with helping people who were grieving. She seemed to be born with a special skill for comforting others, knowing exactly what to do and what to say. During those years there were many military deaths attributed to war. The chaplain and his wife were needed.

Upon retirement from the military, the Millers settled in Fayetteville and served Arran Lake and St. Paul-Trinity before retirement from the NC Conference. They were blessed with more than a decade of good retirement years, first in Fayetteville, then in Florida.

By 1989, since both Bonnie Ruth and Melvin were in poor health, he had cancer and she had advanced Parkinson's Disease - and they wanted so badly to continue living together - they moved to South Portland, ME, to live with their son. Too soon, on November 5, 1990, Melvin succumbed to the complications from his cancer at age 85. Several years before her own death, Bonnie Ruth became so disabled, she was admitted into a nursing home. She died August 6, 1996, at age 87.

Her graveside service and committal was beside her husband by the harbor in the Forest City Cemetery of South Portland.

Bonnie Ruth is survived by her two sons, Robert T. Miller of South Portland, ME, and Mel Ray Miller of Clinton, MD; eight grandchildren; 11 great-grandchildren; and by her sister, Thyra Burnette of Ryan, OK. Her daughter, Margaret Ann Miller Hall, had predeceased her, and had died as a young mother leaving an infant daughter.

MARTHA SHEARON HIRSCHI

1929 - 1996

Martha Shearon was born February 5, 1929, the oldest child of the late Wallace E. and Zuda B. Shearon of Wake Forest. She grew up in the Wake Forest community and attended the Wake Forest UMC. She often told the story of leaving elementary school early one afternoon and walking to church to watch her father help dig the basement to that church at the start of a building project. She was graduated from Wake Forest High School and Louisburg College. She went on to receive a BA in Religious Education at Guilford College in 1951, then to work at Trinity UMC in Wilmington, and served on staff as the Director of Religious Education.

Who would have thought that this farm girl from Wake Forest would meet and fall in love with a boy from New York City? But sure enough, that's what happened. While Martha

was DRE at Trinity, she began dating the Reverend Carlton F. Hirschi. (Martha and Carlton were introduced to each other by the Reverend William Wells.) Carlton had come from Brooklyn, NY, to attend Duke Divinity School, from which he had recently graduated. Love blossomed between Martha and Carlton, and they were married on October 11, 1952. Two children were born into their home, Carlton, Jr., and Karen.

Upon her marriage to Carlton, she ended her "official career" in the church, but spent the next 40 years using that experience in the role of the pastor's wife. She was involved with supporting Carlton in whatever way was needed...with the UMW, decorating new parsonages, helping with children's choirs, and helping with various other programs and ministries in the church. She was a homemaker, loving wife and mother, seamstress, baker for countless bake sales...the list goes on.

Then, in the mid-70s, she started her *second* career. Prior to this, she had spent several years working as a teacher's aide in the public schools. In the mid-70s while living in Burlington she went back to school at Elon College to get her teaching certificate. With two degrees, she was certified to teach both elementary and middle schools in a variety of subjects. Upon graduation she taught elementary school in Ramseur, then in Aurelien Springs, then she taught at Horton Middle School in Pittsboro for over 13 years.

She loved teaching at Horton. In fact, she received the teacher of the year award for Horton Middle School for the 1984-85 school year. And she had a reputation there for being a strict teacher. It was common knowledge among the students that if you had Mrs. Hirschi for a teacher you would really have to work! Not only was she a dedicated teacher, but she truly cared about the students. On more than one occasion, she anonymously bought coats for students who had none. She was concerned that they learned to respect themselves and helped them to dream dreams that they could do anything in life that they chose. She loved teaching seventh graders, and when she taught, she taught more than just the lessons in the book. She taught them values and skills for living.

While cleaning out her house after her death, the family found many notes students had written to her years after having had her as their teacher. One wrote to her upon being accepted to college, "Mrs. Hirschi...my world will be expanding a great deal over the next few years, and I am so excited about the opportunity to learn and explore new information and places, and to meet new people. You helped give me confidence. You taught me special lessons about myself, as well as about grammar and literature. You will always be a very special part of my life."

Another student wrote an essay entitled, "The Person I Admire the Most." "I admire Mrs. Hirschi. She is a person I love, admire, and I consider her relationship with me to be very important. She is honest and to me a gigantic encyclopedia full of knowledge and understanding. She is logical and very intelligent. I have learned more from her about myself and the world around me than I have learned about my English or other studies..."

Martha retired from teaching in December of 1992 to nurse her husband, Carlton, through his last days of cancer. After Carlton died on April 18, 1993, Martha struggled to maintain her independence during her last years even though she suffered from ill health. The joy of her last years were the times she spent with her grandchildren, Megan and Kristen...sharing her wisdom with them and applauding their accomplishments.

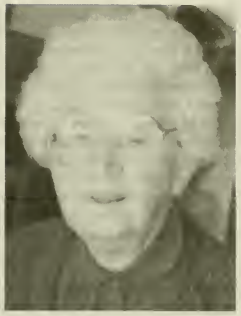

Martha died on October 18, 1996, at UNC Memorial Hospital of complications from injuries suffered in an automobile accident in July of that year. Funeral services were conducted at Pittsboro UMC by the Reverend Dr. Roger Elliott, the Reverend Ray Gooch, and the Reverend Benny Melvin. Interment was in the church cemetery.

Martha and Carlton faithfully served in the NC Annual Conference over 40 years at the following appointments: Windsor, Burgaw, Warsaw, Benson, St. James in Greenville, St. Paul in Tabor City, West Nash in Wilson, Lakewood in Durham, Faith in Burlington, Enfield, Pittsboro, Hurdle Mills, and Bynum.

Martha is survived by her son, Carlton Frederick Hirschi, Jr., of Garner; her daughter the Reverend Karen Hirschi Whitaker of Raleigh; and two grandchildren, Megan Elizabeth Whitaker and Kristen Rachel Whitaker, of Raleigh.

We give thanks to God for Martha...our mother, grandmother, teacher, and friend! Now she abides in her eternal home with her husband, her grandson, Jonathan Hirschi Whitaker (who predeceased her), and her Lord and Savior, Jesus Christ.

ALLIE VIOLA BENTON MINTZ FREEMAN

1903 - 1996

Viola Freeman was well loved and respected by all who knew her, and many accolades were showered on her, for she spent her lifetime actively working in her church and her community. She taught teenagers in Sunday School for many years, was awarded a life membership from the Women's Society, always looked forward to attending the Annual Conference, read every *Advocate* from cover to cover, and read her Bible every day. Probably, the highlight of her life was her special and meaningful trip to the Holy Land, also her first plane ride.

Viola was an excellent seamstress, had a real green thumb for growing beautiful things, and she was a wonderful mother, grandmother, and great-grandmother.

"...We see them as of yore,
The kind, the true, the brave, the sweet, who walk with us no more."

Born on February 24, 1903 at Leland in Brunswick County, Allie Viola Benton grew to have a life that was long, full, purposeful, and rich in spirit. She was the daughter of George W. and Mary Morse Benton.

On July 9, 1922, she married Oliver Jennings Mintz, who worked in a saw mill business, and they were blessed with five children.

After the early death of her first husband on March 26, 1936, from complications of pneumonia and sudden heart attack, she raised her children alone by working as an alterations seamstress for area clothing stores and in her own little sewing business.

Then at age 54, she married the Reverend William James Freeman, a retired elder and widower in the NC Conference, on June 5, 1957. They had known each other for many years as Mr. Freeman had been her pastor in about 1928. He served Trinity in Kelly and Carver's Creek as part-time appointments in retirement before he suffered for two years from leukemia and died on June 29, 1968. They had been married for over 11 years.

In her later years, Viola suffered from a series of strokes, and she lived with her son, Joe, for four years prior to going into the Brunswick Cove Nursing Home in Leland. She was 93 when she died on November 15, 1996.

Survivors are her daughter, Viola Mintz Shew of Leland; sons, Joseph Mintz of Wilmington; Herbert Mintz of Wilmington, E. G. Mintz of Harbinger, and Tylon Mintz of Wilmington; 16 grandchildren; and 15 great-grandchildren.

Her funeral was held at Shiloh UMC on Highway 87 just south of Leland with the Reverend William Pearsall and Mr. Jimmy Gore officiating. She was a long time member of Shiloh Church and helped get the land for the cemetery. Now she is buried there in the Shiloh Cemetery beside her first husband.

KATHERINE ELIZABETH POYNER CROSSO

1917 - 1997

Katherine Elizabeth Poyner Crossno of Warsaw, the widow of the Reverend Ramsey Leon Crossno, died on January 8, 1997, of what is assumed to have been a heart attack. Her body was buried in her home community in Moyock Memorial Cemetery, with a graveside memorial service conducted by the Reverend Roderic L. Mullen.

Surviving her are her three sons, her daughters-in-law, and her four grandchildren. The eldest is John Leon Crossno of Raleigh. His fiancee, Kimla Gayle King, mourns her death as well. Also of Raleigh are Robert Seth Crossno

and his wife, the former Joyce Ina Angel, and their sons, Robert Seth Crossno II and Jette Taylor Crossno. The youngest son, Kenneth Graham Crossno, who lives in Kinston, is married to the former Carol Lynn Dobey; they are the parents of Candace Lynn Crossno and Lauren Elizabeth Crossno. Katherine leaves behind some dearly-beloved cousins also: in particular, Elizabeth Poyner Sanderlin, Margaret Poyner Painter, Frances Poyner Hall, and Ruth Creekmore Lindsey, all of whom live in or near Moyock.

Katherine was born on March 30, 1917, and reared on her family's farm at the edge of Moyock in Currituck County. The daughter of Seth David Poyner and his wife, Bettie Burgess Poyner, she was educated in the public schools of Moyock, and, as a young single woman, was the secretary to the superintendent of schools in Currituck County.

Katherine and the Reverend Leon Crossno met when he was appointed to serve her home church; they were married August 1, 1944. Thereafter, as she used to say, the career she chose was that of minister's wife, homemaker, and mother. She succeeded beautifully in all three roles in a marriage that lasted for over 51 years. Although she dearly loved her home community of relatives and friends, and also was a rather shy person by nature, she moved without complaint according to Crossno's appointments: from the Moyock charge with its four churches, to the Warsaw charge with its three churches, to Branson in Durham, to organizing Cherry Point UMC in Havelock, to Enfield, to Oxford, to Fifth Avenue in Wilmington, to Harrells, and finally into full retirement in Warsaw. The churches Crossno served also benefitted from her work: at many of them, she acted as secretary and pianist, usually without pay, and frequently played leading role in Sunday school classes, the WSCS, and advising the UMYF. Her love for antiques, her in-born eye for decorating, and her devotion to tidiness made one parsonage after another a warm and pleasant home for herself, her husband, her sons, and visitors and guests. She was a marvelous mother: to say that she was always loving, attentive, helpful, and giving is the truth, but somehow those words are not adequate to the fullness of truth.

Everything about her was graceful and gentle. She had a beautiful soprano voice, a gentle touch at the piano, a love of flower gardening, and of watching birds at the feeder. Those she was very close to also discovered that she had a delightful, and impish, wit, which was a trait she had absorbed from her father and older brother.

Some of her interests carried through her whole life: her love of music, antiques, and flowers, for example. Other interests were ones she acquired at some point, enjoyed for a time, and then moved on to others: at one time or another, she braided and hooked rugs, crocheted, knitted afghans, refinished antiques, wove baskets, and collected Blue Willow and Blue Ridge dinnerware. And whenever she made anything, it was lovely.

In her very last years, Alzheimer's slowly eroded her clarity of mind, and step by step, the person she had been slipped away. Leon's death on December 18, 1995, seemed to accelerate the disease's course, and her mind began to live more and more in a world of its own creation. Even in the grip of a disease as cruel as that, however, she remained one of the most kind, and gentle, and loving women who has ever lived.

EULA VERNON DIEHL HARRIS

1906 - 1997

Eula Vernon Diehl Harris, wife of the late Reverend Linwood F. Harris, was born on June 15, 1906, at Monterey, VA, and died on January 26, 1997, at Suitland, MD.

The Reverend Linwood Harris served as a local pastor at Trinity Methodist Church (now Capitol Hill UMC) in Washington, DC. He also served churches at McDowell and Edgerton, VA. He then moved to North Carolina and first served in the New Bern District. While serving at Sea Level, Mr. Harris suffered a stroke, leaving him unable to speak. Mrs. Harris cared for him until his death on February 11, 1971.

Funeral services for Mrs. Harris were held at the Lee Funeral Home in Clinton, MD, on January 30, 1997 at 11:00 am, conducted by the Reverend James E. Chance, pastor of

Forest Memorial UMC at Forestville, MD. Interment took place at Cedar Hill Cemetery at Suitland, MD. She is buried beside her first husband, John W. Diehl.

Mrs. Harris is survived by two sons and one daughter, seven grandchildren and 10 great-grandchildren. She also is survived by several nieces and nephews, friends and neighbors. Her son, Lew, resides in Palmyra, VA; son, Harry, at her residence in Suitland, MD; and her daughter, Anna, resides in Waldorf, MD.

My mother lived a long and worthy life. Her work in the church was one that she enjoyed. From my teenage years and earlier, she worked in the home, but also held jobs in downtown and Southeast Washington. I think one of her greatest joys was when she was in charge of the nursery at Trinity Methodist Church.

I can say with pride that my mother, my father, and Mr. Harris were "tops," and greatly influenced many lives. My mother worked hard to guide my sister and me, and we are ever thankful. Our family faced many difficulties over the years, but my mother made sure that my sister and I had enough and we made it. "Her children arise up, and call her blessed." (Proverbs 31:28)

Though my mother lived a long life among misfortunes and illnesses, she always prevailed, and did so with a strong Christian spirit. Heaven must be a brighter place now, since she is there. Yes, it's Homecoming Time in Heaven, another of God's children is now at home to be with her God, our God. We had her here with us for 90 years, but God has her for eternity.

Drop Thy Burden and Thy Care
by Henry Van Dyke

Ere thou sleepest, gently lay, Every troubled thought away.
Put off worry and distress, As thou puttest off thy dress,
Drop thy burden and thy care, In the quiet arms of prayer.
Lord, thou knowest how I live, All I've done amiss forgive,
All the good I tried to do, Strengthen, bless, and carry through,
All I love in safety keep, While in thy arms I fall asleep.
Safe in the arms of Jesus.

This poem was found among my mother's keepsakes, and we used it at her funeral service because it was so fitting to her. We understand why she kept it among her favorite things.

MATTIE MATILLE CROSSNO SPONENBERG

1913 - 1997

Matille (Tillie) Crossno Sponenberg was born on November 10, 1913 in Bells, TN, a small rural town in Crockett County. She died February 13, 1997, and was entombed at Lee Memory Gardens Mausoleum in Sanford. Services were conducted by the Reverend Dr. Paul Leeland and the Reverend Douglas Currin. She is survived by her husband, the Reverend J. E. Sponenberg, Jr., of Sanford; two sons, James E. Sponenberg III of Lenoir, and Robert Clark Sponenberg of Aberdeen; and by a sister, Catherine Tucker of Macon, GA.

From her father, Lee Crossno, and her mother, Lyde Crossno, she developed a strong moral character and a deep appreciation for Christian values. Nurtured and supported by her family, she made an early commitment to serve God and did so through her work in education, Christian Education in particular. She attended Lambuth College, graduated from Asbury College in 1937, and attended graduate school at the University of Tennessee at Knoxville. Tillie taught in public schools in Arkansas, Illinois, and North Carolina. The school in Illinois was a one room school house with the first eight grades.

On August 20, 1942, she married the Reverend James E. Sponenberg, Jr., whom she met while attending Asbury College. The first church they served was the McGill Methodist Church at Nevada in the Utah Mission Conference. After the birth of their first son, James E. Sponenberg III in August of 1943, they moved to the NC Conference. Their first appointment here was the Moncure Charge where their second son, Robert Clark

Sponenberg, was born in May of 1946. They also served at Princeton, Person Street in Fayetteville, Wesley Memorial in Raleigh, Bethany in Durham, Aberdeen, Jonesboro Heights in Sanford, Grifton, Wallace, and Institute. After retirement, they served Morris Chapel in Sanford.

During their service to these churches and communities, Tillie spent much of her time working in the Women's Society. She held several district and conference offices which included the conference secretary for Spiritual Life. She had several of her devotionals published in the *NC Christian Advocate* and other periodicals. She taught in the public school system in Chatham County, Fayetteville, Raleigh, Durham, and Moore County.

Throughout her service in Christian Education, the UMW, and the public schools of NC, she maintained a strong commitment to God, her family, and her fellow man, in that order. Tillie did not compromise her beliefs, and was never the victim of trends and fads. Right was right and Jesus Christ was Lord, pure and simple.

Tillie was devoted to her husband, Spony, and his ministry, providing support and assistance. She also was very devoted to her two sons, Gene and Bobby. They were reared by strict rules and expectations, and while often guilty of behavior that was disappointing, they always knew they were loved.

Her devotion to her fellow man is well-stated in a letter received by the family after her death. The letter came from one of her students in Moore County who attended school at a time when he was able to experience first hand the challenges of integration. On the day the assassination of Dr. Martin Luther King, Jr., was announced, the student felt much grief and began to cry. He was soon calmed by a supportive hug from his teacher and her comforting words that everything would be all right. The young man would always remember the act of love he received at a time when he needed it.

Tillie Sponenberg was reared in a Christian home by loving parents, with four brothers and one sister. One brother, Ramsey Leon Crossno, was a minister in the NC Conference as well. Her sister, Catherine, also married a Methodist minister, James E. Tucker. When she became a wife and mother, Tillie's family also was nurtured by the tenets of the Christian faith. She served God, family, and the people around her with a devotion and zeal that leads one to describe her quite simply as a Christian lady.

MARY ALICE HARRIS LOCKLEAR

1914 - 1997

One of 12 children born to Elias and Dora Locklear Harris in Robeson County on February 22, 1914, Mary Alice Harris Locklear grew to become an excellent cook and homemaker. But there was something more important to her than preparing delicious food. She practiced her ministry of visiting the sick with zeal. Everyone knew this to be her special gift from God.

Mary Alice married Jakie Locklear, Jr., on December 22, 1933. They became the parents of three daughters; however, their first child, Lois, died at three months old. Jakie was a farmer, then employed in business, before finally fulfilling his calling to become a "Methodist preacher," and an Associate Member of the NC Conference. At this same time, Mary Alice fell into her niche, and she gave herself unselfishly to the Methodist ministry, and to the role of "preacher's wife."

They served faithfully and devotedly in the pastorate at Sandy Plains, Ashpole-Pleasant Grove, Fairview-Hickory Grove, Collins Chapel, and for many years at Branch Street-Philadelphus, where Jakie was serving when he died of a massive heart attack on June 19, 1973, at age 61.

Mary Alice spent her remaining years without Jakie involved with her church, her ministry, and her family before succumbing to death at the age of 83 on March 29, 1997.

She is survived by her daughters, Shelvie Locklear Buckner of Maxton, and Vastie Locklear Roberts of Pembroke; four grandchildren, Eric Buckner, Jeannie Buckner, Perry Roberts, and Janet Locklear; and four great-grandchildren, Latoya Roberts, J. W. Roberts, Taylor Buckner, and Cierra Locklear; two brothers, James and Elias Harris, both of Maxton;

five sisters, Rose Harris Bullard of Maxton, Elizabeth Harris Sampson of Rowland, Lettie Mae Harris Oxendine, Sue Harris Lowry, and Ruth Harris Deese, all of Pembroke.

"Along the paths of life we now tread, they have but gone before..." What measure of effect did this clergy couple have on the lives of those they touched along the way, the special Christian example they set for all of us. I pray it will reap and reap and reap again.

A "Homecoming" was celebrated at Prospect UMC in Maxton with the Reverend Bill James Locklear and Mr. Dell Harris officiating. Mary Alice is buried at the New Prospect Cemetery at Maxton.

FRANCES NADINE PETREA JOHNSON

1937 - 1997

Nadine P. Johnson was born June 7, 1937, in Cabarrus County to Vyron L. and Hattie C. Petrea, the second of three children. She graduated from Mt. Pleasant High School, Pfeiffer College, and did other studies at Meredith College.

Nadine was married August 24, 1958, to George W. Johnson in St. John's Lutheran Church at Mt. Pleasant.

She began her teaching career in the Alamance County School System and taught in Caswell, Orange, Wake, and Wilson Counties, as well as Kindergarten at Front Street UMC in Burlington.

She was a loving and able friend, wife, mother, grandmother, and partner in ministry at the Rock Creek Charge, Yanceyville Charge, Faith, Emmanuel, Garner, University, Wilson First, Burlington District, and Hayes Barton churches.

Nadine brought gifts of music, fabric design and creativity, education, gentle friendship, and deep faith to every church and community of which she was a part. She confronted cancer with the same quiet courage with which she lived her life; and on May 21, 1997, she went home to be with her Lord.

Funeral services were conducted May 24, 1997, at Hayes Barton UMC by Bishop Marion Edwards, Kermit Braswell, Warren Petteway, and Sally Bates. She was buried at Mt. Herman UMC in Alamance County.

Nadine is survived by her husband, George W. Johnson; a daughter, Mary George Johnson of Durham; a son, Eric V. Johnson of Chapel Hill; and two granddaughters, Savannah Leigh and Elizabeth Claire of Chapel Hill.

Blessed are they who die in the Lord and precious is their memory.

SUZANNE HICKS RICKARDS

1931 - 1997

Suzanne Hicks Rickards, a native of Charlotte, was born on October 4, 1931, the daughter of Ernest Lee and Susan Bible Hicks. She died at home in Punta Gorda, FL, on June 4, 1997, after valiantly battling cancer for some nine months. Typical of her deep faith and characteristic of her was what she said to me the very day before she died, "I want you to know that when the Lord decides to take me, I will be ready and I will go happily. I just don't want you to worry."

Suzanne grew up in Charlotte and was graduated from Central High School there. She later graduated from East Carolina University where she met her husband,

James P. Rickards. They married while Jim was a student at Duke University Divinity School.

Then followed 43 years of a wonderful and adventurous marriage as they shared Jim's career as a chaplain in the USAF from which he retired as a Colonel. Their many assignments included tours in France, Germany, and Japan.

Throughout the countless career moves, Suzanne was a loving, helpful, and supporting wife to Jim and a caring, nurturing mother to four children. The life of a military wife carries with it special burdens, such as the tour of duty Jim had one year in Greenland when Suzanne had to remain in the States to manage a home and care for the children.

In 1987, Jim and Suzanne moved to Punta Gorda, FL, where they spent 10 wonderfully happy years in retirement in their lovely home on the banks of the Peace River. During this time Suzanne was frequently called on to substitute teach in local elementary schools. She also became quite interested in and accomplished in various aspects of computers.

The service for Suzanne was held at the First UMC of Punta Gorda with the Reverend Robert E. Titus officiating. Jim Rickards' brother, the Reverend Joseph Rickards, retired Episcopal priest, participated in the service, and gave a very warm and moving tribute to Suzanne. Interment was in Restlawn Memorial Gardens in nearby Port Charlotte.

In addition to her husband, she is survived by a daughter, Susan Lee Pollman of San Antonio, TX; three sons, James P. Rickards, Jr., of Fairfax County, VA; David A. Rickards of Phoenix, AZ, and John G. Rickards of Mechanicsburg, PA; and by me, John D. Hicks of Charlotte, her only brother, all of whom will miss this wonderful lady so very much.

1997-1998 ASSOCIATE MEMBERS, ROLL AND PASTORAL RECORDS OF

NOTE: This was formerly the Chronological Roll and is now alphabetically arranged for greater convenience and to provide a listing of the service records of conference associate members, both effective and retired. These records include only service in the North Carolina Conference. Please note that service years vary in value and the Conference Board of Pensions evaluates each year of service in terms of annuity credit. The figures in the right hand column indicate the number of years service under episcopal appointment to the North Carolina Conference after being received into the Conference. All questions concerning years applicable to annuity credits should be directed to the Board of Pensions.

INDEPENDENT AUDITOR'S REPORT

To the Council on Finance and Administration
North Carolina Conference, Southeastern Jurisdiction,
of The United Methodist Church
Raleigh, North Carolina

We have audited the accompanying balance sheet of North Carolina Conference, Southeastern Jurisdiction, of The United Methodist Church, as of December 31, 1996, and the related statements of revenue, expense or distribution and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The Conference does not compute the cost of postretirement benefits other than pensions nor disclose certain information regarding such costs as required by Statement of Financial Accounting Standards No. 106 ("SFAS 106") issued by the Financial Accounting Standards Board. Rather, the Conference's policy is to expense such costs as incurred. The effects on the financial statements of these matters are not reasonably determinable.

In our opinion, except for the effects of not recording the postretirement benefits other than pensions in accordance with SFAS 106 as discussed in the preceding paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of North Carolina Conference, Southeastern Jurisdiction, of The United Methodist Church, at December 31, 1996, and the change in its net assets and cash flows for the year then ended in conformity with generally accepted accounting principles.

As described in Note 9 to the financial statements, the North Carolina Conference, Southeastern Jurisdiction, of The United Methodist Church adopted the provisions of the Financial Accounting Standards Board's Statement of Financial Accounting Standards No. 124, *Accounting for Certain Investments Held by Not-for-Profit Organizations*, in 1996.

NOTES TO FINANCIAL STATEMENTS

Note 1. Nature of Business and Significant Accounting Policies

The Conference is the fundamental body of the United Methodist Church which under Episcopal leadership provides the mechanism for admitting and ordaining clergy, appointing itinerant pastors to churches. and supplying them with mutual support. The Conference is composed of ministerial and lay members and other individuals as required in "The Book of Discipline of The United Methodist Church" which in an annual meeting defines the programs and responsibilities of the Church as a whole. Included within this report are all funds administered by the Conference Treasurer, except for the United Methodist Foundation, Inc. and the Board of Missions, Inc.

A summary of the Conference's significant accounting policies follows:

Investments: Investments in equity securities with readily determinable fair values and all investments in debt securities are stated at fair value. Changes is fair value of investments, and both realized and unrealized gains and losses, are included in the accompanying statement of revenue, expense or distribution and changes in net assets. In determining realized gains and losses, the cost of investments is determined using the specific-identification method.

Property and equipment: Land, buildings and equipment are recorded at cost since 1983. Prior to 1983, if historical costs were unavailable, estimated historical costs were used.

Church properties assumed by the Conference as well as land donated to the Conference are stated at their estimated fair value at the time of receipt.

Depreciation is computed using the straight-line method over the following estimated useful lives:

	Years
Buildings	30 - 40
Improvements to buildings	10 - 40
Furniture and equipment	5 - 15

Estimates: In preparing its financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the balance sheet and statement of revenue, expense or distribution and changes in net assets for the period. Actual results could differ from those estimates.

Other accounting policies: The expenditures for each year are financed principally by funds received from revenue from apportionments of the previous year. Accordingly, the revenue shown in the accompanying Statement of revenue, expense or distribution and changes in net assets will be available for operations budgeted for the ensuing year.

Note 2. Cash

Arrangements with banks for investment of excess funds require minimum cash balances of $300,000 to be maintained. All cash deposits are legally subject to withdrawal without penalty. Funds are invested in this program each business day. The amount invested in this program at December 31, 1996 was $3,054,000. The Conference places its cash with high quality financial institutions. At times this cash is in excess of the FDIC insurance limits.

Note 3. Investments

Investments are comprised of the following:

Certificates of deposit	$ 1,501,723
GBOP Superannuate Endowment Fund	124,026
Investment in United Methodist Foundation, Inc.	29,630,862
Other	1,208
	$ 31,257,819

The Conference's investment in the United Methodist Foundation, Inc. represents approximately 59 percent of the unitholder equity of the Foundation. The Foundation's net assets were approximately $50,000,000 at December 31, 1996 and consisted primarily of common stocks, fixed income securities and real estate mortgage loans.

	6,831,309
Less accumulated depreciation	2,373,644
	$ 4,457,665

Note 5. Other Assets

Other assets consist of the following:

Loans to Churches	$	226,421
Inventory		6,670
Church properties and donated land held for resale		547,880
Other		9,012
	$	789,983

Note 6. Pensions

In 1981, the Conference began participating in multiemployer pension plans provided by the General Board of Pensions. Two defined contribution plans provide benefits for Clergy as follows for all service after December 31, 1981.

The Ministers Pension Plan provides monthly retirement benefits for bishops of The United Methodist Church elected by a Jurisdictional Conference, clergy members of an Annual Conference and local pastors of The United Methodist Church under Episcopal appointment or those eligible for appointment to a charge. Funding in 1996 is based on 12% of plan compensation.

The Comprehensive Protection Plan provides death, disability and educational benefits for all individuals eligible to participate in the Ministers Pension Plan. Funding is based on 4.4% of actual plan compensation.

Beginning January 1, 1990, the employers of plan participants collect the required contributions for the defined contribution plans described above from the plan participants and remit all collections directly to the General Board of Pensions.

The plans also provide defined benefits in accordance with their predecessor plan, The Ministers Reserve Pension Fund. All plan participants as of December 31, 1981 entitled to receive benefits from The Ministers Reserve Pension Fund will receive upon retirement a monthly retirement benefit, disability, surviving spouse and surviving children benefits. Benefits are based on years of service and an approved pension rate. The pension rate is based on a percent of the Conference Average Salary. Benefits are subject to certain reductions if the participant retires before reaching age 65.

The Conference agreed to fund the prior service liability for service years prior to 1982. On January 1, 1997, the net unfunded liability based on a pension rate of $356 was $27,812,357. Current expense for prior service liability was $2,250,210. The amount paid to fund the unfunded prior service liability is determined annually by the General Board of Pensions. The Conference amortizes prior service cost over a 30-year period.

Note 7. Related Party Transactions

United Methodist Foundation, Inc.: The United Methodist Foundation, Inc. was established primarily as an investment pool available for organizations, churches and agencies related to the North Carolina Conference, Southeastern Jurisdiction, of The United Methodist Church. Included in accounts receivable is $346,442 due from the Foundation.

Board of Missions, Inc.: The Board of Missions, Inc. was established primarily to encourage the construction of new churches and the remodeling and repair of existing facilities by providing financial assistance to Churches established in Eastern North Carolina. The net amount due from the Board is $214,347.

Note 8. Contingent Liabilities

The Conference has been named as a defendant in several legal actions which are being vigorously defended. In management's opinion, the ultimate resolution of these actions will not have a materially adverse effect on the Conference's financial position.

Note 9. Adoption of New Accounting Pronouncement

During the year ended December 31, 1996, the Conference adopted the provisions of Statement of Financial Accounting Standard No. 124, *Accounting for Certain Investments Held by Not-for-Profit Organizations.* Statement No. 124 establishes accounting standards for investments in certain equity and all debt securities of not-for-profit organizations, with the primary requirements being to report such investments at their fair value. The net assets at December 31, 1995 have been retroactively restated by $7,261,551 for this change. The effect of the adoption of this statement increased revenues for 1996 by $2,516,270.

Note 10. Insurance Settlement

In January, 1996, the dining hall at Camp Don Lee was completely destroyed as a result of a fire. The Camp settled with its insurance carrier and recognized a gain on the involuntary conversion of $368,757.

NOTES TO FINANCIAL STATEMENTS

Note 1. Nature of Operations and Significant Accounting Policies

Nature of operations: United Methodist Foundation, Inc was established in 1955 by the North Carolina Conference of The United Methodist Church to provide a management-investment pool for long-term and permanent funds of the North Carolina Conference and of local churches, institutions, and ministries of the Church and to encourage and receive planned gifts in support of local churches, institutions, and special ministries of The United Methodist Church and to assist donors in placing their gifts

A summary of the Foundation's significant accounting policies follows

Valuation of securities: Investments in fixed income securities and common stocks are stated at market value, based on closing prices reported on National Securities Exchanges on December 31, or at the last bid price, for over-the-counter securities Short-term investments are stated at market value Investments in real estate mortgages are stated at the lower of aggregate cost or market

Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period Actual results could differ from those estimates

General The Foundation follows the accounting practice of "equalization" whereby undistributed investment income per unit is unaffected by sales or redemptions of units.

Security transactions are accounted for on the trade date. Dividend income is recorded on the ex-dividend date.

Realized gains and losses from security transactions are reported on the first-in, first-out basis

Note 2. Securities Transactions

Purchases and sales of investment securities for the year ended December 31, 1996 and 1995 were as follows:

	1996	1995
Cost of purchases:		
Short-term investments	$ 75,978,095	$ 22,630,299
Other securities	32,866,204	21,986,617
	$ 108,844,299	$ 44,616,916
Proceeds from sale:		
Short-term investments	$ 73,043,275	$ 23,221,619
Other securities	35,729,960	22,359,293
	$ 108,773,235	$ 45,580,912

Note 3. Restricted Assets and Obligations

During 1990, the Foundation established a separate Annuity fund to record the investment of funds upon which certain restrictions have been placed. In connection with these investments, the Foundation purchased three annuity contracts and established an annuity payable representing the present value of the payments to the annuitants over their remaining life expectancies.

The Foundation also established during 1990 a separate Cash Surrender Value fund for 16 life insurance policies which place certain restrictions on the use of the proceeds at the death of the donor. Three additional policies were recorded during 1991 and five additional policies were recorded during 1992.

In 1994, the Foundation established a separate Real Estate fund for a donation of an apartment dwelling in an irrevocable charitable remainder unitrust. Net income from the fund is to be paid to the unitrust recipient until death of the recipient occurs.

Since the earnings on these investments are not available to all unitholders, they have been accounted for as restricted assets, liabilities and restricted net assets.

Note 4. Net Asset Value Per Outstanding Unit

The net asset value per outstanding unit was $2.22 at December 31, 1996 and $2.03 at December 31, 1995.

Note 5. Income Taxes

The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code of 1986.

Note 6. Credit Risk

The Foundation places its cash with a high quality financial institution. At times, such cash is in excess of the FDIC insurance limit.

Note 7. Donated Services

The United Methodist Foundation, Inc. receives accounting services from the North Carolina Conference, Southeastern Jurisdiction, of the United Methodist Church. The value of such services is not reflected in these financial statements since it is not susceptible to objective measurement.

NOTES TO FINANCIAL STATEMENTS

Note 1. Nature of Operations and Significant Accounting Policies

Nature of operations: The Board of Missions, Inc. was established primarily to encourage the construction of new churches and the remodeling and repairing of existing facilities by providing financial assistance to churches established in eastern North Carolina. All loans are collateralized by a first deed of trust on the Church property.

A summary of the Board's significant accounting policies follows:

Estimates: In preparing its financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the statement of financial position date and the statement of activities for the period. Actual results could differ from those estimates.

Net assets: Net assets, revenue and expenses, and gains and losses are classified as permanently restricted, temporarily restricted or unrestricted based upon the existence or absence of donor-imposed restrictions. All of the net assets of the Board are classified as unrestricted due to the absence of any donor restrictions.

Cash: The Board places its cash with high quality financial institutions. At times this cash is in excess of the FDIC limit.

Investments: Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value. Changes in the fair value of investments, including both realized and unrealized gains and losses, are included in the accompanying statements of activities. In determining realized gains and losses, the cost of investments is determined using the specific-identification method.

Property: Property is capitalized at cost or at fair market value as of the date acquired when received by gift. Depreciation of its building is computed using the straight-line method over an estimated useful life of forty years.

Note 2. Investments

All investments are deposited with the United Methodist Foundation, Inc. Cost and market values as of December 31, 1996 and 1995 were as follows:

	1996	1995
Cost	$ 10,051	$ 358,450
Market value	12,490	409,961

The Board of Missions investment in the United Methodist Foundation, Inc. represents less than 1 percent of the equity of the Foundation. The Foundation's net assets were approximately $50,000,000 at December 31, 1996 and consisted primarily of common stocks, fixed income securities and real estate mortgage loans.

Note 3. Property

A summary of property is as follows:

	1996	1995
Undeveloped land	$ 849,679	$ 862,695
Land	340,845	340,845
Building	85,210	85,210
	1,275,734	1,288,750
Less accumulated depreciation	11,716	9,586
	$ 1,264,018	$ 1,279,164

The undeveloped land is land held by the Board for future church sites. Included in the undeveloped land is a 13.5 acre tract in the Wake Forest Township of Wake County. The Board of Missions acquired this tract of land by an action of the Charge Conference of the former Morningstar Church to transfer the deed of trust to the Board of Missions along with the corresponding loan against the property. The Board paid off the loan on this property. Even though it was the intention of the former Morningstar Church, the deed was not transferred to the Board. The Board's legal counsel is in the process of perfecting title to the property.

Note 4. Note Payable

Note payable: In 1991, the Board issued a note payable with a face amount of $350,000, collateralized by property in the Fayetteville district with a carrying value of $414,338 at December 31, 1996. The note is due in six annual installments plus interest at the rate of 8% per annum. The remaining balance due on the note was repaid during 1996.

Note 5. Related Party Transactions

The Board of Missions benefits from all management and administrative services performed by the North Carolina Conference, Southeastern Jurisdiction, of the United Methodist Church. No portion of the costs incurred by the North Carolina Conference, Southeastern Jurisdiction, of the United Methodist Church to provide these services is reflected in the financial statements of the Board.

Note 6. Commitments

As of December 31, 1996, the Board of Missions had approved approximately $115,000 in new loans to churches which had not been disbursed.

Note 7. Adoption of New Accounting Pronouncement

During the year ended December 31, 1996, the Board adopted the provisions of Statement of Financial Accounting Standards No. 124, *Accounting for Certain Investments Held by Not-for-Profit Organizations*. Statement No. 124 establishes accounting standards for investments in certain equity and all debt securities of not-for-profit organizations, with the primary requirement being to report such investments at their fair value. The financial statements for the year ended December 31, 1995 have been retroactively restated for this change. This change had the effect of increasing the change in unrestricted net assets by $2,439 and $51,511 for the years ended December 31, 1996 and 1995, respectively. Unrestricted net assets as of December 31, 1995 are greater by $51,511 as a result of the change. There is no retroactive restatement of the December 31, 1994 unrestricted net assets because, at that date, the investments were written down to fair value.

Note 8. Reclassifications

Certain items in the financial statements for the year ended December 31, 1995 have been reclassified, with no effect on the change in unrestricted net assets or unrestricted net assets, to be consistent with the classifications adopted for the year ended December 31, 1996.
